ABOUT THE A's

ABOUT THE A'S: Have won each of the last three games, which is the A's longest winning streak since August 3-5 when they also won three straight...have won more than three in a row just once this year and that was from June 2-8 when they won seven consecutive games...have not won or lost more than three games in a row since June 29 and are 31-33 over that span...are 62-76 (.449) for the season, which is tied for the fourth worst record in the American League...have spent each of the last 129 days (since May 3) and 135 days this year in sole possession of last place in the AL West...the only seasons in Oakland history in which the A's spent more days all alone in last are 1997 (153) and 1979 (147)...have finished the season last in the AL West six times in Oakland history (1977, 1979, 1993, 1995, 1997, 1998)...the A's are 41-38 (.519) against teams from the Central and the East and 21-38 (.356) against Western division teams.

DEFICITS AND ELIMINATION: The A's are 20½ games out of first place in the American League West and have a "tragic" number of five for elimination from the division race...trail Boston by 18 games in the Wild Card and the "tragic" number for elimination from the playoffs is seven...last year, the A's were officially eliminated from the West on September 7, an off day between games 142 and 143, and were eliminated from the playoffs on September 8 in game 143...that marked the earliest the A's were eliminated from the West or the playoffs since they were eliminated in game 140 in 1997.

STARTING PITCHING: Trevor Cahill will make the 100th start by a rookie this year, which is an on-going Oakland record...the previous mark was 93 set by the 1983 club...according to the Elias Sports Bureau, the last team to have more starts by rookie pitchers is the 1998 Florida Marlins (124)...have started a rookie pitcher in 73 of the last 91 games and have had at least four rookies in the rotation since Vin Mazzaro was recalled on June 2...starting pitchers are 7-7 with a 3.95 ERA (56 er in 127.2 ip) over the last 22 games...are 41-55 with a 4.79 ERA for the season...have the second fewest innings pitched (772.0) in the American League, are tied for the second fewest wins and have the fourth highest ERA...are the only AL team with just one complete game...the Oakland record for fewest complete games is two in 1997 and the record for fewest innings pitched in a non-strike season is 858.2 in 1997.

THE LONG BALL: The A's have homered in a season high seven consecutive games (nine home runs total)...the longest streak last year was eight games from May 17 to 25...however, have just 118 home runs for the season, which is the fewest in the American League and fifth fewest in the majors...are on pace to hit 139 home runs...over the last 20 years, the only A's team to hit fewer than 142 home runs is last years club, which finished with 125.

OFFENSE: The 20-hit game last night boosted the A's overall batting average two points to .258, the highest it has been outside the first eight games of the season...are now batting .277 (501 for 1807) since the All-Star Break after hitting .246 before the break...however, have the third lowest average in the American League...rank fourth in the AL and tied for fourth in the majors with 108 stolen bases...this marks just the second time in the last 14 years Oakland has reached the century plateau in steals...the last time was in 1998 when they had 131...rank last in the AL in slugging percentage (.391), have the second fewest extra base hits (383), the third fewest runs scored (628) and triples (14) and the fourth lowest on-base percentage (.324)...have 446 walks and are on pace for 524 walks for the season...the last time the A's walked fewer than 537 times in a non-strike season was 1985 when they had 508.

THE THREE SPOT: Ryan Sweeney had four hits last night, the most by an A's batter in the three spot since September 16 of last year, when Sweeney went 4 for 5 against Los Angeles...it was just the fifth game of three or more hits by the A's three hitter this year and they are now batting .218 (119 for 545) for the season, which is the lowest mark in the majors (the White Sox are second lowest, .246)...since 1974, the lowest batting average by a team's number three hitters is .217 by the 1976 Montreal Expos.

DEFENSIVE DOINGS: The A's have committed one error in their last eight games and have 82 errors for the season...are on pace to commit 96 errors...have made fewer than 100 errors in each of the previous five seasons, which equals the longest such streak in Major League history (Philadelphia, 2001-05).

HOME AND AWAY: The A's are 1-0 on this eight-game road trip to Chicago (1-0), Minnesota (three games) and Texas (three games)...went 2-5 on the last road trip and are 28-40 (.412) on the road for the season, which is the fourth worst mark in the American League...with one more loss, the A's will clinch a losing record on the road for the third consecutive season...went 32-48 last year and 36-45 in 2007...went 4-3 on the last homestand against Kansas City (2-1) and Seattle (2-2) and are 34-36 (.486) at home for the season...are one of four AL teams with a losing record at home.

MONTH BY MONTH: The A's finished have finished with a losing record in each of the first five months of the season, the first time they have done that since 1993...the only time in Oakland history the A's had a losing record in all six months was in 1979...in the majors, only Baltimore and Washington have finished with a losing record in all five months this year...have not had a winning record in a month since last June (16-10) and the eight consecutive months without a winning record equals the second longest streak in Oakland history...also had eight straight at .500 or less from August, 1978 to September, 1979...the longest streak is 10 in a row from August, 1996 to May, 1998.

THE DISABLED LIST: The A's have used the disabled list 16 times this year and 63 times since the start of the 2007 season...the 16 players have combined to miss 827 games, an average of 51.7 games per stint...currently have six players on the DL and for the third consecutive season will have at least three players on the DL for the entire season...have not had fewer than three players on the DL since the end of the 2006 season when they had just one.
