• Is now batting .141 (13 for 92) with two RBI over his last 25 games after hitting .272 with 16 RBI over his first 27 contests.

Has committed five errors and ranks third among American League shortstops in fielding percentage (.980).

Is hitting .175 (22 for 126) over the first six innings of a game but has a .276 (16 for 58) average from the seventh inning on.
Four of his last seven hits are doubles.

Returned to the starting lineup Saturday night after being rested the previous two games...his two off days marked the first time he hasn't been in the starting lineup this year...before being rested, had started each of the A's last 92 games at shortstop dating back to last year...for the third • consecutive season, one shortstop has started each of the A's first 40 games, but it's been a different player in each of those seasons (Crosby

84 in 2008 and Cabrera 41 in 2009)...no other team has done that during the expansion era (since 1961, Source: Elias). Began the 2009 season at Triple-A Sacramento but was promoted to Oakland July 31 following the Orlando Cabrera trade...started 60 of the A's final 61 games at shortstop and hit .279 with seven stolen bases in 60 games...hit .264 with 27 steals in 99 games with the River Cats.
