VS. OAKLAND: The A's lead the season series, 5-3... The Birds dropped the season series in 2011, 4-5, as the Birds were 3-0 in Baltimore but just 1-5 in Oakland...The Orioles trail in the all-time series 244-249 (119-125 in Baltimore and 125-124 in Oakland)...The Orioles have not won a season series against the A's since 1998 (8-3)...According to Elias, Friday night's game marked the first time since September 2, 1992 the O's and A's had faced each other this late in the season with both teams above .500.

HOUSE OF PAIN: The Orioles have lost 16 of their last 18 games at Oakland Coliseum dating back to 2008.. The Birds have been outscored 90-55 by the A's in those contests...O's pitchers have a 4.93 ERA and .276 opponents' average, while A's pitchers have a 2.69 ERA and have held O's batters to a .228 average over the span...The Birds are 8-29 in Oakland since the 2003 season.

GOOD AFTERNOON: The Orioles are 27-14 in day games (12-8 at home, 15-6 on the road)...Their .659 winning percentage in day games is the best in the AL and second in the majors behind Cincinnati (34-17, .667).

SERIES FINALES: The Orioles are 25-21 in series finales in 2012 (14-10 at home and 11-11 on the road).

AT HOME ON THE ROAD: In 14 games on the road, Manny Machado has batted .353 (18-51) with six runs, five extra base hits with four RBI...He is hitting .213 (16-75) with 10 runs, seven extra base hits and 11 RBI in 20 games at home.

MINIMIZE THE DAMAGE: Last night's loss marked only the second time since August 4 the Birds have lost back-to-back games...The Birds are 26-13 over that time...The last time they lost back-to-back games to the same opponent was July 27-28, also against the A's.

THE WEST IS A PEST: The Orioles have posted a 12-18 record (.400) against the AL West this season, putting them on just a 65-win pace over 162 games...Baltimore is 69-46 (.600) against the rest of baseball, a 97-win pace over a full season.

IMPACT GLOVE: From Opening Day through August 8, Orioles third basemen combined for 24 errors and were last in the majors with a .914 fielding percentage (the team had a .980 fielding percentage, the worst in the majors)...Since the Orioles selected the contract of Manny Machado on August 9, he has played every inning at third base, making just two errors for the third-best fielding percentage among AL third basemen (.980) and the Orioles as a team have made just 13 errors, for a .991 fielding percentage, first in the American League...The Birds have not committed more than one error in a game over that span after committing multiple errors in a game in 24 of their first 111 games...Both of Machado's errors were throwing errors.

**RESTORE THE ORDER:** With Thursday's win over the Rays, the Orioles assured themselves of at least a .500 record in 2012...Their 81<sup>st</sup> win snapped a skid of 14 consecutive losing seasons...Prior to that skid, the O's had 13 losing seasons in their first 44 seasons.

ROAD WARRIORS: The Orioles have 39 road wins this year, nine more than their total in 2011 (30) and their most since 2004, when they won 40...The O's have 10 road games left counting today...The 39 road wins are fourth in the AL behind Texas, New York and Oakland's 40.

BUCK-BALL: Since the start of the 2011 season, the Orioles are 49-30 (.620) in one-run games, the highest winning percentage in baseball (Giants are second at .598 (61-41)...Since Buck Showalter took over as manager on August 3, 2010, the Orioles are 61-35 (.635) in one-run games...With their 27-8 (.771) record in one run games this year, the Orioles are on pace to have the highest winning percentage in major league history in one-run games...The record is currently held by the 1981 Orioles, who were 21-7 (.750) in one-run affairs.

SECOND-YEAR SENSATION: In Buck Showalter's second full season as manager, the Orioles are on pace to win 90 games, which would be a 21-game improvement over last year's 69-93 mark...In 2004, Showalter's second full year in Texas, he led the Texas Rangers to an 18-game improvement and was named the AL Manager of the Year...In Showalter's second full year in Arizona (1999), he led a 35-game improvement...His second full year in New York (1993) resulted in a 12-game improvement...The O's are 184-180 under Showalter.

PRODUCTIVE SEPTEMBERS: In three Septembers under Buck Showalter, the Orioles are 37-31...The 37 wins are third-most in the AL behind Texas (43) and Detroit (42).
