RAY MATTER—The Rays begin this 10-game road trip coming off a 5-4 homestand (2-1 vs. BOS, 2-1 vs. MIL and 1-2 vs. LAA)... it was their first winning homestand since May 20-25...Rays had won 5 straight series before dropping 2 of 3 to the Angels over the weekend...Rays are 12-4 since July 12 and 30-15 since June 11, both best in the majors during that span...the latter stretch came on the heels of a 1-14 skid that dropped them to a season-high 18 games below .500 (24-42)...during the 12-4 surge, the Rays pitching staff has compiled a 2.25 ERA (144-IP, 112-H, 36-ER, 40-BB, 156-SO) and a .214 opp avg, both lowest in the majors...during the 30-15 run, the Rays have pitched to a 3.02 ERA (465-IP, 136-ER).

NOT AN EASY STRETCH—Since June 25, the Rays are 23-9 and all but 6 of those games have been against teams with winning records...after this series, the Rays will have completed a stretch in they will have played 29 of 35 games against teams over .500... and 14 of those games will have been against division leaders (8-3 so far).

RAYS LOOKING TO SET CLUB MARK TONIGHT—The Rays begin a 10-game road trip to Oakland, Chicago-NL and Texas...the Rays have won 8 straight road games, matching their longest road streak in club history (see chart)...the Rays haven't lost a road game since July 3 at DET...it is the 2nd-longest road streak in the majors this season behind an 11-game streak by the Tigers in April/May...Rays starters have won all 8 games and the Rays have a collective 1.75 ERA (72-IP, 14-ER)...the Rays have also won 15 of their last 17 road games... it's the first time the Rays have ever won 15 of 17 road games...the last AL team to do that in a season was these same Athletics, who won 19 of 21 on the road from July 19 to Aug 30, 2005...during the 15-2 road run, the Rays have outscored the opposition 86-51 and pitched to a 2.75 ERA (145-IP, 47-ER).

LONGEST ROAD WINNING STREAKS, RAYS HISTORY	
8	July 4, 2014-current
8	April 23-May 8, 2011
8	Sep 27, 2009-April 29, 2010
7	June 15-22, 2004

- + The Rays are the only team in the majors with a winning road record (27-25) and an overall losing record.
- + Rays have the majors' best road record since 2010 (203-174, .538).

WHERE THEY STAND—The Rays are **8.5 GB** first place Baltimore and **5.0 GB** Toronto for the second Wild Card position...the Wild Card gap grew as large as 11.5 GB, most recently through June 24.

- + During the Wild Card era there have been 10 teams that advanced to the postseason after being 5.0-plus games out of either the Wild Card or the division race on this date...that includes the 2011 Rays, who were 10.0 GB out of the AL Wild Card; the 2012 A's, who won the AL West after they were 5.5 GB; and the 2002 A's who won the AL West after they were 5.0 GB.

CHASING HISTORY—Currently 3 games under, the Rays are trying to reach .500 for the first time since they were 10-10 through April 22...the Rays were as many as 18 games under .500 through June 10—and are attempting to become the 4th team in major league history to fall to 18 games below .500 and return to .500 (see chart below)...in fact, no club has ever overcome such a hole to reach the postseason—the closest any team has come was a century ago, when the Boston Braves were 16 under .500 at 12-28 thru June 8, 1914...they went 82-31 (.726) from that point forward to finish 94-59, then swept the Philadelphia A's in the World Series (4-0):

Team	Most Games Under	Returned	Final
1899 Louisville Colonels	22 (16-38 on June 20)	73-73	75-77
2006 Florida Marlins	20 (11-31 on May 21)	68-68	78-84
2004 Tampa Bay Devil Rays	18 (10-28 on May 19)	35-35	70-91
1991 San Francisco Giants	17 (12-29 on May 24)	55-55	75-87
1991 Milwaukee Brewers	17 (43-60 on Aug 3)	77-77	83-79

THEMED TRIP: JAMES BOND, FORMAL—This road trip is the team's **James Bond** Formal Trip...all traveling party wears tuxedos here last night... it is the 5th themed road trip this season and the 33rd since **Joe Maddon** introduced the concept in 2008...Rays will also wear the tuxedos to Chicago.

RAYS vs. A'S—A's lead the season series after taking 2 of 3 games at Tropicana Field, May 20-22...only 15 runs total were scored in the series... Rays all-time record of 56-91 (.391) is their worst vs. an AL opponent... Rays are 31-32 since 2007, they had been 25-59...Rays are 21-50 (.295) all-time here, their worst record in an enemy AL port...Rays have won only one series in in their last 6 trips (1-4-1) here.

RAYS vs. EX-RAYS—Oakland's current 25-man roster has six players who have played for the Rays and a seventh (**Jesse Chavez**) who was in the Rays organization (Nov 3-Dec 11, 2009; acquired from Pittsburgh for **Akinori Iwamura** before he was traded to Atlanta for **Rafael Soriano**)...the others: pitchers **Scott Kazmir** and **Jason Hammel**, catchers **John Jaso** and **Stephen Vogt** and outfielders **Sam Fuld** and **Jonny Gomes**...in fact, he A's have more players from the Rays 2008 AL Championship team (4, **Gomes, Kazmir, Jaso** and **Hammel**) than the Rays (3, **Evan Longoria, Ben Zobrist** and **Grant Balfour**).

NEW FACE—LH **Drew Smyly**, acquired last Thursday along with INF **Nick Franklin** and SS **Willy Adames** in a 3-way trade that sent LH **David Price** to the Tigers, will make his Rays debut tomorrow...Smyly is just the 7th pitcher in Rays history to be acquired in-season and start a game that season for the Rays...first since **Jae Seo** (acquired from LAD in 2007)...he will be only the 22nd different pitcher to start for the Rays since 2008, 3 fewer than any other team (SF-25)...for comparison's sake, the A's have started 43 pitchers during that span.

THE LONEY BIN—1B **James Loney** has reached base (via hit, walk or HBP) in 22 consecutive games, matching the 2nd-longest streak of his career...went 30 games in June-July 2007 with the Dodgers and 22 games in May 2013 with the Rays...it is the 3rd-longest current streak in the majors behind WAS **Denard Span** (29 games) and CLE **Carlos Santana** (23).

OFFENSE 2ND TO TIGERS—Since June 28 the Rays are 21-8 while the offense has put up the following numbers:

.282 AVG	2nd in majors to Detroit (.283)
.361 OBP	1st in majors, 22 points higher than any other team
.424 SLG	3rd in majors to Detroit (.428) and Chicago-AL (.426)
117 BB	T-1st in majors
202 SO	4th fewest in majors
4.76 R/G	4th in majors

WEB GEMS—The Rays have the fewest errors in the majors (49) and have made only one in their last 11 games...they have only 2 multi-error games in their last 64 games.

ZORILLA FIRST TO TEN?—UTL **Ben Zobrist** has hit safely in his last 9 games, matching the high by a Ray this season... the Rays are the only team in the majors to not have have 10-game hitting streak this season... **Jose Molina** and **David DeJesus** both had 9 streaks earlier this season... Zorilla is is 17-for-35 (.486) during the streak.

LONG-LASTING LONGORIA—3B **Evan Longoria** is one of 8 players not to miss a game in the majors this season and one of only 6 to start every game so far along with BAL **Adam Jones** and **Nick Markakis**, KC **Alcides Escobar**, ATL **Freddie Freeman** and SF **Hunter Pence**...only 3 other Rays have ever gone this deep into the season without missing a game: **Delmon Young** (2007), **Carlos Peña** (2012) and **Aubrey Huff** (2003, 2004)...Longo has played in 191 consecutive games since last sitting out July 1, 2013, 2nd-longest streak in Rays history behind Huff's streak of 398, 2002-04.

1K K'S—The Rays pitching staff needs only 18 more strikeouts to reach 1,000 for the season, and if they can do this in the next 2 games they will be the quickest in major league history to reach 1,000 strikeouts...the 2013 Tigers reached 1,000 K's in their 114th game...Rays pitchers lead the majors with 982 SO, while the offense has only 769 SO (5th fewest in the majors)—the largest gap in baseball...Rays pitchers are on pace for 1,433 SO, which would break the ML record held by the 2013 Tigers (1,428)...club record is 1,383 in 2012, which ranks 5th in ML history.

JAKE AND BOX—During the Rays 30-15 run, LH **Jake McGee** and RH **Brad Boxberger** have pitched a combined 42.2 innings, have held opponents to a .156 average, pitched to a 1.47 ERA, walked 9 and struck out 69 of the 158 batters they have faced.

+ **THE NEW ACE**—26-year-old entered the season as the No. 2 starter behind **David Price**, after opening the 2013 season in the No. 5 slot...following the trade of Price to Detroit, he said: "The feel in the clubhouse has been passed down to us. It's been established many years ago. + **WORM BURNER**—Owns a career groundball-to-flyball ratio of 2.40...this is 2nd highest among active pitchers with 50 career starts (see chart)...his 2.64 mark last year would have led the majors if he had enough innings to qualify.
