RAY MATTER—The Rays have dropped the first 2 games of this series to begin this 11-game, three-city road trip...Rays were shut out 3-0 last night, their 2nd 3-0 loss to the A's this season and the 14th time they have been blanked overall, tied with Seattle for most in the AL...in only 2 seasons (1998-17 and 2011-15) have they been shut out more times in a season...Rays committed 3 errors, only their 3rd multi-error game in their last 66 games...Rays have dropped 3 straight games and 5 of their last 6 after going 11-1 in their previous 12 games...Rays 3-game slide is their longest since June 7-10 (4)...Rays are 12-6 since July 12, best record in the majors since then...they are also 30-17 since June 11, tied with the A's for the majors' 3rd-best mark since then...the latter stretch came on the heels of a 1-14 skid that dropped them to a season-high 18 games below .500 (24-42)...during the 12-6 surge, the Rays pitching staff has compiled a major-league-best 2.34 ERA (161.2-IP, 132-H, 42-ER, 53-BB, 174-SO) and held opponents to a .223 batting average...during the 30-16 run, the Rays have pitched to a 3.02 ERA (422.2-IP, 142-ER).

or the division race on this date...that includes the 2011 Rays, who were 10.0 GB out of the AL Wild Card, and the 2012 A's, who won the AL West after they were 5.5 GB.

CHASING HISTORY—On July 29, the Rays were 53-54 and were within one game of becoming the 4th team in major league history to fall to 18 games below .500 (24-42 on June 10) and return to .500 (see chart below).

1991 Milwaukee Brewers	17 (43-60 on Aug 3)	77-77	83-79

SEEING DOUBLE—Evan Longoria grounded into a double play in the 3rd inning last night with runners on first and second...it was the 10th time this season he's done that with runners in scoring position, tied with teammate **James Loney** and **MIA Casey McGehee** for most in the majors...for comparison's sake, the Nationals have 17 as a team, the Mariners 18 and the Phillies 20.

CALIFORNIA HERE WE GO—The Rays are 3-13 in California since sweeping a 4-game series in Anaheim over the Angels in 2013.

RAYS vs. EX-RAY—Oakland's current 25-man roster has six players who have played for the Rays and a seventh (**Jesse Chavez**) who was in the Rays organization (Nov 3-Dec 11, 2009; acquired from Pittsburgh for **Akinori Iwamura** before he was traded to Atlanta for **Rafael Soriano**)...the others: pitchers **Scott Kazmir** and **Jason Hammel**, catchers **John Jaso** and **Stephen Vogt** and outfielders **Sam Fuld** and **Jonny Gomes**...in fact, he A's have more players from the Rays 2008 AL Championship team (4, Gomes, Kazmir, Jaso and Hammel) than the Rays (3, **Evan Longoria**, **Ben Zobrist** and **Grant Balfour**).

UP NEXT, AT CUBS—The Rays and Cubs begin a 3-game series at Wrigley Field on Friday...they will meet for the third time, first since 2008 when the Rays swept a 3-game series at Tropicana Field, June 17-19...Rays lead the all-time series, 4 games to 2...their only previous visit came June 3-5, 2003, when they dropped 2 of 3 games...on June 3, the Rays lost 3-2 when the Cubs scored the winning run on a wild pitch by **Al Levine** in the 9th...Cubs slugger **Sammy Sosa** was ejected in the 1st inning when cork was discovered in his shattered bat after he grounded out against **Jeremi Gonzalez**...Wrigley Field is one of two parks in which the Rays have never hit a home run...Dodger Stadium is the other.

WRIGLEY FIELD DEBUT—Of the Rays current 25-man roster, 21 of them will be playing their first game at Wrigley Field...all but **James Loney**, **Yunel Escobar** and former Cubs **Jose Molina** and **Jeff Beliveau**...Loney has the only home run at Wrigley—he did it for the Dodgers on Sep 6, 2007 off **Jason Marquis**.

INTERLEAGUE PLAY—The series at Wrigley closes out interleague play for the Rays, who are 8-9...Rays have not had a losing season vs. the NL since 2010 (7-11)...Rays 3.24 ERA in interleague play is 7th in the majors and their .219 opponents' average is 1st...however, the Rays are averaging 3.06 runs scored per game (27th in the majors) and are batting .239 (24th)...**Ben Zobrist** has hit 5 of the Rays 11 interleague home runs...Rays are 73-54 vs. NL since 2008, 5th best in the majors over that span...they are 4-3 this season in NL parks and 20-13 since May 22, 2011.

THE LONEY BIN—1B **James Loney** has reached base (via hit, walk or HBP) in 24 consecutive games, the 2nd-longest streak of his career...went 30 games in June-July 2007 with the Dodgers...it is the 3rd-longest current streak in the majors behind WAS **Denard Span** (31 games) and CLE **Carlos Santana** (25).

OFFENSE 2ND TO TIGERS—Since June 28 the Rays are 21-10 while the offense has put up the following numbers:

.276 AVG	2nd in majors to Detroit (.277)
.354 OBP	1st in majors, 23 points higher than any other team
.413 SLG	3rd in majors to Detroit (.424) and Chicago-AL (.418)

SERIES SUMMARY—Rays have gone 1-for-15 with runners in scoring position and have managed only one hit after the 5th inning in the 2 games combined (1-for-29 including 1-for-22 vs. the A's bullpen)...Rays entered this series with only one error in their previous 11 games...they have made 4 here, already their most in a series since May 12-14 at SEA...Rays have allowed only 6 runs in the series despite the fact that the A's have had 8 at-bats with the bases loaded (and scored only one run).

RAYS vs. A'S—A's lead the season series, 4-1...only 23 runs total have been scored in the 5 games...Rays have scored only 9 runs...Rays have also dropped 7 of the last 8 games between these two and have scored only 14 runs in the 8 games...Rays all-time record of 56-93 (.375) is their worst vs. an AL opponent...Rays are 31-34 since 2007, they had been 25-59...Rays are 21-52 (.288) all-time here, their worst record in an enemy AL port...Rays have won only one series in their last 7 trips (1-5-1) here.

RAYS QUICKEST TO 1,000 IN MAJOR LEAGUE HISTORY—Last night, when **Kirby Yates** struck out **Nate Freiman** in the 7th inning, it was the Rays 1,000 strikeout of the season...it came in the Rays 113th game, making them the fastest in major league history to reach 1,000 Ks...the Rays unseat the 2013 Tigers who did it in their 114th game...Rays 1,000 strikeouts are 220 more than Rays hitters have (5th fewest in the majors)—the largest gap in baseball...Rays pitchers are on pace for 1,433 SO, which would break the major league record held by the 2013 Tigers (1,428)...club record is 1,383 in 2012, which ranks 5th in major league history.

NOT AN EASY STRETCH—Since June 25, the Rays are 23-11 and all but 6 of those games have been against teams with winning records...this series will complete a stretch in which they will have played 29 of 35 games against teams over .500—and 13 of those games so far have been against division leaders (8-5)...following this series, the Rays have 7 straight games against teams currently below .500—then play 28 of their next 32 against teams currently over .500.

ONE ROAD STREAK ENDS, ANOTHER BEGINS—The Rays brought an 8-game road winning streak on this road trip, but have lost the first two games here...Rays are 15-4 on the road since June 15...during that run, the Rays have outscored the opposition 88-57 and pitched to a 2.77 ERA (171.2-IP, 53-ER)...Rays starters are 14-2 in those last 19 road games.

+ Rays have the majors' best road record since 2010 (203-176, .536).

WHERE THEY STAND—The Rays are 5.5 games out of the second Wild Card position...the Wild Card gap grew as large as 11.5 GB, most recently through June 24.

+ During the Wild Card era there have been six teams that advanced to the postseason after being 5.5-plus games out of either the Wild Card
