RAY MATTER—The Rays 13-inning, 1-0 loss here last night snapped Tampa Bay's 3-game win streak...the Rays were held to 7 singles making last night's game the Rays longest game (by innings) they have ever played without getting an extra base hit...only one Rays base runner made it as far as third base...the Rays are 3-2 on this 9-game road trip (2-1 at Colorado and 1-1 here)...the Rays have won 4 of their last 6 games (2.72-ERA; 56.1-IP, 17-ER) following their worst-ever 3-24 stretch that sent them from 31-32 (5.5 GB) on June 16 to 34-56 (19.5 GB) on July 16.

EXTRA! EXTRA!—Last night was the 9th extra inning, 1-0 game in Rays history and the Rays have lost 8 of them...it matched the Rays 2nd longest scoreless game in club history...the Rays and Boston were scoreless thru 15 innings on July 17, 2011 before the Red Sox won 1-0 in 16...and on Sep 13, 2015 the same two teams were scoreless thru 12 before the Sox won 2-0 in 13...the Rays are 2-2 in extra innings this season, but 4-15 over the past two seasons...going back to July 3, 2015 the Rays have now lost 9 of their last 10 extra inning road games.

IT WASN'T ALL BAD—Last night's game was played in 3 hours and 31 minutes...it was the majors' shortest game of 13 or more innings since May 18, 2015 when Arizona won at Miami in 13 innings...that game took only 3 hours, 11 minutes...last night's game was the shortest American League game of 13 or more innings since Aug 9, 2003 when the Indians defeated the Angels in 13 innings in 3 hours and 30 minutes.

SCORELESS AND WALKLESS—Last night, Rays starter **Jake Odorizzi** and A's starter **Sean Manaea** both pitched 8 shutout innings without a walk...the last time opposing starters had final lines of 8-plus innings, no runs and no walks was Sep 17, 2002 and it happened here: OAK **Mark Mulder** (9-IP) vs. LAA **Jarrod Washburn** (8-IP) faced off and the Angels won in 10 innings...according to Baseball Reference, during the expansion era (since 1961) there have been only 6 such games...the others:

Date	Teams	Pitchers	IP	Winning Team
July 13, 2001	KC @PIT	Chad Durbin Todd Ritchie	8.0 9.0	PIT, 1-0
July 6, 1995	LAD @ATL	Tom Candiotti Greg Maddux	8.0 8.0	ATL, 1-0
Sep 24, 1992	NYM @STL	Bret Saberhagen Bob Tewksbury	8.0 8.0	STL, 4-3 (14)
April 10, 1980	NYN @TEX	Ron Guidry Jon Matlack	9.0 9.0	TEX, 1-0 (12)

QUALITY IS JOB 1 IN SECOND HALF—The Rays have had quality starts in each of their last 4 games, matching their longest such streak in 2016...over those 4 games, Rays starters are 3-0 with a 1.67 ERA (27-IP, 14-H, 5-ER) and have held the opposition to a .152 (14-for-92) batting average.

SINCE THE ALL-STAR BREAK—The Rays are 4-4 since the All-Star break...despite last night's goose egg, the Rays 41 runs are tied for the most in the majors and their 27 extra base hits are 4th...the Rays ranked 26th in runs scored in the first half...**Evan Longoria's** 7 XBH lead the majors...**Tim Beckham's** .529 (9-for-17) avg. is 2nd in the majors behind HOU **Jose Altuve's** .571 (16-for-26) mark...Rays starting pitchers have had 6 quality starts...they had only 5 quality starts in the final 21 games of the first half...the Rays have pitched to a 2.78 ERA (74.1-IP, 23-ER).

RAYS vs. A's—Last night was the 14th extra inning game between these two teams...A's are 8-6 and have won the last 3 extra inning games here...A's lead the season series 3 games to 2...the Rays are 7-6 since Aug 6, 2014...they took 2 of 3 games from the A's here last season and have won 3 of their last 5 here...the Rays have made a total of 24 trips here, and last year's series win was only their fifth series win...they are 17-19 at Oakland since becoming the Rays in 2008, but were 8-35 in their first 10 seasons.

GRIFFEY, PIAZZA, MAKE 13—Tomorrow in Cooperstown, **Ken Griffey Jr.** and **Mike Piazza** will be inducted into the Hall of Fame and thus become the 12th and 13th Hall of Famers to have played against the Rays...join **Cal Ripken Jr.**, **Randy Johnson**, **Greg Maddux**, **John Smoltz**, **Frank Thomas**, **Paul Molitor**, **Pedro Martinez**, **Roberto Alomar**, **Tom Glavine**, **Craig Biggio** and **Rickey Henderson**...the list doesn't include the only Hall of Famer to play for the Rays—**Wade Boggs**...he never played against them.

WEB GEMS—In the past 11 games, the Rays have made only five errors and none of them have been made by an infielder...outfielders **Steven Souza**

Jr., **Brandon Guyer**, **Kevin Kiermaier** and **Corey Dickerson** and catcher **Luke Maile** have made the errors...Rays catchers have caught 6 of the last 16 (37.5 pct.) would-be stealers compared to 12 of 61 (19.6 pct.) prior.

0-0-DORIZZI—Last night, **Jake Odorizzi** (8-IP, R-0) took his 12th no decision of the season, tops in the majors...according to Baseball-Reference, since 1913 only two pitchers have had more no decisions through the first 100 games of a season: **Steve Trout** (13) with the Cubs in 1986 and **Jose Quintana** (13) with the White Sox in 2013...it was also the fifth time in his career Odorizzi has had a no decision in a scoreless start...in Rays history only **Chris Archer** (6) and **Scott Kazmir** (6) have had as many.

+ Odorizzi has made 14 scoreless starts since the start of the 2014 season...the only AL pitchers with more over that span are TB **Chris Archer** (16) and MIN **Kyle Gibson** (15).

SNELL HOPING TO JOIN ARROJO—Tomorrow, LH **Blake Snell** will attempt to become the Rays first rookie starter to win at Oakland since 1998 when **Rolando Arrojo** (the first rookie to start a game for the franchise) beat the A's twice here: 7-2 on May 26 and 5-2 on Sep 4.

EVAN ALMIGHTY—**Evan Longoria** reached 50 extra-base hits on Wednesday, one of only 5 in the AL to reach that plateau so far...only one other player in Rays history has had 50 extra-base hits after 96 games: **Aubrey Huff** (51 in 2003)...Longo is on pace for 178 hits, 84 extra base hits, 37 home runs and 93 RBI...only 4 third basemen have ever reached those levels in one season: **Alex Rodriguez** (2007), **Chipper Jones** (2009), **Miguel Cabrera** (2012) and **Josh Donaldson** (2015).

COLOME CLOSING IN ON ANOTHER CLUB RECORD—Thursday, Rays All-Star RH **Alex Colome** converted his 21st consecutive save, extending his club record to start the season...it was one of only two save opportunities he's had in the past 37 days (including a DL stint)...it is the Rays longest streak without a blown save (at any point of the season) since RH **Fernando Rodney** converted a club-record 22 straight from May 27–Aug 13, 2012...only 2 pitchers in the majors have recorded as many saves without a blown save: NYM **Jeury Familia** (34) and BAL **Zach Britton** (31).

NEWS OF THE INFIRMED—2015 American League save leader RH **Brad Boxberger** (left oblique injury) is scheduled to make his third rehab appearance tonight for Class-A Charlotte vs. Brevard County (Brewers)...he last pitched Thursday and worked one inning for Charlotte (2-SO, 11 pitches)...RH **Chase Whitley** (Tommy John surgery) will make his second rehab appearance on Sunday for Charlotte vs. Brevard County...he is scheduled for 2 innings...RH **Alex Cobb** (Tommy John surgery) is scheduled to throw a 2-inning simulated game today at Charlotte Sports Park...OF **Desmond Jennings** (left hamstring strain) is scheduled to take part in that game...OF **Mikie Mahtook** (left hand fracture) will begin hitting off a tee tomorrow.

MILLER ON COURSE FOR CLUB RECORDS—With a career-high 15 HR, SS **Brad Miller** needs one more to shatter the Rays team record for most homers by a shortstop, a mark held by **Asdrubal Cabrera** in 2015 and **Julio Lugo** in 2003...according to Baseball Reference, since 1901 only five left-handed hitting shortstops have hit more than 15 HR in a season including LAD **Corey Seager** (17 this season)...the others: DET **Dick McAuliffe** (24 in 1964 and 23 in 1966), SF **Brandon Crawford** (21 in 2015), ARI **Stephen Drew** (21 in 2008) and Hall of Famer PIT **Arky Vaughan** (19 in 1935).

THE COMPETITION—Prior to this road trip, the Rays had played 26 of 30 games against teams over .500...they went 5-21 in those games...this series continues a stretch of 7 games vs. sub-.500 opponents (3-2 so far)...the Rays are 15-10 this season vs. teams currently under .500, compared to 23-48 (.328) vs. teams currently at .500 or better...their 71 games vs. teams .500 or better are the most in the majors.

THIS DATE IN RAYS HISTORY—**July 23, 2002**...In the first half of a day-night doubleheader with Boston, the Rays lose 22-4, allowing 3 HR to **No-nar Garciparra**, who becomes the first player to hit three on his birthday...the Rays trail 4-0 in the 9th inning of the second game, but an **Andy Sheets** 2-run double and a 3-run homer from **Jared Sandberg** (now the manager of Triple-A Durham) put the Rays ahead 5-4...they split the doubleheader despite allowing 26 straight runs to Boston before that 9th inning.

+ **July 23, 2009**...LH **Mark Buehrle** threw the 18th perfect game in major league history, beating the Rays 5-0 at U.S. Cellular Field.
