OAKLAND-ALAMEDA COUNTY COLISEUM

The Oakland-Alameda County Coliseum plays host to concerts, conventions and other large gatherings in addition to serving as the home for the Oakland Athletics and Oakland Raiders.

The A's have used the facility to its advantage over the years, posting the second best home record (492-318, .607) in the Major Leagues over the last 10 seasons. In 2003, the A's set an Oakland record for home wins as they finished with a 57-24 (.704) record in the Coliseum, marking the most home wins in franchise history since 1931 when the Philadelphia Athletics went 60-15 at home. In addition, two of the A's World Championships have been clinched on the Coliseum's turf. The Coliseum's exceptional sight lines, fine weather and sizable staging areas have all contributed to its popularity among performers, promoters and the Bay Area public.

The facility is conveniently located adjacent to I-880 with two exits (Hegenberger Road/66th Avenue) leading directly to the complex. Along with the Oracle Arena, which is located adjacently, it is the only major entertainment facility with a dedicated stop on the Bay Area Rapid Transit (BART) system. The Oakland International Airport is less than a two-mile drive from the Coliseum with shuttle service to several local hotels and restaurants.

In October of 1995, the Coliseum began a one-year, \$120 renovation project that added 22,000 new seats, 90 luxury suites, two private clubs and two state-of-the-art scoreboards.

The first crowd filled the Oakland-Alameda County Coliseum on Sept. 8, 1966, when the AFL's Oakland Raiders played the Kansas City Chiefs. The adjacent arena celebrated its grand opening on Nov. 9, 1966, when the Oakland Seals met the San Diego Gulls in hockey. In the ensuing 42 years, the facility has hosted every conceivable event in the entertainment industry. Audiences numbering nearly 100 million have made the Coliseum and Arena the premier entertainment facilities in Northern California.

The Coliseum is currently one of only three stadiums in the country that houses both a MLB and NFL team, the others being the Hubert H. Humphrey Metrodome in Minneapolis, Minn. (Twins and Vikings) and the Dolphin Stadium in Miami, Fla. (Marlins and Dolphins).

The Associated Press' Radio and Television Association voted his 1986 broadcast of the San Jose State-Fresno State football game the best radio broadcast of the year for California and Nevada.

Korach began his baseball broadcasting career with the Redwood Pioneers of the California League, providing radio description in both 1981 and 1984. In 1985, he was hired by KCBS Radio as a part-time anchor and voice of San Jose State football. He also was a member of the Triple-A Phoenix Firebirds broadcast crew from 1986-87.

Korach personally donated \$7,500 of the total, while the A's matched his donation and local businesses and individuals provided the remaining contribution.

OAKLAND A'S IN THE COMMUNITY

Community FUND

The Oakland Athletics organization, in conjunction with the A's Community Fund, strives to make a positive impact in the Bay Area and Northern California. A's players, coaches, and front office employees, together with fans and sponsors, are committed to meeting the social, cultural and educational demands in the community. The A's host numerous fundraising events, have implemented several educational programs, support various causes and organizations and connect with many different people.

Information regarding Oakland Athletics community programs can be found online at oaklandathletics.com. Requests for donations and player appearances must be submitted in writing and addressed to the following: Oakland Athletics, Community Relations, 7000 Coliseum Way, Oakland, CA 94621.

OAKLAND A'S COMMUNITY FUND: The Oakland A's Community Fund supports more than 1,500 charitable organizations through monetary contributions and donated auction items each season in their efforts to support charitable organizations in improving the quality of life for people throughout the Bay Area. Specifically, to fund endeavors to improve educational programs, aid the underprivileged, assist in crime and drug prevention, promote health awareness, and champion children and senior welfare. The A's Community Fund believes in the need to invest in the community's future. The A's Community Fund donates approximately \$650,000 annually to various community programs.

A'S BREAST CANCER AWARENESS DAY:

The A's host a Breast Cancer Awareness Day, presented by Olay Skin Care, each year to raise funds for breast cancer

education and research. Funds are raised through the sale of special ticket packages, commemorative pins and caps, an A's autographed quilt raffle and sponsor support. Pre-game ceremonies include the formation of a symbolic human pink ribbon on the field by over 300 Bay Area survivors, the release of white doves as a symbol of hope and a presentation of the "Gift of Faith" grant, which donates \$5,000 annually to a local charity in memory of longtime KTVU Channel 2 reporter, the late Faith Fancher. Over the past 10 years, the A's have raised over \$1,000,000 for breast cancer education and research on A's Breast Cancer Awareness Day.

MUG ROOT BEER FLOAT DAY:

Each year the A's and Pepsi host MUG Root Beer Float Day to raise funds for the Juvenile Diabetes Research Foundation. Proceeds are raised through the sale of root beer floats, tips given in exchange for autographs and pictures with the celebrity scoopers, the sale of autographed mugs, a silent auction of sports memorabilia and an on-line auction titled "Be a Celebrity Scooper." Over the past nine years, the A's have raised over \$265,000 for various charities through MUG Root Beer Float Day.

HOME RUN READERS

PROGRAM: The A's Home Run Readers program encourages teachers to establish reading goals for their students based on each child's individual reading level. As incentives, A's players, coaches, mascot Stomper and front office employees visit participating schools to congratulate the students and to encourage them to continue reading, both inside and outside of the classroom. Students who participate in the program attend the game on Home Run Readers Day as guests of the A's and the California Police Youth Charities.

“MATHLETICS” PROGRAM: The “Mathletics” program is a unique program designed to promote the importance of math among Bay Area youth. The A's design and distribute workbooks to participating schools which utilize simple formulas for calculating statistics of A's players. Students who complete their workbooks correctly and submit the answer sheet to the A's, receive two vouchers for an A's game. In addition, one school that demonstrates outstanding participation in the program receives a visit from an A's player. The “Mathletics” program is sponsored by Ross Dress For Less.

GREEN STAMPEDE HOMEWORK CLUB: Before select A's home games, teachers and volunteers from local public schools offer tutoring for at-risk students at the Oakland-Alameda County Coliseum. Students who attend the study group are rewarded with tickets to that night's game and if they attend all eight sessions they receive a visit from an A's player.

A'S BASEBALL BASICS: The A's Baseball Basics program allows aspiring young ball players to receive inside tips from an A's player during a pre-game chat. In addition, each child receives a game ticket and an A's hat.

TAKE THE FIELD WITH THE

A'S: Prior to select games, members of local baseball and softball teams accompany A's players as they take the field, stand with them during the National Anthem and receive an autographed baseball.

LITTLE LEAGUE DAYS:

Members of organized youth baseball programs are offered discounted group ticket prices to attend one of the two designated Little League Days with the A's, presented by Bank of America. Little Leaguers (age 14 and under) attend a pre-game festival, are greeted by A's players

as they parade around the field and receive the A's kid's giveaway item for that date.

FIELD RENOVATIONS: The A's Community Fund, in partnership with the Good Tidings Foundation, renovates a local baseball or softball field in order to provide local youth a state-of-the-art facility. Over the past few years, the A's and Good Tidings Foundation renovated the baseball and softball fields at Washington High School in Fremont, Rickey Henderson Baseball Field located at the Arroyo Viejo Recreation Center in East Oakland and Bambino Field at the Greenman Field Baseball Complex.

A'S AMIGOS: The A's Amigos program gives Hispanic children the opportunity to speak with a Spanish speaking A's player about the importance of education, sportsmanship and hard work. In addition to a pre-game visit, each child receives a game ticket and an A's cap. The A's Amigos program is sponsored by Kelly-Moore Paints.

LITTLE A'S: Each year, over 10,000 children from low to moderate-income families are treated to A's games and receive an A's pin and a pennant as part of the Little A's program, sponsored by Union Bank of California and supported by Clorox.

HOLIDAY PARTY: Each year the A's Community Fund, Round Table Pizza and the Oakland Zoo hosts a holiday party for local school children. A's players and coaches are present to sign autographs and distribute gifts to each child. The holiday festival includes pizza and juice, carnival games, face painters, balloon artists, a tour of the Children's Zoo and appearances from the A's mascot Stomper and Santa Claus.

HOLIDAY CARAVAN: During the offseason, current and former A's players, A's owner Lew Wolff, front office staff and the A's mascot Stomper make stops around the Bay Area during the A's Holiday Caravan. The caravan features visits to schools, hospitals, shelters, schools, meet-and-greets, charity toy drives and appearances at holiday parades and malls and other public places.

TICKET PURCHASE PROGRAM: Oakland A's players, the A's Community Fund and corporate sponsors purchase and donate thousands of tickets to various charity and non-profit groups each season.

SILENT AUCTION: The A's Community Fund holds silent auctions of various sports memorabilia behind section 120 on all Saturday and Sunday home dates. The A's Community Fund donates a portion of the proceeds to designated charity groups as a silent auction partner on selected dates throughout the season.

A'S COMMUNITY FUND GOLF CLASSIC: This annual tournament pairs participants with A's players, former players, coaches and front office employees for a day of golf at one of the Bay Area's top courses. The event features breakfast, tee prizes, an awards dinner banquet and live and silent auctions of sports memorabilia and other prizes. All proceeds benefit the Oakland A's Community Fund.
