### **Oakland A's Announce 2017 Television Schedule**

**OAKLAND, Calif.** – The Oakland Athletics announced today that all 162 regular season games will be televised in 2017, including 147 on CSN California. The remaining 15 games will be available in the A's TV territory on MLB Network.

A's games on CSN California will feature Glen Kuiper calling the play-by-play action and Ray Fosse as color analyst for the majority of CSN California telecasts. Former A's pitcher Mark Mulder will serve as analyst for 35 broadcasts. Joining the team is in-game reporter Angela Sun during home games. CSN California will air an expanded hour "A's Pregame Live" show before telecasts and "A's Postgame Live" after each game, anchored by veteran sportscaster Brodie Brazil. CSN California's regular season coverage begins with the A's season home opener against the Los Angeles Angels on Monday, April 3 at 7 p.m.

During the 2017 MLB season, CSN California will begin live in-market streaming of A's games – along with game-day shows A's Pregame Live and A's Postgame Live – on CSNCalifornia.com and via the NBC Sports app. The live-streaming service will be available at no additional cost to authenticated CSN California subscribers. The service is provided as an added value and is available to all video distributors of CSN California. The NBC Sports app is powered by Playmaker Media and available on the iTunes App Store, Google Play, Windows Store, Roku Channel Store, Apple TV and Amazon Fire.
