A's Place RHP Graveman on the DL; Recall C Maxwell from Nashville

OAKLAND, Calif. – The Oakland A's placed right-handed pitcher Kendall Graveman on the 10-day disabled list retroactive to Saturday with a strained right shoulder, the club announced today. To take his spot on the roster, the A's recalled catcher Bruce Maxwell from Triple-A Nashville.

Graveman was 2-0 with a 2.00 ERA in three starts. He won each of his first two starts but left his last start on Friday after just five innings and 74 pitches. This is his second career stint on the DL as he also missed the final month of the 2015 season with an oblique injury.

Maxwell was batting .208 with one RBI in seven games with the Sounds, all at catcher. He hit .282 with two home runs and seven RBI in 20 games with the A's this spring before he was optioned to Nashville March 26. The 26-year-old left-handed hitter made his Major League debut with Oakland last year and batted .283 with a home run and 14 RBI in 33 games.
