A's Reinstate RHP Graveman from the DL; Option 1B/OF Olson to Nashville

OAKLAND, Calif. – The Oakland A's reinstated right-handed pitcher Kendall Graveman from the 10-day disabled list and optioned first baseman/outfielder Matt Olson to Triple-A Nashville, the club announced today.

Graveman was 2-0 with a 2.00 ERA in three starts when he was placed on the disabled list April 17 retroactive to April 15 with a strained right shoulder. He won each of his first two starts but left his last start on April 14 against Houston after just five innings and 74 pitches. The DL stint was the second of his career as he also missed the final month of the 2015 season with an oblique injury.

Olson was batting .216 with two home runs and four RBI in 14 games with Nashville when he was recalled by Oakland last Friday. He played in one game for the A's and went 0-for-3 in a start in right field last Sunday against Seattle.
