Oakland A's Teaming Up for Parker Elementary Beautification Project

WHAT: With school back in session, staff members from the Oakland Athletics and PG&E are teaming up with HandsOn Bay Area to complete beautification projects at Parker Elementary School as part of the A's Safe at Home program, presented by PG&E. The volunteers will brighten up the school's recess area by painting murals around the track. The group will also create a safer environment for students by taking inventory on disaster preparedness and emergency kits.

Parker Elementary is one of the A's two adopted schools for the 2018-2019 school year. Through the Oakland Ed Fund's Adopt-A-School program, the A's will take an active role in read-in activities and volunteer opportunities at Parker Elementary throughout the school year.

WHERE: Parker Elementary
7929 Ney Ave., Oakland 94605
