## A's Now Accepting Postseason Credential Applications

All apps must be submitted online at [credentials.mlb.com](http://credentials.mlb.com)

OAKLAND, Calif. – The Oakland A's and Major League Baseball are now accepting credential applications for all potential postseason games at the Oakland Coliseum. The deadline to apply for Wild Card and Division Series credentials is Wednesday, Sept. 26.

To apply for any potential Wild Card and Division Series games at the Oakland Coliseum, have your credential manager log in to your affiliate's account at <https://credentials.mlb.com>, click on "Apply to Event" and select the Oakland A's logo. The application process is the same as the regular season, but with the addition of 'Grids'. At this step, your affiliate's credential manager must check the boxes corresponding to the team they wish to cover. If you'd like to cover the Athletics no matter their opponent, simply check every 'Oakland Athletics' box. Those wishing to cover the Athletics on the road for the Wild Card game and/or Division Series must apply through the opposing teams.

The application for the League Championship and World Series is also available at <https://credentials.mlb.com> under the MLB logo. The deadline to apply for the LCS and World Series is Oct. 4.

Be sure to apply now for all potential postseason games you wish to cover. If you are approved, you will receive pickup information closer to the day of the events.

If you have trouble applying, contact Mark Ling at [miling@athletics.com](mailto:miling@athletics.com).
