OAKLAND, Calif. – A's Cast, the Oakland A's 24/7 audio streaming station on TuneIn, is now the official home of A's audio content, including all 2020 game broadcasts, podcasts, and daily sports shows. Every Spring Training and regular season game in 2020 can be heard exclusively on A's Cast throughout the Bay Area for free on TuneIn, the leading live global streaming and on-demand audio service. Ray Fosse will also make special appearances in the booth throughout the season. The A's daily live sports talk show, **A's Cast Live**, hosted by Chris Townsend, will air before or after every weekday A's game, including live shows from the field.
