## **A's FlexTix Now On Sale for 2021 Regular Season Games**

*Fans can enjoy the flexibility of choosing future games by purchasing ticket vouchers today*

**OAKLAND, Calif.**—Oakland A's fans can now grab tickets to 2021 regular season games at the Oakland Coliseum with A's FlexTix, flexible ticket vouchers that can be redeemed for any available game this season. FlexTix buyers will have the first priority to redeem tickets starting in mid-March before traditional single-game tickets go on sale.

A's FlexTix are available in four, eight, 16, and 32 vouchers in three seating levels: Field Level, Plaza Level, and Bleachers. FlexTix can be redeemed in seating "pods" of two or four tickets only, which follows social distancing guidelines as required by state and local health officials.

Given the current health and safety restrictions for events due to the ongoing COVID-19 pandemic, the A's are planning for capacity restrictions for the entire 2021 season and defined "pod" seating for fans. For the 2021 regular season, if games are canceled or played with additional restrictions that prevent fans from using their vouchers or tickets due to COVID-19, the A's will provide a credit for future ticket purchases or a full refund.

Fans can lock in the best ticket prices of the season with A's FlexTix, saving up to 30 percent over single-game ticket prices. Traditional single-game tickets will go on sale soon. For more information, and to purchase A's FlexTix, visit [athletics.com/flexitix](http://athletics.com/flexitix).
