Frontline and Essential Workers can Receive A's Tickets Through A's Community Ticket Program

OAKLAND, Calif. – The Oakland A's are inviting frontline and essential workers of the COVID-19 pandemic to apply for complimentary 2021 game tickets through the **A's Community Ticket Program**. Individuals, including healthcare personnel, first responders, educators and educational staff, public transit workers, corrections officers, grocery store workers, food service and delivery workers, food and agriculture workers, and those who work in construction and manufacturing, can apply for tickets using the online application at athletics.com/communitycorner.

In partnership with the Commissioner's Community Initiative through Major League Baseball, the A's Community Ticket Program is designed to support the collective goal of providing tickets to public servants as well as local community and civic groups.

The A's provided more than 147,000 complimentary tickets to 700 organizations through the Community Ticket Program in 2019, and support thousands of organizations annually through various donation programs. To learn more about the A's work in the community, visit athletics.com/community.
