A's Place OF Piscotty on Paternity List; Recall INF Machín from Alternate Site

OAKLAND, Calif. – The Oakland A's placed outfielder Stephen Piscotty on the paternity list and recalled infielder Vimal Machín from their alternate site, the club announced today.

Piscotty is batting .250 with two home runs and four RBI in 11 games. He put the A's ahead with a lead-off home run in the third inning last night and has homered in back-to-back games.

Machín joins the A's for the first time this year after batting .286 with nine RBI in 23 games during the spring. He made his Major League debut with Oakland last year after being acquired from Philadelphia, who selected him from the Cubs in the Rule 5 draft. The 27-year-old left-handed hitter batted .206 with two doubles and no RBI in 24 games and added eight walks for a .296 on-base percentage.
