A's Fans Can Purchase Two-Seat Pod for 100 Dogecoin *Two-seat pods in Plaza Infield available for May 3-6 series versus Blue Jays*

OAKLAND, Calif. – The Oakland A's are once again offering fans the chance to purchase game tickets using cryptocurrency. Fans can purchase a two-seat pod in the Plaza Infield for 100 Dogecoin for the May 3-6 series versus the Toronto Blue Jays at athletics.com/tickets.

Earlier this year, the A's made full-season suites available for one Bitcoin, becoming the first MLB team to price a ticket offering in cryptocurrency.

Current state health guidelines limit general stadium seating to pods of two or four, and suites up to six guests.

For more information and to purchase tickets using Dogecoin, fans can visit athletics.com/tickets and complete the form to process a payment through bitpay.
