### ABOUT THE A's

**ABOUT THE A'S:** Extended their losing streak to a season high six games yesterday...last year, the A's finished the season with a five-game losing streak and that was the second longest season-ending losing streak in Oakland history (lost the final nine games of the 1995 season)...are 75-86 and will finish with a losing record for the third consecutive season...have not had a losing record in three straight seasons since 1993-98 when they had six straight...with a win today, the A's will match their record from 2007 but with a loss the A's will see their winning percentage decrease for the third consecutive season for just the third time in Oakland history (1972-74 and 2003-05)...will finish in last place in the AL West for the seventh time in Oakland history and the first time since 1998 (also 1977, 1979, 1993, 1995 and 1997)...have spent each of the last 154 days (since May 3) and 160 days this year in sole possession of last place in the West...the days in last are an all-time Athletics record for most days in sole possession of last place...the previous mark was 159 by the 1921 and 1946 Philadelphia A's.

**PITCHING:** The A's pitching staff has tied the Athletics franchise record for strikeouts in a season with 1117 (also 2001)...are tied for fifth in the American League in strikeouts...have compiled a 5.64 ERA (37 er in 59.0 ip) over the last seven games, but have a 4.25 ERA for the season, which is third lowest in the AL...have allowed the fewest home runs (155) and hit the fewest batters (35) in the AL.

**OFFENSE:** The A's are batting .204 (39 for 191) with 14 runs scored during the current six-game losing streak...are now hitting .262 for the season, which is the 10<sup>th</sup> highest single season batting average in Oakland history...rank fourth in the American League and the majors with 132 stolen bases...those are the most steals by an A's team since the 1992 club had 143...rank last in the AL with 135 home runs...no Oakland team has ever finished last in the AL in home runs...the last Athletics team to finish last was the 1967 Kansas City A's...over the last 20 years, the only A's team to hit fewer than 142 home runs in a non-strike season is last year's club, which finished with 125...have 525 walks and the last time the A's walked fewer than 537 times in a non-strike season was 1985 when they had 508...rank last in the AL in slugging percentage (.397), have the fourth fewest extra base hits (462) and fourth lowest on-base percentage (.328).

**SINCE THE ALL-STAR BREAK:** The A's are batting .280 (731 for 2615) since the All-Star Break, which is the fourth best batting average in the American League and fifth best in the majors...the Oakland record for batting average after the All-Star Break is .279 in 2006...have a Major League leading 78 stolen bases, which are the most post-break steals by an A's team since 1989 (90)...also lead the majors in doubles after the break (164), are tied for third in runs (395) and rank fifth in extra base hits (242)...the doubles match the Oakland record set in 2001.

**STARTING PITCHING:** A's starting pitchers have taken the loss in each of the last six games (26 er in 26.1 ip, 8.89 ERA), matching the longest such streak from last year (July 6-14)...the last time A's starting pitchers recorded the loss in more than six consecutive teams games over the course of one season was from May 10-18, 1979 when they did it in eight straight games...starters are now 51-64 with a 4.77 ERA for the season...have the second fewest innings pitched (886.0) in the American League, the fourth fewest wins and the fourth highest ERA...have two complete games, which is tied for the fewest in the AL and in Oakland history (also had two in 1997)...the innings pitched will be the second fewest in Oakland history in a non-strike season (858.2 ip in 1997)...the A's have started a rookie pitcher 115 times this year, which is an on-going Oakland record...the previous mark was 93 set by the 1983 club...have started a rookie pitcher in 89 of the last 114 games and have had at least four rookies in the rotation since Vin Mazzaro was recalled on June 2.

**DEFENSIVE DOINGS:** The A's have committed 19 errors in the last 14 games and have 104 for the season...that is tied for fourth most in the American League and the most by an A's team since 2003 (107)...had committed fewer than 100 errors in each of the previous five seasons.

**HOME AND AWAY:** The A's are 0-2 on this season-ending three-game homestand against Los Angeles...are 40-40 (.500) in Oakland and need a win today to finish with a winning record at home for the 10<sup>th</sup> time in the last 11 years (were 40-41 in 2007)...went 2-4 on the last road trip against Los Angeles (2-1) and Seattle (0-3) and finished with a 35-46 (.432) record on the road, marking the third consecutive season the A's finished the year with a losing record on the road.

**WINS AND LOSSES:** The A's went 31-43 (.419) over the first 74 games this year but are 44-43 (.506) since June 29...are 23-33 (.411) against the American League West teams...a win today would give the A's their worst mark in divisional play since 1999 (15-21, .417) but a loss would give the A's their third worst record ever against the AL West (.306 in 1997 and .321 in 1979)...are 15-23 (.395) in one-run games and will finish with the second worst record in one-run games in Oakland history...went 16-16 (.381) in 1980...are 3-10 (.231) in extra inning games and need an extra-inning win to avoid setting an Oakland record for lowest winning percentage in extra inning games...the current mark is .273 (3-8) in 1970.

**ROSTER NOTES:** The A's have used an Oakland record tying 26 pitchers this year (also 1997)...51 players have appeared in a game, matching last year for second most in Oakland history...the record of 54 was set in 2007...a total of 107 different players have appeared in at least one game for the A's over the last three years...have used the disabled list 17 times this year and 64 times since the start of the 2007 season...the 17 players have combined to miss 989 games, an average of 58.2 games per stint...the A's have five players who will be eligible for free agency following the season (Crosby, Duchscherer, Garciparra, Kennedy, Tomko)...a minimum of six players will be eligible for arbitration (Casilla, Cust, E. Gonzalez, Hairston, Munson, Wuertz)...Joey Devine (2 years, 171 days) and Rajai Davis (2 years, 167 days) are likely "Super 2"-arbitration eligible players...Kurt Suzuki is the next highest service time at 2 years, 113 days.

**IN SEPTEMBER:** The A's batted .297 in September, which was second best in the majors to the Yankees (.299)...it was also the second best single month batting average in Oakland history (.305 in August, 1995)...led the majors in runs (167), doubles (66) and stolen bases (28)...the doubles were the second best total in Oakland history (67 in September, 2004)...had a 17-10 (.630) record, which was second best in the AL and the first time the A's finished a month with a winning record since they went 16-10 in June of 2008...that snaps a streak of eight consecutive months without a winning record, which equaled the second longest streak in Oakland history.
