- ✦ The Royals went 0-for-10 with runners in scoring position—including 0-for-3 in the ninth—to mark their most hitless at-bats in scoring situations since Aug. 31, 2019 vs. Baltimore, when they went 0-for-11 in a 7-5 win...since going a season-best 8-for-15 in scoring situations on June 4 vs. the Twins, the Royals are batting .200 (9-for-45) in scoring situations, including 6-for-30 through the first five games of this trip.
- ✦ The walk-off loss spoiled a quality start by **Brady Singer**, who allowed three runs on five hits and one walk over 6.0 innings, with seven strikeouts...all of the damage came from three straight extra-base hits in the fourth, when Oakland went double, RBI double, two-run home run in a span of seven pitches to put the Royals in a 3-0 hole...Singer had retired nine of 10 prior to that and retired eight of nine after.
- ✦ The winning run charged to Barlow was the first run he allowed in a month, snapping a career-best 13.0-inning scoreless streak, to mark the first loss charged to a Royals reliever since May 26 at Tampa Bay, when **Tyler Zuber** allowed the automatic runner to score the winning (unearned) run in the 10th.
- ✦ The Royals are 9-10 in one-run games this season—one shy of Texas (7-11) for the most such losses among American League teams—and have lost 10 of their last 13 one-run decisions after starting the season 6-0.

**SALVY MAKING A SPLASH:** **Salvador Perez** recorded his ninth career multi-home run game last night, including the game-tying shot in the eighth inning...that's tied for the third-most multi-homer games in franchise history, trailing only **George Brett** (17) and **Mike Sweeney** (16)...three of those nine games have come this season, matching **Aaron Judge**, **Vladimir Guerrero Jr.**, **Fernando Tatis Jr.**, **Jesse Winker** and **Eric Haase** for the Major League lead, and he's just one shy of the Royals record for multi-homer games in a season, trailing **Jorge Soler** (2019), **Sweeney** (2005), **Jermaine Dye** (1999) and **Steve Balboni** (1985)...all three of Salvy's multi-homer efforts have come in the last 10 games since June 1, a stretch in which he's batting .333 (13-for-39) with six homers, matching Haase for the Major League lead...according to **Elias**, he's the second Royal with three multi-HR efforts in a 10-game span, joining **Hunter Dozier** in August 2019.

- ✦ With solo HR in the seventh and eighth last night, Salvy became the first Royal to hit multiple HR in the seventh inning or later of a game since **Mike Moustakas** hit a grand slam in the seventh and a three-run shot in the ninth en route to a single-game club record nine RBI in a 14-6 win on Sept. 12, 2015 at Baltimore.
- ✦ Perez leads the team with 16 homers—six more than anyone else—and is tied for third in the American League, trailing only **Guerrero Jr.** (19) and **Shohei Ohtani** (17)...he's on pace for 42 HR, which would mark the second-highest single-season HR total in franchise history, trailing only **Soler's** 48 HR in 2019.
- ✦ Salvy has 27 HR since the start of 2020, a stretch in which his 14.5 AB/HR ratio ranks fifth in the Majors (min. 375 AB), trailing **Tatis Jr.** (11.59), **José Ramírez** (13.97), **Adam Duvall** (14.3) and **Matt Olson** (14.45).

**JACKSON KOWAR** is making his second career start following his Major League debut in the first game of this road trip on Monday night in Anaheim vs. the Angels... he was selected by Kansas City with the 33rd pick in the 2018 First-Year Player Draft, which the Royals received as compensation for **Lorenzo Cain** signing with Milwaukee.

**DUBIOUS DEBUT:** Kowar suffered the loss in the Royals' 8-3 defeat on Monday in Anaheim, in which he was charged with four runs on three hits, two walks and three wild pitches while recording just two outs...he recorded the first out on two pitches before allowing the next four to reach on a walk, an RBI single by **Anthony Rendon**, a walk and an RBI single by **Max Stassi**...the next batter, **José Iglesias**, drove in a run on an RBI groundout before **Juan Lagares'** RBI single...he exited after 39 pitches in favor of **Ervin Santana**, who stranded the inherited runner and pitched 4.0 innings in relief.

- + Three of his 39 pitches were wild, making him the first Royal to record three wild pitches in one inning since the late **Yordano Ventura** on May 20, 2014 (5th inning).
- + Kowar was charged with four runs in 0.2 innings in his Majors debut, after holding opponents to three runs in his first six starts (31.2 IP) in the minors.
- + The loss was his first since Aug. 30, 2019 vs. Double-A Frisco, 647 days prior.

**TOP OF THE CLASS:** Kowar is the fifth player selected by the Royals in the 2018 Draft to make his Majors debut, joining **Brady Singer** (18th), **Daniel Lynch** (34th), **Kris Bubic** (40th) and **Kyle Isbel** (3rd round)...according to *Elias*, the 2021 Royals are the fourth team in the last 27 seasons—since 1995—to have four different homegrown *pitchers* from the same class start a game in the same season, joining the 2018 Cardinals, 1995 White Sox and 1995 Mets (see chart above).

- + Since the first year of the Draft in 1965, there have been 14 instances of a team selecting at least four pitchers in the first round...according to *ESPN Stats & Info*, the Royals are the first of those teams to have four first-round picks from the same draft class pitch for them in the Majors.

**LET THE KIDS PLAY!:** Kowar (24) is the second of three Royals starting pitchers this weekend who are 25 years or younger, following **Brady Singer** (24) last night and coming before tomorrow's starter **Kris Bubic** (23)...in addition to **Brad Keller** (25) and **Daniel Lynch** (24), the Royals have had five different pitchers 25 or younger make a start this year, which is tied for the third most in the Majors, trailing Miami (7) and Seattle (6)...including Kowar's start today, 36 of the Royals' 63 games this season have been started by a pitcher 25 or younger (57.1%), which trails only the Marlins, who have started a pitcher 25 or younger in 48 of 64 games entering today (76.2%)...since May 16—the day before **Danny Duffy** was placed on the 10-day Injured List—the Royals have started a pitcher 25 or younger in 17 of their last 23 games (73.9%), a stretch in which the club is 12-11 and those pitchers are 6-5.

**NO MINOR FEAT:** Jackson went 5-0 with a 0.85 ERA (3 ER in 31.2 IP) and a .165 opponents' average (18-for-109) in six starts at Triple-A Omaha to begin this season, including a win in each of his first five starts...he didn't allow a run over his last 15.0 innings, a stretch in which he allowed just five hits and four walks with 17 strikeouts...his 0.85 ERA led all Triple-A pitchers at the time of his promotion to the Majors, and ranked third among all minor league pitchers, and his five wins were tied with four others for the minor league lead...he struck out 41 batters in 31.2 innings (11.7 K/9) and has not allowed a HR.

**SPRING FLING:** Kowar made six appearances (3 starts) with the Royals in Spring Training, going 2-2 with a 10.80 ERA (14 ER in 11.2 IP)...of the 14 runs he allowed, 11 of them came in two appearances, and he pitched to a 3.00 ERA (3 ER in 9.0 IP) in his other four outings, including 2.0 scoreless innings in his spring debut on March 1 at Cleveland and 3.0 scoreless innings on March 21 vs. the Rockies, and earned the win in both appearances.

**TOMORROW'S STARTER: LHP KRIS BUBIC (1-1, 3.32)**

- + Kris will make his sixth start (10th appearance) of 2021 and the 16th start (20th appearance) of his career tomorrow at Oakland, his first against them.
- + Bubic allowed a career-high four home runs in his last start on Tuesday at the Angels, earning his first loss of the season, in which he was charged with six runs on six hits and four walks over 4.0 innings, with four strikeouts...he allowed a two-run homer to **Shohei Ohtani** in his 42-pitch first inning, but followed that with an eight-pitch second, retiring the Angels in order...he allowed four hits over the third and fourth innings, including a double and a two-run home run by **Max Stassi** in the third, and solo home runs by **José Iglesias** and **Justin Upton** in the fourth...he has allowed six home runs over his last three starts after not allowing any homers over his first six games (2 starts) this season.
- + In five starts, Kris is 1-1 with a 4.26 ERA (12 ER in 25.1 IP), .255 opponents' average (25-for-98), 22 strikeouts and 11 walks (2.00 K/BB ratio, 7.82 K/9.0 IP)...in four relief appearances, he owns a 1.42 ERA (2 ER in 12.2 IP), .186 (8-for-43) average and 10 strikeouts to seven walks (1.43 K/BB, 7.11 K/9.0 IP).
- + In four road outings (2 starts), Bubic has a 5.06 ERA (9 ER in 16.0 IP), but six of those nine runs came in his last start on Tuesday in Anaheim.

**MANAGER MIKE MATHENY**

- + With a win on Opening Day vs. Texas, **Mike Matheny**—in his ninth season as a Major League manager—became the ninth active manager to win vs. all 30 teams, according to *Elias*, joining **Dusty Baker** (24th season), **Bud Black** (14th season), **Terry Francona** (21st season), **Joe Girardi** (13th season), **AJ Hinch** (8th season), **Joe Maddon** (18th season), **Don Mattingly** (11th season) and **Bob Melvin** (18th season).
- + Matheny was named the Royals' 17th full-time manager on Oct. 31, 2019 and has a 647-540 record over nine seasons as a manager, and his 647 wins are the ninth most among active managers...his .545 lifetime win percentage as a manager ranks sixth among active skipper.
- + This is Matheny's second big league managerial stint, after leading the St. Louis Cardinals from 2012-2018, then serving as a Special Advisor to Player Development for the Royals during the 2019 campaign...he posted a winning record in each of his seven seasons with St. Louis, including a Major League-best 100 victories in 2015...Matheny led the Cardinals to the postseason in each of his first four seasons from 2012-15, becoming the first manager to do that in Major League history...under his leadership, the Cardinals were a Wild Card qualifier in 2012, before winning three-straight National League Central titles (2013-15) and winning the National League pennant in 2013.

**REPLAY SPECIALIST BILL DUPLISSEA**

- + Royals' replay specialist **Bill Duplissea** was unsuccessful in his challenge of a play at the plate in the eighth inning last night, as replay official **Tim Timmons** could not definitively determine that **Andrew Benintendi** touched home before being tagged out on a play that would've given the Royals a one-run lead...in the ninth inning, a crew chief review overturned an out call on **Jarrod Dyson** at second base.
- + He's challenged 102 calls since the start of 2018, and just four of them have been confirmed, including one last Sunday and one on May 13 in Detroit, which snapped a streak of 35 straight challenges without one being confirmed...he also had a streak of 48 straight without a confirmed from Sept. 27, 2017-April 9, 2019.
- + Duplissea is 8-for-18 on challenges this season, but still owns a Majors-best 70.1% success rate (124-for-177) over the last six years (since 2016), well ahead of the Yankees, who rank second with a 64.6% overturn rate, and well above the Major League average, which is 44.2% this season through June 10.
- + The Royals have finished in the top three in replay success rate in each of the last five seasons, including a 78.6 success rate in 2018, which is the best rate by any Major League team since 2016.
- + Duper is in his 17th season with the Royals and serves as the replay coordinator and advance scout.
