### IN LOVING MEMORY OF BOB CRAWFORD

The Arizona Diamondbacks remember Bob Crawford (1938-2020), who passed away on April 9.

An original D-backs employee, Crawford led the club's PR efforts from 1995-2000, helping direct the media charge during the formation of the Minor League system, stadium construction, expansion draft and the first 3 years of Major League competition.

Prior to his time with the D-backs, he enjoyed a successful 36-year career as a sports writer in Arizona, spending 7 years with the *Tucson Citizen* (1959-66) and 29 with the *Phoenix Gazette* (1967-95).

## SHAW SPORTS TURF B1K

- ♦ The high-performance B1K ("Batting a Thousand") surface is designed specifically for baseball.
- ♦ It is a dual fiber system comprised of Shaw' high-performance Strenex XD slit film and Shaw's Bolt monofilament.
- ♦ This system provides high durability and functionality by preventing the infill from "splashing," maintaining adequate infill levels across the field.
- ♦ The Bolt fiber provides excellent ball roll, friction and natural grass aesthetics, ensuring that the playing surface at Chase Field will appear nearly identical to that which has been in place since the stadium opened in 1998.
- ♦ The Geofill Performance Infill within the blades forms a firm surface similar to natural soil with lower energy rebound levels identical to high-performance natural grass. The result is a more natural playing posture and motion from the players, creating less fatigue as their bodies will not have to overcompensate for the "bounciness" of the surface.
- ♦ Geofill infill is made from natural materials that are environmentally friendly, and the system will provide a 90% savings – nearly 2 million gallons – in water consumption each season by requiring less water to maintain the system.
- ♦ Arizona-based Lloyd Civil & Sports Engineering and Fields Inc., an industry leader in synthetic field construction, were involved in the planning and construction of the surface.

# D-BACKS SUSTAINABILITY

The Arizona Diamondbacks sustainability program is an organization-wide commitment to improving its environmental performance and to use baseball as the platform with which we can influence players, fans, employees and corporate partners to positively affect environmental change.

## GREEN INITIATIVES & PRACTICES

- ◆ In 2019, the D-backs transitioned to natural synthetic grass at Chase Field. The Geofill infill is made from natural materials that are environmentally friendly, and the system provides a 90-percent savings (nearly 2 million gallons) in water consumption each season by requiring less water to maintain the system.
- ◆ Salt River Fields at Talking Stick received LEED Gold Certification for New Construction, the first LEED Gold-certified sports venue of its kind in the United States. Sustainable project elements include siting the stadium to provide maximum shade, using native vegetation, minimizing stormwater runoff, maximizing the amount of fresh air brought in through its HVAC systems and using grass-covered parking lots, rather than asphalt, that can double as playing fields for the community when not in use.
- ◆ In partnership with Waste Management, the D-backs added 200 new recycling/waste receptacles throughout the ballpark prior to the 2017 season.
- ◆ In 2017, 50 high-speed, energy-efficient hand dryers were installed in concourse restrooms, which has removed more than 700 miles of paper towels from the waste stream annually...the D-backs also established a new compost collection program and have diverted over 115 tons of organic materials from the waste stream, and debuted the first vertical garden in Major League Baseball in partnership with UnitedHealthcare.
- ◆ In recognition for their efforts in 2017, the D-backs were named by Major League Baseball as the Most Improved NL club for diversion and sustainability.
- ◆ The D-backs installed low-flow flush valves in 425 toilets and 260 urinals which reduced water usage by 50 percent in these areas.
- ◆ In 2019, the D-backs and Levy Restaurants donated more than 14 tons of stadium food from Chase Field to Church on the Street. The donated food equates to more than 23,000 meals that help people in the Phoenix community.
- ◆ In 2014, the D-backs replaced fluorescent lighting along the main concourse with energy-efficient LED lighting that reduced the main concourse lighting power consumption by 60 percent.

## GREEN INITIATIVES & PRACTICES (CONT.)

- ◆ Hosted the first-ever Zero-Waste Spring Training game in Arizona on March 13, 2014, at Salt River Fields to bring awareness to recycling and composting.
- ◆ Contributing members of the Green Sports Alliance, a coalition of professional sports teams and sporting venues committed to promoting "greening initiatives" in sports.
- ◆ APS Electric vehicle chargers located outside Chase Field for fans to charge their car and learn more about alternative energy-powered cars.
- ◆ D-backs Insider magazine is printed with soy ink on recycled paper; most marketing collateral printed on FSC certified products.
- ◆ Renovation of Game Seven Grill on the Gila River Casinos Plaza included high-efficiency LED lighting and conversion of building to Building Management System to efficiently control energy use.
- ◆ D-backs gameday event staff shirts are each made from RPET fabric (each shirt created from 16 recycled plastic bottles).
- ◆ Grease is recycled into biodiesel fuel and vendors distribute bio-based and compostable food service items.
- ◆ Offer a reusable "loyalty cup" to season-ticket holders.
- ◆ All paper products used at Chase Field are comprised of recycled material.

## APS SOLAR PAVILION

- ◆ Dedicated on April 28, 2011 as a partnership between D-backs, Maricopa County Stadium District & APS.
- ◆ Solar-shade structure covers 17,280 square feet.
- ◆ Solar panels will generate 100,000 kWh of solar energy, enough electricity to power the lights at Chase Field for 11 home games.

## E.G. (KEN) KENDRICK

MANAGING GENERAL PARTNER

A charter member of the ownership group that brought baseball to the Valley of the Sun, Ken Kendrick assumed the role of Managing General Partner of the Arizona Diamondbacks in 2004. Since then, the team has reached the postseason 3 times (2007, '11, '17), including 1 NLCS appearance, while helping reshape downtown and turning

the D-backs into one of the top philanthropic entities in the state. Kendrick has an active role in the day-to-day operations of the D-backs and is the organization's designated representative when Major League Baseball owners convene during the course of the year.

As a commitment to the fans, Kendrick and the D-backs' ownership group continue to provide the most affordable fan experience throughout Major League Baseball while reinvesting all profits into the team. Under his leadership, through equity and debt restructures, the team has eliminated more than \$350 million of debt, putting the franchise on sound financial ground for years to come. Additionally, he led the negotiations with FOX Sports Arizona on a 20-year extension that began in 2016 and is the largest financial transaction in franchise history.

Prior to the 2017 season, Kendrick and club President & CEO Derrick Hall hired Mike Hazen as the club's Executive Vice President and General Manager who in turn, named Torey Lovullo as the eighth manager in franchise history. The changes led to a 24-game turnaround, a Wild Card game victory and 260-226 record (.535) during the past 3 seasons. During the 2019 offseason, he committed \$130 million to free agents and contract extensions.

Kendrick is in his 17th season in his current role and during that time, the franchise has become a model organization in Major League Baseball, reaching the NLCS for the second time (2007), hosting an All-Star Game at Chase Field (2011), opening a Spring Training facility that is widely considered the finest in all of baseball in Salt River Fields at Talking Stick, and becoming one of the largest philanthropic entities in the Valley with charitable contributions totaling \$70 million since the organization's inception. In his tenure, *ESPN The Magazine* has rated the D-backs as the No. 1 team in all of Major League Baseball in its Ultimate Standings, which gauges success both on and off the field and *Ranking Arizona* has named the team the No. 1 place to work in the state.

While the D-backs are his primary business focus, Kendrick has also helped to change the face of downtown Phoenix, as he is a principal in the development of CityScape, Arizona's largest commercial/retail real estate development just footsteps from Chase Field, which draws 2-million fans annually.

After receiving a Bachelor of Science in Business Administration from West Virginia University in 1965, Kendrick started his career with IBM. Three years later, he founded Datatel, Inc., which has become the worldwide leader in the development of computer software for the management of infrastructure technology for colleges, universities and foundations. In 2011, Datatel acquired SunGard Higher Education for \$1.75 billion. The combined companies were renamed Ellucian and were sold in 2015 for \$3.5 billion to TPG Capital.

Kendrick also served as President of a Texas-based financial services technology company during the 1980s. In 1989, Kendrick became the principal investor in Woodforest National Bank in The Woodlands, Texas, which is one of the nation's largest primarily employee-owned banks. Woodforest National Bank, a \$6.5-billion entity with 5,000 employees, is a subsidiary of Woodforest Financial Group.

Kendrick also owns Bumble Bee Ranch, which is devoted to providing western lifestyle experiences to children's charities throughout Arizona in addition to the Ironbridge Golf Club in Glenwood Springs, Colo.

He is very active in many philanthropic endeavors, beginning with his role as Chairman of the Arizona Diamondbacks Foundation. The D-backs organization, combined with its Foundation, has surpassed the \$70-million mark in combined charitable giving since its inception, including more than \$60 million in the last 14 years.

In 2019, the first 2 Kendrick Family Fields were dedicated at South Mountain Little League and Arcadia Little League, part of an ongoing effort to renovate existing baseball fields around the Valley which is separate from the 42 different fields the team and its Foundation have built in conjunction with APS since 1998.

In 2011, Kendrick received the Ellis Island Medal of Honor from the National Ethnic Coalition (NECO). He and his wife, Randy, were previously named the Living and Giving Honorees for the Desert Southwest Chapter of the Juvenile Diabetes Research Foundation. Kendrick also received the Visionary Award from the Foundation for Blind Children, Spirit of the Children Award from the Foundation for Childhelp USA, Today's Kids/Tomorrow's Stars honoree of the Boys & Girls Clubs of Metropolitan Phoenix, River Conservator of the Year by the Roaring Fork Conservancy and was named Man of the Year by the March of Dimes. He also has served on boards for various charities including the Barrow Neurological Institute, Brophy College Prep, the Phoenix Art Museum, The Buddy Program, Childhelp USA, UMOM New Day Centers, Challenger Center for Space Science Education, TGen Foundation, Cleveland Clinic Foundation, Roaring Fork Conservancy, Phoenix Children's Hospital, Arizona Heart Foundation and is Founding Chairman of the Datatel Scholars Foundation.

As a prostate cancer survivor, Kendrick has made significant contributions over the years to fund research in that field and in 2013, the Cleveland Clinic created The Kendrick Family Chair for Prostate Cancer Research. Among the other endowments funded by Kendrick are Project Excellence, an educational program for inner-city youth at Phoenix Country Day School (PCDS) whose mission is to enrich, engage and empower first-generation students (the first in their families to prepare for higher education) from local public schools and the Loyola Academy, which provides education to sixth, seventh and eighth graders at Brophy College Prep who demonstrate academic promise but have had limited educational opportunities. In addition, Kendrick has supported the Tuzos Soccer Club since 2009 to underwrite the team's expenses with costs for registration, field-use fees, uniforms and equipment.

An avid baseball card collector his entire life, Kendrick owns the famed T206 Honus Wagner card that was once owned by hockey great Wayne Gretzky. The Wagner card and 45 other iconic and rare baseball cards in Kendrick's collection, titled "The D-backs Collection," were previously displayed at the National Baseball Hall of Fame and Museum in Cooperstown, N.Y., and at the Phoenix Art Museum. He was selected for membership in the Professional Sports Authenticator (PSA) Hall of Fame in 2017.

A native of Princeton, W.Va., Kendrick is an alumnus of West Virginia University and sits on the Board of Directors for the WVU Foundation. In 2016, Kendrick spearheaded the dedication of a memorial statue and helped his alma mater endow a scholarship in the name of the late WVU basketball player "Hot Rod" Hundley.

In 2014, he was named Philanthropist of the Year by WVU, one year after receiving an honorary doctorate from the university, considered higher education's most prestigious recognition.

Kendrick is the founder of the Center for Free Enterprise at WVU and he and his wife have established programs at WVU's College of Business and Economics focused on free-market research and at the WVU Eye Institute to support children's vision outreach programs. Kendrick funded the WVU Hall of Traditions, which provides a first-class showcase for the tradition of Mountaineer football and serves as a recruiting focal point at WVU. In 2006, Kendrick was inducted into the state of West Virginia's Business Hall of Fame and was also named to the WVU Academy of Distinguished Alumni. In 2011, he was inducted into the inaugural Roll of Distinguished Alumni at WVU's College of Business and Economics. He also sits on an advisory board of the University of Charleston in Charleston, W.Va., where he received an honorary Doctorate degree in 2005. In 2016, torrential rains over parts of West Virginia caused devastating flooding in many counties and Kendrick came to the aid of his home state, setting up a relief program that raised more than \$1 million.

Kendrick and his wife founded the Freedom Center at the University of Arizona to promote, along 4 dimensions, the understanding and appreciation of the ideals of freedom and responsibility via published research, undergraduate education, graduate

education, and community outreach. The Freedom Center also endows the Kendrick Chair in Philosophy and Economics. The University of Georgia elected Kendrick to its Board of Visitors and its Magill Society and in 2016, he served as the annual guest lecturer at the UGA Terry College of Business Leadership program, a distinction shared by Falcons owner Arthur Blank and the legendary Warren Buffett. He has also underwritten a PhD program at UGA in support of the James C. Bonbright Center.

In 2014, Kendrick was inducted into the Sigma Nu Fraternity National Hall of Fame, an honor bestowed upon less than 60 people in the nearly 150-year history of the organization. Among those enshrined are "Bear" Bryant, Pat Riley, Archie and Eli Manning, Harrison Ford, broadcasters Al Michaels and Joe Buck, as well as former Major League managers Dick Howser and Dallas Green. He was inducted into the Aspen Trashmaster's Golf Hall of Fame in 2014, and in 2015, he received the Angel Award (Man of the Year) from The Buddy Program. Kendrick was honored with the prestigious Herman W. Lay Memorial Award by the Association of Private Enterprise Education, named for the former Chairman of the Board of Pepsi. The award honors individuals who have emulated the pattern of success and philanthropy that Lay lived while representing the best that the free enterprise system produces.

He and Randy have 2 children, Cal and Catie, and make their home in Paradise Valley.

## MIKE CHIPMAN

**GENERAL PARTNER**

Mike Chipman is one of the General Partners who possess the largest financial stake in the franchise and, in that capacity, routinely provides business insight regarding the future of the D-backs.

A graduate of the U.S. Air Force Academy with a degree in Computer Science, Chipman spent 5 years in the basic research arm of the Air Force, attaining the rank of Captain before resigning his commission to pursue a career in civilian life. He spent the next few years as a research scientist working in the area of computational physics, principally at Science Application International in La Jolla, Calif.

Chipman then made a huge impact in the computer software industry in the early 1980s when he and his wife, Evy, founded ChipSoft, Inc., the original owner and developer of TurboTax®, the leading income tax preparation software program for consumers and small businesses. Chipman served as President and Chief Executive Officer of ChipSoft until 1990 and Vice Chairman until 1993, when ChipSoft and TurboTax® were merged with Intuit, Inc. ChipSoft grew from a spare room operation in the Chipman's home to a 550-person public company by the time he retired from the business.

Since retirement, Chipman has invested in various businesses principally through an Investment Angels group. Chipman has had a hand in the development of the highly successful Bank of Internet USA and has been involved as an investor with other banks in Northern Nevada. He has been an owner of commercial real estate in Arizona for more than a decade during which time he became one of the primary investors in the D-backs.

In 2008, Chipman ventured on his longtime dream to complete the 2,650-mile Pacific Crest Trail hike on foot from the Mexican border in California into British Columbia in Canada. He completed the majority of the trail from April through September and finished the remainder in 2010. He has since completed the Grand Enchantment Trail (Phoenix to Albuquerque, 750 miles), Washington Coast Trail (400), Tahoe Rim Trail (165), the Colorado Trail (500) and the John Muir Trail (220). Chipman says the Arizona Trail (800) is on the short list.

He and Evy make their home near Lake Tahoe, Nev., where he has built a model railroad, complete with nearly 1,700 trees. The Chipmans spend a lot of "baseball time" locally in Paradise Valley after having wintered in Carefree for more than 10 years.

## JEFF ROYER

**GENERAL PARTNER**

Jeff Royer is a General Partner of the team. Royer's love for baseball began in his youth as a devoted fan of Warren Spahn, the record-setting, left-handed pitcher of the Milwaukee Braves.

Royer is a private investor with interests in telecommunications, cable television, medical devices, hospitality and wireless equipment.

## DERRICK HALL

PRESIDENT & CEO

Considered by many to be among the leaders of the game, D-backs President & CEO Derrick Hall has turned the organization into a model franchise within the sports industry and throughout the business world during his 15 years at the helm of the club. Hall is the fourth-longest tenured CEO in Major League Baseball behind Atlanta's Terry McGuirk,

St. Louis's Bill DeWitt Jr. and Cincinnati's Bob Castellini, each of whom have a controlling ownership interest in their respective franchises. In 2019, he was inducted into the Arizona Sports Hall of Fame for his significant contributions since joining the D-backs in 2005.

Hall focuses the organization's efforts in 5 areas he has called the "Circle of Success" – fan experience, performance, community, culture and financial efficiency – each of which has seen tremendous growth during his tenure. The success of the franchise during Hall's tenure has led to numerous honors, while Hall's leadership has helped guide the D-backs to 3 postseason appearances, including 2 National League West Division Championships (2007, '11) and 1 NLCS (2007).

In 2017, the D-backs reversed their record and captured the National League Wild Card after Hall and Managing General Partner Ken Kendrick hired Executive Vice President & General Manager Mike Hazen to oversee the franchise's baseball operations and during the past 3 seasons, the team has posted a 260-226 record (.535).

With a focus on creating the best fan experience in all of sports, Hall has succeeded in accomplishing that goal at both Chase Field and at Salt River Fields at Talking Stick, the D-backs' Spring Training home near Scottsdale. Stadium enhancements at Chase Field that have taken place under Hall's guidance include the APS Solar Pavilion, Game Seven Grill, HD scoreboard in center field, the Sandlot, the Coors Light Strike Zone, All-You-Can-Eat Seats, The Draft Room and value-item pricing at concession stands and Team Shop locations throughout the ballpark. Hall also installed, named and created a FAWTSY (Find a Way to Say Yes) customer service policy throughout the organization to further improve upon the extraordinary fan experience. Last year marked the 11th consecutive season that the team offered the lowest Fan Cost Index in Major League Baseball.

In 2019, the D-backs began playing on a new high-performance synthetic grass surface, the first installation of its kind in Major League Baseball which has since been added to 2 additional MLB ballparks. Among its many benefits, the new surface allows the D-backs to save 4-million gallons of water each season and increase fan comfort at Chase Field. The D-backs' sustainability efforts have also grown significantly during Hall's tenure, as MLB named the D-backs as the Most Improved National League Club for diversion and sustainability in 2017.

In the last 15 years, the team has eliminated more than \$350 million of debt through equity and debt restructures, while Hall also negotiated the largest financial transaction in franchise history – a historic 20-year television rights deal with FOX Sports Arizona which started in 2016 – putting the club on sound financial ground for years to come.

In the community, Hall has positioned the D-backs as one of the largest philanthropic entities in the Valley. In 2020, the Arizona Diamondbacks Foundation and the D-backs' organization surpassed the \$70 million mark in charitable giving since their inception in 1998, including more than \$60 million in the past 14 years. In 2014, the team launched the D-backs Give Back Jersey program, which will outfit more than 70,000 youth players across 121 leagues this season. During the 2013 Yarnell Hill fire, the D-backs were able to give back more than \$700,000 on behalf of their fans to the families of the 19 firefighters who lost their lives. In 2008, Hall established the Michael Wogan Season Ticket Scholarship Program, a first-of-its-kind program for fans or existing season ticket holders who may have experienced a change in circumstances, providing families with more than 464 full-season

tickets for a value of nearly \$950,000 since its inception.

The unique corporate culture of the D-backs, which was created by Hall, led Yahoo! and *Forbes* to deem the club among the "Best Places to Work in Sports." In 2013, the sports industry's highly regarded recruiting network, TeamWork Online, tabbed him as the "Best Boss" in sports, and the organization has been named on several occasions as the "Most Admired Company for Workplace Culture" by *AzBusiness* magazine and *BestCompaniesAZ*. Fittingly, the D-backs' physical front office was rebranded the D-backs Culture & Innovation Center before being rated No. 1 on *Ranking Arizona's Best Places to Work* list among small businesses.

Among the programs Hall has created is the President's Council, comprised of select members of the executive management team and a rotating committee consisting of the organization's Employee of the Month winners, to organize company culture events throughout the year. He also established employee recognition programs like "A-Game All-Stars" to reward game-day employees for exceptional service on a monthly basis throughout the season. The organization's investment in its employees resulted in the D-backs becoming the first sports organization to be named among the "Best Places to Work" by the *Phoenix Business Journal* for 13 consecutive years from 2007-19.

In 2013, *ESPN the Magazine* tabbed the D-backs as the top Major League franchise and sixth overall among the 122 professional sports franchises in the publication's Ultimate Standings, which are based on 8 categories on and off the field. In 2016, the *Arizona Republic* named Hall 1 of 16 Arizonans to watch, citing his "positive influence [that] grows larger by the year" as someone who "works effortlessly to promote Metro Phoenix and the state." He was also named by *Rise Global* to its list of 100 Most Influential CEOs, a group that includes names such as Rupert Murdoch, Richard Branson, Elon Musk, Warren Buffett, Tim Cook, Biz Stone and Larry Ellison.

The organization continues to rack up awards and honors under Hall's leadership, including the Front Office Sports "Best Employer" (2019), PETA's Top 10 Vegan Friendly Ballpark (2019), Arizona Hispanic Chamber of Commerce Corporation of the Year (2017), AAAED's Champion of Diversity (2017), the Dominican Republic Sports & Education Academy (2016), One Community Spotlight on Success (2015), Make-A-Wish Foundation's Chris Greicius Award (2014), the Phoenix Indian Center's Leon Grant Spirit of the Community Award (2014), Greater Phoenix Chamber of Commerce IMPACT Award/Community Champion (2013), Arizona's Corporate Excellence Community Impact Award (2013), City of Phoenix Equal Opportunity Department-Excellence Award (2013), Arizona Business Leadership Award (2012), "Organization of the Year" (2011) and the DREAMR award (2012) by the Downtown Phoenix Partnership, "Most Admired Company" and "Top Leadership" by *AzBusiness* Magazine (2011). In 2010, the D-backs were given the inaugural United Nations NGO Positive Peace Award, which named the D-backs the most positive team in the world.

Hall's vision to further establish the organization as a sports industry leader while spurring economic development and im-

pact throughout the Valley came to fruition in 2011, as the team hosted the Major League Baseball All-Star Game at Chase Field for the first time ever, creating an economic impact of more than \$67 million. Hall's persistence in convincing MLB to award the Midsummer Classic to the D-backs allowed Chase Field and Downtown Phoenix to be showcased in more than 100-million homes across the world, while working diligently with city leaders, elected officials and civic partners to ensure that fans had the finest All-Star Game experience.

Salt River Fields at Talking Stick, the D-backs' 140-acre Spring Training facility shared with Colorado Rockies on Salt River Indian Community land near Scottsdale, Ariz., that Hall negotiated and designed, has greatly added to the already \$350 million of economic impact for the Valley associated with Spring Training each year. Salt River Fields was the first pro sports training facility in the U.S. to be built on tribal land and was privately funded without the use of any taxpayer dollars. The facility received LEED-Gold certification from the U.S. Green Building Council in 2011, the first venue of its kind to achieve this designation.

Hall's vision for Salt River Fields was to keep fan interaction with players a top priority while also ensuring maximum comfort for visitors at the 11,000-seat ballpark. Both goals were accomplished, as the main stadium is located in the middle of the facility to enable fans to mingle throughout and get an up-close look at D-backs players as they practice. A unique roof structure and a northeast-facing field allow for approximately 85 percent of the fans in all 7,000 fixed seats to be shaded as the game progresses.

Hall routinely communicates with D-backs fans as part of his "one fan at a time" concept by answering every letter, email or phone call. He conducts monthly chats online and spends much of his time at home games communicating with the fans in the stands to ensure their experience at Chase Field is exceptional.

Among the projects outside of Chase Field and Salt River Fields that have Hall's fingerprints on them is the Legends Entertainment District, a joint venture between the D-backs, the Phoenix Suns and the City of Phoenix that is the first of its kind between 2 professional sports organizations. The project has transformed the look of Downtown Phoenix by creating experiential outdoor marketing opportunities and an energetic backdrop for visitors and residents to enjoy their experience.

Hall was personally selected to join a handful of corporate leaders by Governor Doug Ducey as one of his first orders of business to form a new pro-business group. The Arizona Zanjeros are focused exclusively on economic development, defining Arizona's brand and marketing the state to CEOs across the country and around the world. In 2015, he joined the Governor's delegation on a weeklong trip to Israel. Additionally, the Arizona Attorney General has commissioned Hall to serve on the Maricopa County Attorney's Office Business Advisory Council.

Hall sits on Major League Baseball's International Committee and under his guidance, the D-backs hosted the 2013 World Baseball Classic and will once again host the tournament in 2021. The team has played 8 games in Mexico during his tenure, including the first-ever Major League regular season games in Mexico City in April 2020. Hall has represented the team on goodwill trips to Mexico, Japan, the Dominican Republic, Australia and

New Zealand, helping to bring international recognition to the franchise. In 2014, his continued efforts to showcase the D-backs on the global stage reached its highest point as the club hosted the Dodgers during MLB's historic Opening Series in Sydney, Australia, which was subsequently named the International Sports Event of the Year.

Hall also serves on MLB's Diversity and Inclusion committee and the Commissioner's on-field diversity task force. In that regard, the D-backs have also been industry leaders. In 2016, the team hosted the highly regarded MLB Business Diversity Summit in Arizona in an effort to bring more diverse candidates into front offices around the game. For its efforts, the team was awarded the Jackie Robinson Most Valuable Diverse Business Partner award by Major League Baseball. The team has been named for 6 consecutive years to the Arizona Hispanic Chamber of Commerce's Million Dollar Circle of Excellence as an organization that spends more than \$1 million annually with minority or women-owned businesses. In 2014, the D-backs became the first MLB organization to sign One Community's Unity Pledge, which supports and advocates for workplace inclusion and protection for all, including LGBTQ community members. For his commitment to equality, Hall received the prestigious Torch of Liberty Award from the Anti-Defamation League (ADL) in 2014. The award, ADL's highest honor, was established to recognize individuals who have exhibited extraordinary humanitarianism, and whose everyday actions exemplify the principles of opportunity, anti-discrimination, equal rights, community involvement and fairness for all.

Hall currently serves on or is associated with 25 boards, including the Arizona Mexico Commission, Great Hearts Academies, Arizona Chamber of Commerce, ArizonaOn, Greater Phoenix Convention & Visitors Bureau, National Vice President of the Muscular Dystrophy Association, National Advisory Council for Pancreatic Cancer, Stand Up 2 Cancer Melanoma Dream Team Sponsor, Cancer Treatment Centers of America, Valley of the Sun YMCA and Positive Coaching Alliance. Hall served as the 2018-19 Phoenix Police Reserve Foundation Chair, the 2018 Make-A-Wish America Nominating and Governance Chair and the 2017-19 Pride Campaign Chair for the Phoenix Zoo. He is the past Chairman of the Board for Make-A-Wish Arizona and current board member for Make-A-Wish America, is also a past Chairman of the Board for the Valley of the Sun United Way, where he raised \$47 million throughout the Phoenix area as the VSUW's 2009-10 campaign chairman. He has also raised money by serving as an event chairman for the Prostate On-Site Project (POP) Walk, 75th Anniversary March of Dimes, March for Babies Walk, The Wellness Center, several Juvenile Diabetes Research Foundation (JDRF) events, Southwest Autism Research & Resource Center (SARRC), St. Vincent de Paul, Florence Crittenton and the Foundation for Blind Children.

Hall served as master of ceremonies at the 2015 Arizona inaugural ceremonies and gives numerous keynote speeches to various groups or conventions throughout the country about his unique vision on leadership, customer service and culture. He has spoken to U.S. Air Force Academy cadets at the annual National Leadership and Character Symposium. He donates speaking engagement fees back to the Arizona Diamondbacks Foundation and other local non-profit organizations he supports.

A native of Los Angeles, Hall joined the D-backs in May 2005 as Senior Vice President, Communications and served in numerous capacities prior to being named president in 2006 and adding the title of CEO in 2009. Prior to joining the D-backs, Hall made a brief stop as Senior Vice President, Corporate Communications for a Fortune 500 company based in Los Angeles. He spent parts of 12 seasons with the Los Angeles Dodgers, joining the organization's Single-A Florida State League affiliate in Vero Beach, Fla., as an intern in 1992 and departing as the club's Sr. Vice President, Communications in 2004. In between, he served key roles during 3 ownership changes with the Dodgers and was recognized for reuniting Fernando Valenzuela with the organization after hiring him as a color analyst for the team's Spanish radio broadcasts.

Hall stepped outside of baseball for employment during the 1999 season, as he hosted a 3-hour morning talk show on the Dodgers' flagship station (XTRA 1150 AM) and served as host of

Derrick Hall interviews Condoleezza Rice as part of the 2020 Waste Management Phoenix Open Tee-Off Luncheon on Dec. 3, 2019.

the "Dodger Game Day" pregame radio show for home games. He also had a stint in front of the camera as a weekend sports anchor at KNBC-TV in Los Angeles.

He received a bachelor's degree from Arizona State University, where he was named "Man of the Year" in 1991, in broadcasting and journalism, and a master's degree from Ohio University in sports administration. Hall and his wife, Amy were co-chairs of ASU President Michael Crow's President's Club in 2018-19 and in 2019, the Derrick Hall/Arizona Diamondbacks Journalism and Mass Communications Scholarship was created in his name. In 2016, he received ASU's prestigious Founder's Day Alumni Achievement Award, becoming the first student in school history to receive both that honor and the ASU Young Alumni Achievement Award. Hall was inducted into the ASU Walter Cronkite School of Journalism and Mass Communications Alumni Hall of Fame in 2002. He was the keynote speaker for ASU's Cronkite school convocation in 2008, becoming the first Cronkite alum to deliver a commencement speech at the school's graduation, and also spoke at the W.P. Carey School of Business convocation in 2012. In 2016, he received ASU's Pitchfork Award for his accomplishments and was honored at the ASU Founder's Dinner with the Alumni Achievement Award.

In 2006, Ohio University's Sports Administration Program recognized Hall as the 25th recipient of the Charles R. Higgins Distinguished Alumnus Award. In 2012, he received an honorary Doctorate degree from University of Phoenix and spoke at the school's convocation.

His philanthropic efforts led to Hall and the D-backs being honored at the 2018 Boys & Girls Club of Metro Phoenix signature Stars dinner. In addition, he oversees Arizona Diamondbacks Events & Entertainment (ADEE), the entity that books and executes all non-baseball events at Chase Field.

Under his leadership, the Corporate Partnership team has increased revenue in all 14 of his seasons, while strategically increasing value to partners by decreasing the marketing inventory and focusing on activation. For the ninth straight year, the D-backs hosted the Most Valuable Partner awards program, a first-of-its-kind concept created by Maxey as a more effective way to teach marketing practices year-round in a captivating way that motivates partners to participate. The on-stage production and dinner showcases the winners of each category and has garnered local and national attention, just one of several ways the D-backs seek to provide a better return for corporate partners. It has been lauded as a revolutionary way of improving the business-to-business summit in sports.

The D-backs' fundraising and community giving have reached their highest levels, as the team and Arizona Diamondbacks Foundation will soon surpass \$70 million since their inception and raised more than \$55 million since 2009. The D-backs Give Back Jersey Program has been a huge success and will expand to 121 youth leagues and 70,000 athletes this year, each of whom will be wearing D-backs uniforms. Maxey's team has also created innovative programs to drive single game sales such as the Summer Pass, Student Pass, Kids Free Weekend, Los D-backs Fiestas, and a sophisticated approach to maximize opportunities provided by the schedule, holidays and the promotional schedule.

Maxey played a key role in directing his business operations team to ensure the success of the 2011 All-Star Game, which was played at Chase Field for the first time ever, the 2013 and 2017 World Baseball Classic and 2014 Opening Series in Sydney, Australia. He has also played an integral role in the creation and execution of Salt River Fields at Talking Stick, the Spring Training facility on Salt River Indian Community land and the multi-million-dollar Legends Entertainment District, the team's unique partnership with the Phoenix Suns that has helped revitalize downtown Phoenix. With 55,000 square feet of dynamic outdoor digital and static signage opportunities, the project has developed new revenue for both teams while helping promote ticket sales and deliver team messages to more than 8-million annual visitors and 700 diverse events each year.

From homelessness, to foster care, youth education, at-risk populations, and the hungry, the DGBL's impact was tremendous. Bradley was awarded the D-backs' first-ever Innovation Award for his efforts.

A CPA, Bradley worked as the Asst. GM, Business Operations for the Phoenix Firebirds of the Pacific Coast League from 1994-97. With the Firebirds, he was responsible for game and stadium operations, season tickets, ticket operations and merchandising.

## ROLAND HEMOND

SPECIAL ASSISTANT TO THE PRESIDENT & CEO

One of the most respected and experienced executives in baseball, Roland Hemond is in his 13th season during his second tour of duty with the Arizona Diamondbacks. He rejoined the D-backs midway through the 2007 season as Special Assistant to the President & CEO and in 2011, was selected as the second recipient of the Buck O'Neil Lifetime Achievement Award by

the National Baseball Hall of Fame and Museum's Board of Directors for his extraordinary efforts to enhance the game's positive impact on society. Presented with the award in Cooperstown, N.Y., the honor is bestowed upon an individual whose efforts broadened the game's appeal and whose character, integrity and dignity is comparable to the late O'Neil, who passed away in 2006 after 8 decades of contributions to the game. O'Neil was honored as the first recipient of the award in 2008.

In 2017, the seating area behind home plate was renamed "The Roland Hemond Scout Section" in honor of his accomplishments throughout the game. In 2015, the D-backs dedicated Roland Hemond Field which is located at Alkire Park in Phoenix and was the team's 35th field in the "Diamonds Back" Field Building Program, presented by APS. In 2012, the executive conference room at Salt River Fields was also named in his honor.

Since joining the D-backs, Hemond has provided counsel to Derrick Hall and strengthened the D-backs' relationships throughout Major League Baseball. He has represented the team at the annual First-Year Player Draft at MLB Network's headquarters in Secaucus, N.J.

A 3-time winner of MLB's Executive of the Year award, Hemond has 70 years of professional baseball experience, including 23 seasons as a general manager with the White Sox (1971-85) and Baltimore Orioles (1988-95) and 5 seasons as Senior Executive Vice President with the D-backs (1996-2000). He later served as Executive Advisor with the White Sox (2000-07) until rejoining the D-backs. Hemond, who is considered the architect of the highly successful Arizona Fall League that began in 1992, is a nationally recognized ambassador of the game. His professionalism, friendliness and willingness to contribute ideas and advice are attributes unmatched in the industry.

In 2019, Hemond was inducted into the Cactus League Hall of Fame. He has also been inducted into the Boston Braves Historical Association Hall of Fame (2007) and was presented with the prestigious William J. Slocum Award at the New York baseball writer's dinner and the Honors Award from the Baseball Coaches of America (2006). In 2003, Hemond was honored with the esteemed Branch Rickey Award, presented by the Rotary Club of Denver to individuals in baseball who contribute unselfishly to their community and who are strong role models for others. He was the first non-uniformed person to receive the award and remains the only one with that distinction.

During his first stint with the White Sox, Hemond was named Executive of the Year in 1972 and '83. The 1972 White Sox went 87-67 for the organization's first winning record in 5 seasons. The 1983 club went 99-63 and won the AL West Division title by 20

games, which was then a record for largest winning margin. While with Baltimore in 1989, Hemond was tabbed Executive of the Year for the third time after the Orioles improved 33 wins from the previous season (54 in 1988 to 87 in 1989). During his tenure with the White Sox and Orioles, Hemond negotiated 135 trades involving 428 players.

Hemond was honored by Minor League Baseball for his longtime dedication and service to the game as the 2001 "King of Baseball." Hemond's baseball career began in 1951 as a front office member of the Eastern League's Hartford Chiefs. He also worked with the Boston/Milwaukee Braves from 1952-60 before being hired as Scouting and Farm Director of the Los Angeles Angels in 1961. Hemond remained in that role until joining the White Sox in September 1970.

Hemond is president of the Association of Professional Ballplayers of America, a non-profit organization that helps former and current players and baseball personnel in need. Along with White Sox executive and former agent Dennis Gilbert and scouts Dave Yoakum and Harry Minor, Hemond helped found the Professional Baseball Scouts Foundation to provide assistance to longtime scouts who are in need of special support. In 2016, the organization gave Hemond its first and only Outstanding Achievement Award at its annual awards reception.

Four annual awards are named in Hemond's honor: the first is presented by the White Sox in honor of those dedicated to bettering the lives of others through extraordinary personal sacrifice; the second is the *Baseball America* Award, presented to the person who has made major contributions to scouting and player development; the third is the Society of American Baseball Research (SABR) Award, given to the executive who has displayed great respect for scouts; and the final one is presented by the D-backs to the individual in scouting who exemplifies the qualities of strong character, dedication to the D-backs' organization and an unflinching work ethic in the search for championship-level talent. Hemond was the inaugural recipient of both the *Baseball America* and SABR awards. He received an honorary degree in Humane Letters from the University of Phoenix in July 2006 and has encouraged baseball players, coaches and front office personnel to pursue their college degrees with the University of Phoenix online program, as well as other colleges. Hemond was named an honorary member of Princeton University's 1954 class after speaking at a sports symposium at the university in 2009.

Hemond is a native of Central Falls, RI. He and his wife, Margo, reside in Phoenix and have 5 children: Susan, Tere, Robert, Jay and Ryan, and 4 grandchildren: Taylor, Zane, Cameron and Natalie. Margo's father was John Quinn, a former Major League general manager for 28 years with the Boston/Milwaukee Braves and Philadelphia Phillies. Margo's grandfather, James A. "Bob" Quinn, was a player, front office executive and owner of the Columbus, Ohio, affiliate starting in 1888, giving the family continuity in professional baseball for parts of 3 centuries. The elder Quinn was a part owner of the Boston Red Sox and Boston Braves and was the President of the National Baseball Hall of Fame and Museum from 1948-51. Hemond's son, Bob, is the founding partner of the Pacific Coast League's Sacramento River Cats.

## RANDY JOHNSON

SPECIAL ASSISTANT TO THE PRESIDENT & CEO

Randy Johnson, considered among the top pitchers in Major League history, is in his sixth season as Special Assistant to D-backs President & CEO Derrick Hall. In his role, he assists the organization both on and off the field, working primarily with the team's Minor League pitchers while also assisting in the community and appearing on team broad-

casts.

In 2015, Johnson reached the pinnacle of his career as he was inducted into the National Baseball Hall of Fame in Cooperstown, N.Y., becoming the first player to feature an Arizona Diamondbacks cap on his plaque. The 5-time Cy Young Award winner (4 with the D-backs), ranks second on the all-time Major League strikeout list with 4,875 and first among left-handers. A 10-time All-Star, he won 303 games in his career, including a perfect game, and holds nearly every major career pitching record in D-backs franchise history.

Shortly after his Cooperstown induction, Johnson had his No. 51 retired by the franchise, becoming just the third player to receive that honor, joining Luis Gonzalez (No. 20) and Jackie Robinson (No. 42).

In 2001, Johnson was named the co-MVP of the D-backs' World Series championship, helping the franchise win the only major sports title in the state's history in just the fourth year of the franchise's existence. After striking out 11 New York Yankees in a 3-hit shutout in Game 2, Johnson pitched 7.0 innings to earn the victory in the do-or-die Game 6 and then came on in relief during Game 7 to earn the victory. Of the team's 11 postseason wins that year, Johnson earned 5.

Johnson appeared in 22 big league seasons for the Expos, Mariners, Astros, D-backs, Yankees and Giants. His 303 career victories rank as the fifth-most by a left-hander in Major League history, while he holds 5 of the 7 highest single-season strikeout totals by a southpaw in modern history. His 5 Cy Youngs rank second all-time to Roger Clemens' 7 and he is 1 of 2 pitchers to win the award 4 consecutive times (1999-2002) along with Greg Maddux (1992-95). In 1999, Johnson and Pedro Martinez joined Gaylord Perry in the rare feat of winning the award in both the American and National Leagues, a feat also matched by Roger Clemens, Roy Halladay and Max Scherzer. A 9-time strikeout king and 4-time earned-run average champion, Johnson was regularly clocked above 100 miles per hour during his playing career, leading to numerous incredible single-game performances. He struck out 20 batters in a game on May 8, 2001 vs. Reds and holds the Major League record for most strikeouts in a relief appearance (16 @ Padres on July 18, 2001).

On May 18, 2004, Johnson became the oldest pitcher in Major League history to throw a perfect game when he accomplished the feat at Atlanta at age 40. The left-hander also pitched a no-hitter for the Seattle Mariners on June 2, 1990 vs. Detroit and is 1 of 5 pitchers to throw a no-hitter in both the American and National Leagues.

Johnson retired from baseball in January 2010 and on Jan. 6, 2015, was elected to the National Baseball Hall of Fame in his first year of eligibility with 97.3-percent of the vote, the third-highest percentage of all time for pitchers. He was inducted into the Seattle Mariners Hall of Fame in 2012.

Nicknamed "The Big Unit," the 6'10" Johnson held the title of tallest player in Major League history for much of his career before that was surpassed by his D-backs teammate Jon Rauch (6'11").

## CALL YOUR SHOT

Prior to a game vs. the Rays as a member of the Braves in 2010, Hinske, Chipper Jones, Jason Heyward and Bobby Cox met with Atlanta Falcons quarterback Matt Ryan at batting practice at Turner Field... during the conversation, Hinske told the 4-time Pro Bowler he planned on going deep in that night's game:

"He was standing out in the tunnel, signing some stuff, and I said, 'Man, nice to meet you,' Hinske told the *Atlanta Journal Constitution*. "Make sure you're watching because I'm going deep tonight! He's like 'All right, bro.'"

Hinske would later go on to hit a solo home run in the sixth inning, an event that Ryan called one of the "coolest" experiences of his life.

I just knew it didn't matter what round or how much I was getting, if I did the right things, it would work out for me."

"I'm just enjoying the ride," Beasley added. "In the back of my head I know there was a sense of urgency at the start, but I honestly just haven't taken no for an answer. I don't want to regret anything."

## YOU CAN'T MAKE THIS STUFF UP

- ♦ Is adept with either hand...he shoots a bow, bats, writes and ropes right-handed, but throws from the left side.
- ♦ Started playing coach-pitch baseball at age 4 against 7-year olds.
- ♦ His father, Kevin, wouldn't let him throw a curveball until after he had a driver's license.
- ♦ Before he started dating his wife in high school, he dated a girl named Madison Bumgarner ("No relation, I'm sure of it," he says).
- ♦ He never in his life owned a suit prior to winning *Sports Illustrated's* Sportsman of the Year Award in 2014.

## NO TITLE WOULD DO THIS JUSTICE

- ♦ In Spring 2014, he and his wife, Ali, were roping cattle when Madison was startled by a large snake...he grabbed an ax and hacked it to pieces.
- ♦ When Ali, an expert field dresser, examined what was left of the snake, she found 2 baby jackrabbits inside pieces of it and extracted them...a short while later the Bumgarner's noticed that one of the rabbits was still alive.
- ♦ Ali brought the rabbit back to their apartment and for the next few days kept it warm and bottle-nursed it...the rabbit soon was healthy enough for them to release into the wild.

## PART-TIME MECHANIC

As a 20-year old rookie in 2010, the Giants' team bus broke down on a trip in Colorado...Bumgarner was sitting in the back, yelled, "I'll take care of it," got off the bus, popped the hood and helped get the bus running again.

## NEIGH

- ♦ He and his wife, Ali, own horses in the Phoenix area and enjoy riding them in their free time...while with the Giants, he would tow his horses with him to Spring Training each year from North Carolina to Scottsdale.
- ♦ On his 125-acre ranch in North Carolina, he estimates he has 50 cows and 20 horses.
- ♦ On Opening Day 2015, he rode a horse around the warning track at Oracle Park to raise the 2014 World Series banner in center field.
- ♦ Growing up, his family owned horses, so he learned to ride at a very young age.

## YEE-HAW

- ♦ At age 17, he began competing with his wife Ali's father and brother in team-roping and considers it one of his hobbies...in the 2019-20 offseason, he won a competition in Wickenburg, Ariz. under the pseudonym Mason Saunders.
- ♦ In 2010, former teammate Jeremy Affeldt invited he and his wife to stay at his house during a home-stand and observed urban cattle-roping in action.

"He practiced roping cows by roping my lawn furniture," Affeldt told SFGate.com in 2010. "He's good at it. I'd come home and he'd be spinning this rope. He's lassoing all my furniture. Then he wants to make me walk this weird, funky walk while he's trying to lasso my foot."

## SMALL-TOWN LIVIN'

His father's family goes back 100 years in Caldwell County, N.C....Located 4 miles southwest of Hudson and 10 miles northwest of Hickory, one area is called "Bumtown" for all the Bumgarner's living on both sides of Deal Mill Road.

## RURAL NORTH CAROLINA

Graduated from South Caldwell High School in Hudson, N.C., a town of 2,800 people, 90 minutes northwest of Charlotte...notable alumni include country musician Eric Church.

"You wave at everybody you see, pretty much," he says.

## ALMOST A HEEL

Was committed to play baseball at the University of North Carolina before signing with the Giants as the 10th overall pick in the 2007 draft...the Tar Heels also had Matt Harvey and Rick Porcello as part of that same recruiting class.

## CASHIN' IN HIS RIDE

Sold his 2018 Ford Shelby GT350 Custom Coupe for \$88,000 at the 2020 Barrett Jackson car auction.

## PERSONAL

- ♦ Married high school sweetheart, Ali, on Valentine's Day 2010...the story of giving her a 5-day-old bull calf as a wedding present has been exaggerated...he says Ali wanted a calf and he bought her one.
- ♦ He was married in a white, open-collar shirt and blue jeans while carrying a pocket-knife.

## UNLUCKY INJURIES

- ♦ Was on the injured list from April 21-July 15, 2017 with bruised ribs and a sprained left AC joint after a dirt bike accident on an off-day in Colorado.
- ♦ Fractured his left hand on a come-backer during Spring Training in 2018 and was on the injured list from March 28-June 5.

ORGANIZATION

CAREER TRANSACTIONS

- ♦ Signed by Giants as first-round selection (10th overall) in First-Year Player Draft (Aug. 14, 2007) [signed by: Pat Portugal/Giants].

## A D-BACKS FAN

Grew up a D-backs fan and said he was the only member of his house awake for Luis Gonzalez's walk-off hit in Game 7 of the 2001 World Series.

"This is really kind of a dream come true, honestly," Calhoun told media. "I'm born and raised here. Grew up a Diamondbacks fan. I think anybody who dreams of playing in the big leagues and you get there, your dream has really come true. But as a kid growing up, I always dreamed of playing for the Diamondbacks and now I've got that opportunity. I couldn't be more excited."

## FAMILIAR FACE

## REMEMBERING TYLER SKAGGS

- ◆ Hit a home run in the Angels' 9-4 win @ Rangers on July 2, 2019, the club's first game following the death of Tyler Skaggs on July 1.

"Kinda felt right. We know we have an Angel watching over us now," Calhoun said to media in a postgame press conference. "When I got to the plate, it just felt right to pay some respects to him. We know we have someone watching over us up there. Today was just different. There is no playbook on how it's supposed to go today, and how you are supposed to act and react, but getting back to the game is definitely what he would have wanted and I think this is a time, and today was a day, that we leaned on each other like we really needed to."

## 2019 REVIEW

- ◆ Appeared in 95 games with the Tigers, batting .210 (67-for-319) with 15 doubles, 13 home runs, 35 RBI and 29 runs scored...set career highs in doubles, home runs and RBI.
- ◆ Made 55 starts at catcher without making an error, the fifth catcher in Tigers history to go an entire season (min. 50 games) without committing an error and the first since James McCann in 2015 [source: STATS LLC].
- ◆ 7 of his 13 home runs came in the seventh inning or later, and 5 came in the ninth inning (3 go-ahead).

## BABIP

Posted a .357 batting average on balls put in play (BABIP) from 2016-18, the second-best mark among Major League catchers in that time [min 100 PA] and .071 points higher than Major League average (.286).

## IT'S A BOY!

He, and wife, Leslie, revealed that the pair was expecting their first child on the field at Comerica Park during batting practice in 2019.

## GOOCH U

- ◆ Went to Goochland (Va.) High School, the same school that produced Justin Verlander...Hicks' older brother, Daniel, played high school baseball with Justin and remains best friends with him to this day...John is close to Justin's brother, Ben.
- ◆ Hicks hit a game-winning, solo home run in the ninth inning off Verlander on Aug. 21, 2019 @ Astros.
- ◆ Hicks was high school travel ball teammates with Seattle Seahawks quarterback Russell Wilson...he later recorded 2 hits off Wilson when the pair faced off while Hicks was at the University of Virginia and Wilson was at North Carolina State.
- ◆ Goochland is less than an hour away from Virginia and roughly 30 minutes outside of Richmond...Goochland County is also the birthplace of U.S. Founding Father and third President, Thomas Jefferson.

"Believe it or not, he was big," Hicks told *The Seattle Times* of Russell Wilson in 2013. "I think he hit his growth spurt a little earlier than everyone else. Obviously, he had a lot of talent, and I think he matured a little quicker than everyone else. He was kind of a step above a lot of people...As you can tell from football, he's got a great arm," Hicks later added about their collegiate match-up. "He was a low-90's guy who had a good slider in college. I actually remember both hits I had against him. One was a double down the line. And I singled off him. One pitch was a fastball, and the other was a slider."

## RANKED

Entered 2014 as the Mariners' No. 13 prospect, according to *Baseball America*, and the No. 17 prospect by MLB.com, a list which featured Ketel Marte in the eighth spot.

Named a California League mid- and postseason All-Star as well as Topps Class A-Adv. All-Star after hitting .312 with 32 doubles, 15 home runs, 79 RBI, 22 stolen bases and 87 runs scored in 121 games for Single-A Adv. High Desert (Mariners).

## NOT ON MY WATCH

While catching for Single-A Adv. High Desert in 2012, set a California League record by throwing out 53.8 pct. (57-for-106) of attempted basestealers.

"Delino DeShields Jr. came to our place with 99 stolen bases," Hicks recalled. "He was trying to get to 100. It was the second-to-last game of the year. I was catching and I threw him out twice. I kept him at 99."

## TOP CHEF

His wife, Leslie, claims that John makes the best cheesecake...FOX Sports Detroit even did a cheesecake baking feature with Hicks in 2018.

JAZZ HANDS!

Earned the nickname "Jazz" as a kid due to his propensity to dance whenever music of any kind came on...resulted in him rooting for the Utah Jazz and selecting the moniker for his 2019 Player's Weekend jersey.

"When I was a kid, anytime music would come on, I would start dancing," Hicks told MLB.com. "It started out like, 'You're a little jazz man. You've got the moves.' And then, it just got shortened to Jazz...When I'm back home in Virginia, probably 80 percent of the people that I'm close with at home call me that."

- ♦ Hit .245 (77-for-314)/.348 OBP/.478 SLG with 19 doubles, 18 home runs, 47 RBI, 48 walks and 46 runs scored in 111 games in his first season with the D-backs...37 of his 77 hits (48.1 pct.) went for extra bases.

- ♦ Posted the highest slugging pct. (.490) and OPS (.844) by a catcher in team history, while his on-base pct. (.354) was second to Montero in 2012 (.390) and average (.250) was ninth [stats as C only].

- ♦ Entered 2019 rated by *Baseball America* as the D-backs' No. 4 prospect and Best Defensive Catcher.

## GOOD FIRST WEEK

- ♦ Made his D-backs debut on March 29, 2019 @ Dodgers and delivered the game-winning, RBI double in the 13th inning of a 5-4 win.
- ♦ 8 days later, he recorded his first career walk-off hit (single) on April 6 in a 5-4 win vs. Red Sox.

Received an Economics degree from Oregon State University in April 2018...took 5 online courses during Spring Training in 2018 to complete his degree.

## WEAVING A FRIENDSHIP

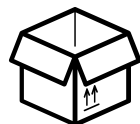

- ♦ Has been teammates with Luke Weaver dating back to 2015 when the duo both played for Single-A Adv. Palm Beach, where they were roommates.
- ♦ Weaver and Kelly were traded with each other from the Cardinals to the D-backs in the deal that sent Paul Goldschmidt to St. Louis.
- ♦ Kelly caught 11 of Weaver's 12 starts in 2019.
- ♦ In 27 career Minor League outings together, Weaver was 14-5 with a 1.58 ERA.

## INSTABET

After being acquired by the D-backs in Dec. 2018, Kelly did an Instagram Live chat with Luke Weaver where it was pointed out by a fan that neither player had hit a home run in the Majors...the 2 players decided to bet on who would homer first, a bet that Weaver (March 31 @ Dodgers) would go on to win (Kelly hit his first home run on May 4 @ Rockies)...as of Spring Training 2020, the bet still hasn't been settled.

## FAMILY BUSINESS

Brother, Parker, was selected by the Cardinals as a pitcher in the 20th round of the 2018 draft...he was 3-6 with a 4.08 ERA in 21 games (9 starts) for Single-A Peoria in 2019.

Was born in Chicago but moved after 6 months...also lived in Toronto for 2 years.

## SPRING BREAK...WOO!

## GIVE 'EM THE HEATER!

According to *The Athletic*, Kelly's average fastball velocity increased in all 4 years in the KBO: 89.5 in 2015, 90.8 in 2016, 91.8 in 2017 and 92.5 in 2018.

"One big thing is just the maturation of my body getting stronger as I got older," Kelly said about his increased velocity. "The next part would be the progression of my mechanics. When I first came to Korea, I was not very good at using my whole body, including my legs, when delivering the ball. Over the past couple of years, I have tried to focus on using more of my body to throw."

## DRAFT DAY EXPERT

Was selected in the First-Year Player Draft on 3 occasions: 2007 by the Orioles (37th round; did not sign), 2009 by the Indians (22nd round; did not sign) and 2010 by the Rays (8th round).

## WINTER CLASSIC

Participated in the 22nd annual D-backs Winter Classic Holiday Party presented by University of Phoenix on Dec. 5, 2019...he helped distribute shoes and threw wiffle ball batting practice to more than 700 local children in attendance.

## 2019 REVIEW

- ◆ Limited to just 78 games in an injury-shortened campaign, hitting .193 (36-for-187) with 8 doubles, 6 home runs, 30 RBI and 32 walks.
- ◆ On 10-day injured list from April 5 (retro to April 4)-June 26 with a strained left quadriceps.
- ◆ Started 34 games at third base and 19 at first.
- ◆ Totaled 3 home runs off left-handers (28 PA) after none in 2018 (54 PA).
- ◆ 5 of his 6 home runs came as a third baseman.

- ◆ Set career highs in hits (133), homers (30), RBI (105), walks (87) and runs (89), and hit .248 AVG/.357 OBP/.487 SLG with 30 doubles in 149 games with the D-backs.
- ◆ Selected to his first NL All-Star Team, the second third baseman in team history to play in the Midsummer Classic (Matt Williams, 1999).
- ◆ Became the eighth D-back (14th time) to reach 100 RBI...he and Paul Goldschmidt (120) were the second set of D-backs teammates to reach the 100-RBI mark (Jay Bell, Steve Finley, Luis Gonzalez and Williams in 1999).
- ◆ Was 1 of 2 Major League third basemen with 85+ walks and 85+ runs (also: Kris Bryant; 91 walks, 108 runs).
- ◆ Ranked sixth in the NL in walks and seventh in RBI.

**POSTSEASON:** Batted .462 (6-for-13) in 4 games, including going 4-for-5 in the NL Wild Card Game vs. Rockies.

Has been named NL Player of the Week on 2 occasions: July 15-17, 2016 and May 15-21, 2017.

## EARLY STARTER

Set a franchise Opening Day record with 4 RBI on March 29, 2018 vs. Rockies...his 9 career RBI on Opening Day are also a club record.

## SEATTLE "KID"

- ◆ Grew up a big fan of the Seattle Mariners and his favorite player was Ken Griffey Jr...family had season tickets through his dad's company (second level, first-base line).
- ◆ Started playing baseball at 3 years old with a plastic bat and switch hit until he was 9, until he realized Griffey Jr. only hit left-handed.

## KIDS WITH COURAGE

- ◆ In 2018, started Jake Lamb's Kids with Courage community program, hosting patients from Phoenix Children's Hospital and their families throughout the season.
- ◆ Sister, Megan, had leukemia at 3, and is now cancer free...Jake is not a fan of hospitals, but he knows what the team's visits to Phoenix Children's Hospital mean to the community and to the kids, so he enjoys those visits.

"If we can just distract them for 5 minutes to a couple of hours and have them forget their current situation and just enjoy being around us and have some fun, then it's a win," Lamb told MLB.com in 2018.

## JD2

- ◆ Has "JD2" stitched into his glove for his family friend, Josh Dickerson, who passed away from rhabdomyosarcoma, a rare form of cancer...#2 was Josh's high school number at O'Dea High School (Jake's main rival school).
- ◆ Jake also wears a band with the same abbreviation, along with the words Courage + Belief = Life.
- ◆ Josh met Jake's sister, Megan, in a support group she was in after battling leukemia.
- ◆ Josh was first diagnosed with the cancer in the soft tissue of his wisdom teeth in 2009...he refused chemo his senior year of high school so he could play his final season...passed away in July 2012 when Jake was playing for Adv. Rookie Missoula.
- ◆ Weeks from dying, Josh brought a ball over and wanted Jake's autograph because it would be that of a Major Leaguer: "He was right."

## ZACK'S FAVORITE

Lamb on asking Zack Greinke about his favorite career strikeout:

"I asked him, 'Do you have a favorite strikeout? Is there a guy you idolized growing up that you struck out?'" Lamb told *The Athletic* in 2019. "He kind of gave me the nod, thinking, thinking and then he started laughing. Like, belly laughing.

I was like, 'You got one?' He was like, 'Yeah, it was actually here at Chase Field. I threw a changeup in the other batter's box and the guy swung and almost fell over.' I said, 'Zack... was that me 2 years ago?' He started laughing even louder. 'Yeah, that was you.'"

## U-DUB

- ♦ Attended the University of Washington...earned honorable mention All-Pac 12 in 2010-12 and Freshman All-American honors by *Collegiate Baseball* in 2010.
- ♦ In 2018, partnered with Washington to create a new charity program, "Jake's Corner," which provides opportunities for local groups to attend Husky baseball games free of cost...the program provides free tickets for participating groups, and in some instances transportation to and from the park.
- ♦ Was the only player since 1965 to record his combination of numbers (30+ doubles, 8+ triples, 26+ home runs) while playing third base.
- ♦ His .612 slugging pct. in the first half was the best in the NL and second best in team history, trailing Luis Gonzalez's .745 slugging pct. in 2001...also ranked among D-backs first-half leaders in triples (T-1st, 7) and homers (2nd, 20).
- ♦ Named the D-backs' 2016 nominee for the Hank Aaron Award.

## THROWING HEAT

The family went through 3 garage doors growing up because of the kids (3 brothers and 1 sister) trying to pitch.

## OUT THE GATE HOT

In 2015, set a club record with 7 RBI in the team's first 2 games, the first rookie to do so since Detroit's Johnny Groth in 1949 (also 7).

## ALL IN THE FAMILY

- ♦ Brother, Dylan, is a junior on the University of Washington baseball team...older brother, Dan, is a youth baseball coach in the Seattle area.
- ♦ Father, John, was a linebacker at Whitworth University in Spokane, Wash.

## CALL TO THE SHOW

- ♦ Cubs bench coach Andy Green was his Minor League skipper at Triple-A Reno when he was told he was called up to the D-backs in 2014.
- ♦ Jake's whole family but him were at his grandparents' Priest Lake, Idaho, vacation cabin when he called with the news...no one was available to pick up until the end of the day when his mom saw all the messages and got a hold of him...he said "I've got good news and I've got bad news. The bad news is your vacation is over. The good news is you're coming to Phoenix to watch me play in the Major Leagues."
- ♦ The family jumped in the car and drove to Spokane, Wash., to fly to Phoenix for his MLB debut the next day.

## STOCKED TROPHY CASE

Named the D-backs' 2014 Organizational Player of the Year, Southern League Most Outstanding Player and earned Second-Team Minor League All-Star accolades from *Baseball America*...also selected to the 2013 Arizona Fall League Top Prospect Team.

## LEAVING THE NEST

Lived with Archie Bradley for 4 seasons (2015-18) before moving into his own home after the 2018 season.

His grandmother says that he doesn't smile enough after hitting home runs.

## NOT EVEN MAD

Will Ferrell wore his No. 19 during "Ferrell takes the Field" in 2015, so Lamb switched to No. 22.

## #VOTELAMB

- ♦ Was a finalist for the NL in the 2016 MLB All-Star Final Vote contest.
- ♦ In promotion of his candidacy, the D-backs incorporated a variety of lamb-themed elements to Chase Field for the week, including bringing a live lamb to batting practice (photo below).

- ♦ Is also second cousins with Padres pitcher Luis Perdomo.

"He is really like my brother more than my cousin," Perdomo said. "We are really close. I have faced him plenty of times in live batting practice and, I gotta tell you, it wasn't easy. I would love to face him in Spring Training this year."

G-RAY-NKE

Developed a very close friendship with former teammate Zack Greinke...Ray attended both of Greinke's starts in the 2019 World Series - Game 3 in Washington D.C. and Game 7 in Houston.

"Haven't sat in the stands in over a decade," Ray captioned on his social media channels. "Only for my guy #21 #WorldSeries."

BREAKOUT SEASON

In 2017, finished second in D-backs history in opponent average, trailing Randy Johnson in 2004 (.197), third in strikeouts per 9.0 IP, behind Johnson in 2001 (13.41) and 2000 (12.56), ninth in ERA and tied for ninth in strikeouts.

GIVING BACK

Claims to have a mean competitive streak...fouled out of all but 1 of his high school basketball games, and lost a perfect game in high school after he threw at the other team.

HECKUVA YOUTH TEAM

As a kid, he played on the same Nashville-area travel ball team as 2018 American League MVP Mookie Betts...Ray was typically the 3 or 4 hitter on the team and claimed to hit "like, a homer a game. Sometimes 2 or 3 homers."

"I knew [Betts] was going to be really good," Ray told the *Arizona Republic* in 2019. "It was just a matter of the power developing, I guess. He was a gap-to-gap guy. He didn't really hit a ton of home runs. He still had his fair share of homers, but you could see the power was developing and it was just a matter of time. We were playing 3 or 4 sports and it just helped you to be athletic. It helps you in all the other sports. Every time I talk to younger kids, I encourage them to play multiple sports. It keeps you busy, one, and it keeps you in shape."

Had 9 starts of 2 or fewer hits allowed in 2018, tied with Chris Young/SD (2007) and Rich Hill/LAD (2017) for the second most such games in NL history, trailing only Nolan Ryan/HOU (10 in 1986)...it also tied for the most all-time by a left-hander with Blake Snell/TB (2018), Chris Sale/BOS (2018) and Hill (2017).

It's about love. It's about pulling for one another. It's about giving everything you have that night and preparing to win."

"My dad told me that (Daulton) was a great friend of his and that he was one of the hardest workers he knows. I can't thank him enough for naming me that...It's awesome. It's a good feeling to have being named after him, especially now that I'm a catcher. I would just look at that, and it inspired me to know that I'm named after a really great baseball player. It's a great feeling to have that I'm going to carry on the name a little bit."

## INSTABET

After being acquired by the D-backs in Dec. 2018, he did an Instagram Live chat with Carson Kelly where it was pointed out by a fan that neither player had hit a home run in the Majors...the 2 players decided to bet on who would homer first, a bet that Weaver (March 31 @ Dodgers) would go on to win (Kelly hit his first home run on May 4 @ Rockies)...as of Spring Training 2020, the bet still hasn't been settled.

"[Hitting the home run] was probably the coolest thing I've ever done," Weaver told the media. "Sometimes you pretend like you are a position player and take it seriously."

#### LUIS GONZALEZ AWARD

In 2015, the Luis Gonzalez Award was created, which will be given annually to the D-backs player who best exemplifies the talents, spirit and heart of the D-backs legend both on and off the field, as voted by his teammates, coaches and clubhouse staff.

**Eduardo Escobar** was honored in a pregame ceremony on Sept. 29, 2019 as winner of the annual award.

"Eduardo Escobar has a true passion for helping make his community a better place," said Gonzalez. "This year he focused on providing education for underprivileged kids and made sure he was able to visit kids at various schools every chance he could. He really stepped up and has set an incredible example amongst all of his teammates."

One of the most popular figures in Arizona Diamondbacks history because of the way he interacted with fans and his game-winning single in Game 7 of the 2001 World Series to give the organization its first World Championship, Gonzalez became the first former player to have his number retired by the D-backs during a pregame ceremony in 2010.

## RANDY JOHNSON ON MAY 18, 2004 @ BRAVES

Adept at setting records throughout his career, Randy Johnson added something new to his impressive resume when he retired all 27 Atlanta Braves he faced on May 18, 2004, at Turner Field. At 40 years, 251 days, he became the oldest pitcher in history to record a perfect game, bettering Cy Young, who was 37 years, 37 days on May 5, 1904. Johnson's gem was the 15th in modern day regular season history, the 16th including Don Larsen's perfect effort for the Yankees in the 1956 World Series.

Johnson fanned 13 in the 117-pitch performance which concluded with a 98-mph pitch to Eddie Perez to end the game. It was the first no-no in franchise history and first perfect game in the Majors since the Yankees' David Cone on July 18, 1999 vs. Montreal. It was also the first perfect in the National League since the Expos' Dennis Martinez on July 28, 1991 @ Dodgers.

Edwin Jackson tossed the second no-hitter in D-backs history and 278th no-hitter in Major League history on June 25, 2010, @ Rays in memorable fashion, as his 149th pitch induced Jason Bartlett's game-ending groundout to Stephen Drew. # JACKIE ROBINSON

## MLB CAREER

**YEARS:** 1947-1956

**AWARDS:** 6x NL All-Star (1949-54), 1947 Rookie of the Year, 1949 NL Most Valuable Player.

**NOTES:** Bud Selig announced on April 15, 1997, that Jackie Robinson's No. 42 was retired by Major League Baseball, barring players on any Major League club to wear the number...as an exception to the retired number policy, MLB has recently begun honoring Robinson's legacy by allowing players to wear No. 42 on April 15 each season to celebrate Jackie Robinson Day... for the 60th anniversary of Robinson's Major League debut, MLB invited players to wear No. 42 on Jackie Robinson Day in 2007...the gesture was originally the idea of Ken Griffey, Jr., who sought Rachel Robinson's permission to wear the number... after receiving her permission, Selig not only allowed Griffey to wear the number, but also extended an invitation to all clubs to do the same.

He had a 34-year career with the *Phoenix Gazette* from 1962-96. He covered the Phoenix Suns as a beat writer and broadcast analyst, which led to his book "The Little Team That Could...And Darn Near Did!," a look back at the Suns' 1976 NBA Finals run. Late in his career, he served as a contributing writer to D-backs Publications and the D-backs' and Suns' websites. Gilmartin's son, Leo, has been a member of the D-backs' broadcasting department since 1996.
