Oakland A's to Host ALS Awareness Day on Sept. 3 vs Yankees *\$5 from special event ticket sales will go toward ALS research*

OAKLAND, Calif. – The Oakland A's will host ALS Awareness Day at the Coliseum on Sept. 3, when the A's take on the New York Yankees in a 1:05 p.m. matchup.

Five dollars from every special event ticket sold for ALS Day will benefit the ALS Therapy Development Institute (TDI), a nonprofit biotech drug discovery center focused solely on ALS. Tickets can be purchased at athletics.com/als.

Additionally, a percentage of proceeds from all Stephen Piscotty jersey and T-shirt sales from the season will go toward ALS TDI.

Piscotty's mother, Gretchen, passed away on May 6 following a year-long battle with ALS. The Piscotty family is dedicated to raising awareness and funds to help find a cure for the disease. If you'd like to make a donation, visit youcaring.com/piscotty.
