**WINS AND LOSSES:** The Rangers have won 3 of last 4 G, assured of a .500-or-better spring win pct. with last night's win...team is 3-3 in last 6 G and has won 8 of 12, going 9-4-1 in last 14 G, 10-5-1 in last 16 G, and 13-7-1 in last 21 G...at 13-9-3 (.591) overall this spring, **team is 4th in Cactus League Standings** behind KC (.636, 14-8-3), CHC (.619, 13-8-4), and OAK (.609, 14-9-2)...the 13 wins are T3rd-most on circuit...team has not finished more than 2 G above .500 in ST since 2009 (21-14-0)...team is 9-2-1 at home and 9-3-1 overall in Surprise...Texas has 3 ties this spring (last 3/13 at MIL), 4th time in 5 years (2017-21) for Texas to have at least 3 ties in ST, this after none in 2020.

**ALL GOOD IN THE NEIGHBORHOOD:** The Rangers posted a decisive win over the Kansas City Royals on Friday night, defeating their complex neighbors by an 8-1 margin at Surprise Stadium. The offense showed impressive discipline at the plate, matching its spring high with 8 walks (also 3/16 at SF) against just 5 strikeouts. Half of those walks came in the club's 5-run 2nd inning, which was highlighted by David Dahl's 3-run home run onto the berm in straightaway center field. Leadoff hitter Isiah Kiner-Falefa posted an RBI single in the 2nd before scoring on the home run, and also came around to score on Joey Gallo's sacrifice fly after singling in the 1st.

Texas pitchers recorded a spring-high 13 strikeouts. Starter Taylor Hearn (3.0 IP, 1 R-ER, 5 SO) recovered well after a troublesome 1st inning that saw him exit with 2 outs and re-enter the game to start the 2nd. Relievers John King (2.2 SHO IP, 3 SO) and Josh Sborz (1.0 SHO IP, 3 SO) delivered strong efforts out of the bullpen. Matt Bush (0.1 IP) and Ian Kennedy (0.2 IP) were also scoreless, as both entered mid-inning while working on back-to-back nights for the 1st time.

**VS. OAKLAND:** Today is the last of 2 exhibition meetings between the Rangers and A's, with Oakland posting a 6-0 shutout in 7 innings on 3/11 in Surprise...the Rangers narrowly avoided being no-hit in that game, as Andy Ibanez's single with 2 outs in the bottom of the 7th marked the club's only hit...the divisional foes are once again slated for 6 series in 2021, though the 1st set is not until 6/21-24 in Arlington...Texas went 3-7 vs. OAK in '20, losing the season series for a 4th straight year.

• A pair of former A's are traveling with the Rangers today: CF Eli White (batting leadoff) and RHP Jharel Cotton (available out of bullpen)...INF Anderson Tejeda had a HR and 3 RBI in his ML debut on 8/6/20 at OAK.

**GIVE ME ALL THE 'B' GAMES:** The Rangers this morning were scheduled to play a 'B' game vs. KC at 10am AZ time on Nolan Ryan Field...probable pitching: RHP Jason Bahr, RHP Joe Gatto, RHP Yerry Rodriguez, RHP Ronny Henriquez vs. RHP Wade Davis, RHP Scott Barlow, RHP Jesse Hahn, RHP Brad Brach...TEX enters today 4-1-2 in 'B' games this spring (3-1-1 vs. KC).

**THE GALLO UPDATE:** Joey Gallo ranks among Cactus League leaders in HR (T3rd, 5) and RBI (T7th, 12)...the 12 RBI are tied with Adolis Garcia for the club lead...Gallo had a walk, sac fly, and scored a run last night vs. KC...8 of his 11 spring hits have gone for extra bases (5 HR, 2 2B, 1 3B)...owns a .297/.400/.811/1.211 slash line, but is just 5-for-24 in his last 10 G to drop BA from .429...hit HR in 5 of his 1st 6 G this spring (last on 3/9 vs. CLE)...the club record for spring HR is 8 by Mark Teixeira in 2003...6 others are T2nd w/ 7 HR in one spring: Pete Incaviglia (1986), Ruben Sierra (1989), Dean Palmer (1994), Hank Blalock (2004), Kevin Mench (2006), Josh Hamilton (2009).

**UPCOMING BROADCASTS:** Though there will be no Texas broadcast of today's game, each of the club's final 3 exhibition games will be available to fans in some form...Sun. vs. CHC: TV broadcast on FSSW+, radio on 105.3 The FAN; Mon. vs. MIL (in Arlington): radio on 105.3 The FAN, Spanish radio on 1270 AM; Tues. vs. MIL (in Arlington): TV on FSSW, audio webcast on texas-rangers.com, Spanish radio on 1270 AM.
