GLOBE LIFE FIELD

OPENS IN 2020

A new ballpark for the Texas Rangers is coming to Arlington for the 2020 season.

Globe Life Field, which is being built as a public-private partnership between the City of Arlington and the Rangers, will not only be the team's new home but also a multipurpose sports and entertainment venue that will include capabilities for hosting high school, college and international sports as well as entertainment tours.

The official groundbreaking for Globe Life Field took place on September 28, 2017 with construction beginning the following week. The new 1.7 million square foot ballpark, which will be located on 13 acres just south of the current Globe Life Park in Arlington, will include a retractable roof for climate control and shelter for fans during the hot summer months. Seating capacity is expected to be approximately 40,000 for Globe Life Field.

Excavation on Globe Life Field was completed in February 2018 with approximately 1.3 million cubic yards

of dirt being removed from the site by an estimated 97,000 total truck loads over a five-month span.

The new venue will also complement and enhance the fabric of the surrounding Texas Live!, a mixed-used development created by The Cordish Companies that will feature outstanding dining and entertainment options when it opens in the summer of 2018. Loews Hotels & Co. is also constructing the adjacent Live! by Loews – Arlington, TX hotel and convention center which is scheduled for a 2019 opening.

The project cost for Globe Life Field is approximately \$1.1 billion. The master agreement for this public-private partnership calls for a 50-50 split between the Texas Rangers and the City of Arlington, with the City's financial contribution capped at \$500 million. The Texas Rangers' original 30-year lease on the City-owned Globe Life Park in Arlington was set to end in 2024. With the new master agreement, the Rangers' partnership with Arlington extends until January 1, 2054.

The Rangers and the City of Arlington announced the master agreement for the ballpark partnership on May 20, 2016 with unanimous approval for the agreement coming from the Arlington City Council on May 24, 2016. Arlington's ballpark bonds to finance the project were approved by voters in a City referendum on November 8, 2016. The Rangers and Globe Life And Accident Insurance Company (Globe Life) announced an extension of their naming rights partnership that established Globe Life Field as the name for the new ballpark on August 24, 2017.

Nationally renowned sports and entertainment design firm HKS is the architect for Globe Life Field. HKS, which has its main headquarters in Dallas, served as architect-of-record on then The Ballpark in Arlington (now Globe Life Park in Arlington), which opened in 1994. Manhattan Construction Company is the project's General Contractor after previously serving in that role for The Ballpark in Arlington.

Texas Rangers fans are able to watch the construction progress of Globe Life Field, through the lens of a time-lapse camera, which is programmed on a delayed basis and can be viewed 24 hours a day at texastrangers.com/globelifield.

TEXAS RANGERS

OPENS IN WEST DALLAS

Youth baseball and softball in North Texas celebrated an historic milestone on December 19, 2017 with the Official Ribbon-Cutting of the Texas Rangers MLB Youth Academy at Mercy Street Sports Complex presented by Toyota in West Dallas.

The Rangers, Texas Rangers Baseball Foundation, Major League Baseball, the Major League Baseball Players Association and Dallas-based Mercy St. partnered to build the new state-of-the-art facility, which provides free (or reduced cost) and year-round opportunities for North Texas youth, on the 17-acre site at the intersection of Hampton and Bickers.

The facility becomes MLB's eighth Youth Academy to be completely open with three others in development.

The Texas Rangers MLB Youth Academy at Mercy Street Sports Complex presented by Toyota includes five fields and the Globe Life Training Center. In addition to the Oates Field, the Clayton Kershaw Challenge Field, Josh "Hambone" Hamilton Field, Field of Dreams, and the Mimi's T-Ball Field on the south side of the facility are already opened and are being utilized for games and clinics.

The Globe Life Training Center is nearly 39,000 square feet and the indoor facility houses Adrian Beltre Field, which is a Major League size infield; the Ian Desmond training room; Origin Bank Conference Room, four classrooms supported by the Hamels Foundation; weight room facilities, Academy staff offices, and a concession stand.

Oates Field *presented by Papa John's* has been completely renovated into a regulation size diamond with grandstand seating for nearly 750, a press box, and new field lighting. It will serve as the home field for both Pinkston and Sunset High Schools beginning this spring and will be the site of numerous local and national youth tournaments. The Oates Field facilities also include the Prince Fielder batting cages.

The Texas Rangers MLB Youth Academy is available to children throughout North Texas, especially the more than 9,000 kids who live within the West Dallas neighborhood and youth from the greater Dallas-Fort Worth Metroplex area. In addition to providing year-round baseball and softball instruction and play, including hosting tournaments, coaching clinics and skills camps, the Academy will provide youth with access to tutoring programs, college prep classes, college and career fairs, financial literacy and internship programs, courses teaching math through the use of baseball statistics, and MLB industry alternative career workshops.

Youth also have opportunities to be involved in drug resistance and gang-prevention programs and healthy lifestyle classes. Additionally, all Academy members and other community youth benefit

from Academy facilities and programs through baseball vocational programming, such as umpiring seminars, athletic field management, scouting and player development, sports information training, and athletic sports training.

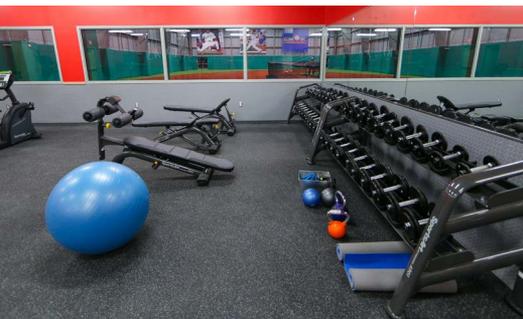

In addition, Buckner International has partnered with the Rangers to operate a satellite Family Hope Center at the Texas Rangers MLB Youth Academy. The goal is to provide services to children and families using the Youth Academy baseball facilities to strengthen families in the community.

The Texas Rangers Baseball Foundation employs staff to oversee the Academy, and works with Mercy Street and their existing programming. The operations of the Academy are covered entirely by the Texas Rangers Baseball Foundation, which also will provide equipment, supplies, utilities and other operating costs.

Current and former Rangers players Adrian Beltre, Ian Desmond, Prince Fielder, Cole Hamels, Josh Hamilton, Jeremy Jeffress, Martin Perez, and Tyson Ross as well as Rangers Hall of Famer Michael Young have all made financial donations for construction and programs at the Youth Academy.

The Youth Academy was designed by Sterling Barnett Little, Inc. of Arlington with Dallas-based Skiles Group serving as the general contractor. Paragon Turf Technologies of Phoenix, Arizona installed the turf facilities.

More information on the Texas Rangers MLB Youth Academy at Mercy Street Sports Complex *presented by Toyota* can be found on the Texas Rangers Foundation page at texastrangers.com.

BOB R. SIMPSON

CO-CHAIRMAN

Bob Simpson is currently Chairman of MorningStar Partners, the manager of Cross Timbers Energy, LLC, a 50/50 joint venture between ExxonMobil and MorningStar Partners. Cross Timbers is focused on conventional oil and gas exploration and production onshore in America. He also serves as the Chairman of Southland Royalty, an oil and gas exploration company that is a joint venture with Encap. Previously, Mr. Simpson was Chairman of the Board and Founder of XTO Energy Inc.

XTO began as Cross Timbers Oil Company in 1986 by Mr. Simpson and two partners after Southland Royalty Company was acquired through a hostile takeover. One of the first acquisitions made by the new company was a bronze by artist Jack Bryant purchased at a charity fundraiser. The statue, entitled "I'll Be Back", depicting a retreating cowboy shaking a defiant fist, seemed to sum up his corporate philosophy. Under Mr. Simpson's leadership, XTO became the largest producer of natural gas in America. In June of 2010, ExxonMobil acquired XTO Energy for \$41 billion.

Mr. Simpson and XTO Energy have received many honors and accolades for the success of the company.

From 2005 through 2008, Mr. Simpson was named by Barron's in their "30 Most Respected CEOs in the World". Oil and Gas Investor magazine named Mr. Simpson their "Executive of the Year" in 2006. Institutional Investor magazine named him their "Best CEO" among Oil and Gas Exploration and Production Companies in April 2009. He continues to be recognized for his contributions and leadership – in addition to the Cornerstone Award he has been honored by the National Historic Trust at their Restore America Gala for his contributions to historic preservation and Texas Wesleyan University has named him as their 2007 Executive Man of the Year for their Business Hall of Fame. He has also purchased the grand champion steer at the Fort Worth Stock Show and Rodeo, from 2005 - 2008, with the proceeds going to educational scholarships.

The Texas native, youngest of four brothers, grew up on a Cisco ranch and was salutatorian of his high school graduating class. He attended Baylor University on a bank scholarship where he earned a BBA degree in Accounting with honors and then an MBA. Mr. Simpson served in the Texas Army National Guard after graduation and then earned his CPA designation.

JON DANIELS

PRESIDENT, BASEBALL OPERATIONS & GENERAL MANAGER

Jon Daniels was promoted to President, Baseball Operations & General Manager in March 2013. He became the eighth General Manager in Texas club history on October 4, 2005. His 12 full seasons at the helm are the most ever for a Rangers General Manager, two more than Tom Grieve (10, 1985-94).

Under Daniels' leadership, the Rangers have advanced to the postseason five times in the last eight years, matching the New York Yankees' Brian Cashman, St. Louis' John Mozeliak, and Andrew Friedman of Tampa Bay (2) and Los Angeles Dodgers (3) for the second most among all Major League GM's in that period behind Dave Dombrowski of Detroit (4) and Boston (2). Daniels also has the most playoff appearances ever for a Texas General Manager (Doug Melvin-3). Texas has recorded consecutive A.L. West Division titles twice in Daniels' tenure (2010-11; 2015-16).

The Rangers have posted a 1019-926 (.524) regular season record in Daniels' 12 seasons leading the club's baseball operation. Over the last nine years (2009-16), Texas has the fourth highest winning percentage in the majors at .538 (785-674), winning at least 87 games seven times.

In 2016, the Rangers posted the best record in the American League at 95-67 while leading the A.L. West Division for the season's final 126 days. The previous year, the club rallied from a 9.0 game deficit on July 22 to clinch the A.L. West title on the final day of the regular season.

Texas went to the postseason in three consecutive years from 2010-12 after making just three total playoff appearances in the franchise's first 49 seasons. With consecutive World Series appearances in 2010-11, the Rangers join Blue Jays (1992-93), Yankees (1998-2001), and Royals (2014-15) as the only franchises to win back-to-back American League pennants in the last 25 years. Daniels joins Cashman (6), the Giants' Brian Sabean (4), the Royals' Dayton Moore (2), and Mozeliak (2) as the only General Managers to make more than one World Series appearance with his current team.

The Rangers accomplishments earned Daniels *Baseball America's* 2010 Major League Executive of the Year. He was also selected as the 2011 Major League Executive of the Year by the Boston chapter of the Baseball Writers Association of America.

The three playoff appearances represented the culmination of a dramatic seven-year period in which the club completely overhauled its farm system and

developed an organizational philosophy based on strong scouting and player development. That has been supplemented by acquiring a talented group of players through trades and free agency.

Success at the Minor League level has been a priority for Texas. Three of Texas' affiliates qualified for postseason play in 2017 with Down East capturing the Carolina League Co-Championship in its first season as a Texas affiliate. The organization has now earned High-A league titles in consecutive seasons (High Desert in California League in 2016).

During Daniels' tenure, the organization has stressed a "People First" mentality, prioritizing family, as well as personal development in addition to on-field production. In addition, the Rangers have placed a greater emphasis on international scouting, added to the player development, amateur, and professional scouting staffs, and stabilized the leadership in each department. The emphasis has been reinforced by the signing of several highly-touted players in Latin America and the Pacific Rim. Texas is reaffirming its commitment in Latin America with the ongoing construction of a new Academy in the Dominican Republic, which is scheduled to open in 2019.

Over the last several years, the club has also placed a greater focus throughout the major and Minor League organizations on baseball research and development.

In addition, the Rangers were selected as the 2012 Topps Organization of the Year that annually highlights the Major League team that has shown outstanding performance, depth, and talent throughout its major and Minor League teams. It marked the first time the Washington/Texas franchise has ever been so honored in the 47-year history of the award.

Daniels joined the Texas organization in 2002 as a baseball operations assistant. He was promoted to Director of Baseball Operations in October 2003 and Assistant General Manager in July 2004. He spent the 2001 season working for the Colorado Rockies' Baseball Operations Department.

At the time of his appointment as Rangers' General Manager, Daniels was 28 years, 41 days old, the youngest general manager in Major League Baseball history.

A 1999 graduate of Cornell University in upstate New York, Jon earned his degree in applied economics and management. He is a native of New York City.

Jon and his wife, Robyn, were married in November 2003. The couple resides in Southlake with their three children.

JOE JANUSZEWSKI

EXECUTIVE V.P., CHIEF REVENUE & MARKETING OFFICER

Joe Januszewski is entering his 20th season in Major League Baseball and 8th since joining the Rangers as Executive Vice President in January, 2011. Over the past two decades he has held a variety of business roles for three Major League teams including the Rangers, Boston Red Sox, and San Diego Padres. He is currently responsible for oversight of all team revenue streams, including ticketing, corporate partnerships, and media sales. Januszewski also leads the club's marketing, promotions, in-game entertainment, productions, ticket operations, and business analytics departments.

Joe is part of the team involved in the design of the Rangers new \$1.1 billion retractable roof ballpark that broke ground in Arlington in September of 2017, and is scheduled to open in 2020. He led the team's efforts to secure a naming rights partner for both the current and new Rangers ballparks, resulting in a deal with Torchmark for Globe Life Park in Arlington, announced in February 2014 and the recently announced Globe Life Field. The Rangers are also building a \$250 million entertainment district contiguous to the new home of the Rangers. Texas Live!, a partnership with the Cordish Group, will open in 2018. Joe has oversight of all ticket and sponsorship sales at the new ballpark and entertainment district. The Rangers will be selling all founding partnerships, suites, and premium seats for the new ballpark. To support that effort, the Rangers are designing a sales preview center that will open in the summer of 2018. Housed in the space previously known as the Hall of Fame at Globe Life Park in Arlington, the new sales center will be a showcase of technology and design to educate and inspire Rangers and sports fans about what is going to be a new and exciting way to experience pro baseball in North Texas.

Januszewski has re-organized and brought together various team members to form a dedicated Business Analytics department. With the growing importance of data driven solutions to business challenges, this new department is charged with designing better ways to innovate and deliver solutions to both Rangers fans and employees. Joe has expanded the club's digital ticketing initiatives, as well as adding more mobile technology-based enhancements to the fan experience in concert with Major League Baseball. He also launched Rangers Destinations, a travel program that has brought fans on the road to several cities over the past several years.

In 2016, the Rangers purchased a High-A Minor League franchise. Joe served as the inaugural President of the Down East Wood Ducks, overseeing the build-out of the new team, including the hiring of all staff, operations, sales, brand and design, concessions, and merchandise. The "Woodies" concluded their inaugural season of play in Kinston, North Carolina, as 2017 Co-Champions of the Carolina League.

In Joe's tenure in Boston, the Red Sox corporate sales department grew revenues 300% and saw the number of sponsors increase 100% to over 100 corporate clients. As Senior Vice President, Joe also oversaw Fenway Enterprises, which sells and operates non-baseball events at Fenway Park, as well as the operation of the team's year-round tour and mascot programs. Januszewski built and guided the club's membership programs, which include Red Sox Nation and Kid Nation. In 2004, Joe launched Red Sox Kid Nation, the first kids club in team history, helping it to become the largest youth membership club in MLB at the time.

In 2010, Januszewski was part of the business team that led the successful acquisition of Liverpool Football Club for Fenway Sports Group. He also worked with Fenway Sports Management since its creation in 2004, serving as Senior Vice President selling local, national and international properties for the sales agency. Previous to Boston, he worked for three years with the San Diego Padres as Manager, Corporate Development. He started his professional sports career in his home state with the Rangers, working in the corporate sales department in 1999. NORMAN B. LYONS, JR.

He worked on the club's negotiation of a Master Agreement announced in May of 2016, which authorized the City to call a bond election in November of that year. In advance of the election, Rob worked on the "Vote Yes!" campaign, which resulted in Arlington residents approving the ballot language by a 60-40 margin. The citizen approval allowed the Rangers and City to move forward on the ballpark project, and to extend the lease agreement between the partners until January 1, 2054.

Beginning in 2014, Matwick led the team in discussions with The Cordish Companies, a world class development firm based in Baltimore, which is widely considered the country's leading developer of mixed use/entertainment developments. By the close of 2015, the Rangers, Cordish Companies and City of Arlington reached agreement on a \$200 million dollar public-private partnership called Texas Live!, which will feature dining, entertainment, a first-of-its-kind Live! by Loews Hotel and convention facilities. In September of 2016, the same partnership announced an expanded \$250 million first phase of the project, which increased the total development to more than 500,000 square feet. Texas Live! is expected to open its doors in August of 2018, adjacent to Globe Life Park.

From 2009 through the 2015 season, Rob oversaw the major capital improvements at Globe Life Park, including the addition of Home Plate Seats, installation of new video boards and audio systems, the reconstruction of Vandergriff Plaza, and the renovations of the Hall of Fame, Capital One Club, Jack Daniel's Club, suites kitchen and the Cholula Porch.

In the summer of 2015, Rob worked with the City of Surprise on an extension of the club's lease agreement, and the renovation of the training facility in Arizona, which was completed on time for the start of Spring Training in 2016. He has also supported the Baseball Operations staff in site acquisition and purchase of land in the Dominican Republic for construction of a Rangers Academy in that country.

The following year, he added oversight of the ticket sales department for the Tigers and oversaw both areas until joining the Rangers in June 2008.

Previously, Matwick spent more than 21 years with the Houston Astros, where he worked in the roles of Director of Media Relations (1985-99), VP of Operations and Communications (1999-2000), and Senior VP of Ballpark Operations and Customer Service (2001-06). Originally selected by Texas in the supplemental first round of the 1999 June draft, he ranks among all-time club leaders in starts (4th, 194), wins (6th, 77), and innings (6th, 1174.1). During that career-ending span, he missed nearly 2 1/2 seasons in 2012-13 following procedures on his elbow and hip, and he would become the first professional baseball player to successfully return from hip resurfacing surgery. Lewis pitched for five of the eight postseason clubs in Rangers history during his final stint with the team (2010, 2011, 2012, 2015, 2016), amassing a career 4-1 record and 3.11 ERA (19 ER/55.0 IP) over 10 games/9 starts in the playoffs. He has the most postseason wins and starts (tied) of any pitcher in franchise history, twice winning starts in the 2010 ALCS against the Yankees, including the series-clinching Game 6 victory to send Texas to its first-ever World Series.

NOTES // Averaged 13.6 pitches per inning out of the bullpen, lowest by any ML reliever, and the 2nd-lowest figure by any Texas reliever in a season since pitches were first tracked in 1988 (12.8 P/IP by John Barfield in 1990)...last ML pitcher with such a low average while tossing 65+ relief innings was ARI's Brad Ziegler (13.5 P/IP in 73.0 IP in 2013)...became just 2nd pitcher in club history to make 70+ appearances and a start in the same season, also Mitch Williams in 1987 (85 G/1 GS)...was 1st ML pitcher to pull that trick since TB's Steve Geltz in 2015 (70 G/2 GS)...Claudio's lone career start came on 5/2 at HOU (4.0 IP, 4 H, 3 R-ER), a last-minute outing after Cole Hamels was injured while warming up for the game...his 1st career save (5/5 at SEA) came same week as 1st start, just 9th pitcher (since 1969) w/ 1st start & save in 4-day span.

CAREER // Entering his 4th major league season, the 2014 Rule 5 Draft selection has played more games in the outfield (278) than any other Ranger over the past 3 seasons...the Rangers' 2015 Rookie of the Year will look to solidify an everyday role after appearing in fewer than 125 games in each of his first 3 campaigns with Texas...set career highs in batting average, on-base percentage, and home runs in 2017 while leading Rangers in starts both in left field and in the leadoff slot...had 25+ steals in both 2015 and 2017, becoming just the 3rd player in Rangers history with multiple such years before their age-25 season...in the minors, posted at least 50 stolen bases each year from 2012-14, including 101 steals in 2012, when he became the 1st player in minor league history with 10+ HR (12) and 100+ SB in the same year...was the 8th overall selection in the country by Houston in the 2010 First Year Player Draft...his father, also named Delino, had a 13-year major league career and is currently the manager for Louisville (AAA) in the Reds system.

STOLEN BASES // Posted a career-high and team-best 29 stolen bases in 2017, T4th-most in the A.L., falling short of the 1st 30-steal season by a Ranger since 2014...became just the 3rd player in Texas history with multiple years of 25+ SB through his age-24 season, joining Elvis Andrus (4) and Oddibe McDowell (2)...was 29-for-37 (78.4%) overall in steal tries, 14th-best pct. in the A.L. CAREER // Last season, the hard-throwing left-handed reliever missed the majority of the campaign following 3 surgeries to replace his colon with an internal reservoir in order to relieve his ulcerative colitis condition...he returned to the club with a dominant September stint and is expected to have no issues related to the surgeries at the start of spring training...originally acquired in the Cole Hamels trade with Philadelphia on 7/31/15, the 31-year-old Diekman has been a reliable presence in his Rangers tenure, compiling a 2.95 ERA and 1.125 WHIP across 103 games and 85.1 innings in a Texas uniform...among active relievers with 250+ career innings, Diekman's 11.03 strikeouts per 9 innings ranks 13th overall and 3rd among left-handers to only Aroldis Chapman (14.85 SO/9) and Andrew Miller (13.59)...he was one of only 16 ML pitchers with at least 66 appearances each year from 2014-16...worked in 191 games for the Phillies from 2012-15, with career bests of 73 appearances and 100 strikeouts in 2014...was drafted by Philadelphia in the 30th round of the 2007 draft out of Cloud County Community College in Concordia, Kansas.

SURGERIES // Missed majority of the 2017 campaign following 3 surgeries to replace his colon with an internal reservoir in order to relieve his ulcerative colitis condition...since being diagnosed in his youth, had been forced to manage the inflammatory bowel disease throughout his life...over the 2016 Thanksgiving holiday, had a "flare-up" in his condition which led to a recommendation by doctors to have a series of surgical procedures in which his colon would be removed and replaced with a reservoir to account for the loss of the colon...all three surgeries were conducted at the Mayo Clinic in Rochester, Minn...in the 1st surgery, his colon was removed and he was fitted with an ostomy bag on 1/25/17...the most extensive surgery then took place on 4/12/17, when doctors created a "J-Pouch" from his small intestine to create an internal reservoir which essentially replaced much of the colon's functionality...the final surgery on 6/9/17 was done to remove the ostomy bag.

OFFSEASON AWARDS // In January, was selected as the winner of the 53rd annual Hutch Award by the Fred Hutchinson Cancer Research Center in Seattle...the honor is given each year to an MLB player who best exemplifies the honor, courage and dedication of the legendary baseball player and manager Fred Hutchinson...was presented with the award in a luncheon at Safeco Field on 1/24/18...was also selected by the DFW chapter of the BBWAA as winner of the Richard Durrett Hardest Working Man Award (see separate box on page 93).

September/October relief leaders in both holds (T5th, 5) and opponent average (10th, .121)...set club record by opening a season with 5 outings of 3+ BF and no hits allowed (opponents were 0-for-15 with 7 K, 3 BB, and a SF)...retired one of 5 BF on 9/13 at SEA, when he was charged with each of his 3 R allowed on the year...had 5.0 scoreless innings over last 5 G, retiring 13 of 21 BF (2 H, 6 BB).

MINORS // Had 6 G on rehab assignment with Round Rock (AAA) and Frisco (AA) from 8/17-29: 1-0, 1.42 ERA (1 ER/6.1 IP), .143 (3-21) opp. avg., 0 BB/8 SO.

NOTES // Permitted 5 of 8 (62.5%) IR to score...finished 2 games and converted only save chance on 9/17 at LAA, the 5th rescue of his career...in that save, recorded 5 outs on 10 pitches, fewest pitches in a 5-out save since MIN's Matt Capps on 9/3/10 vs. TEX.

POSTSEASON // Has appeared in 6 of the Rangers' 8 postseason games since joining the club, his only career playoff action (7.0 IP, 7 H, 4 R-ER, 2 BB, 6 SO, 1 HR) in team's ALDS losses to TOR in 2015-16...in 2016, Jays went 5-for-8 with 2 BB and a HR in 2 G/1.0 IP...issued one run in 6.0 IP while working in 4 of the 5 games in the 2015 ALDS vs. TOR, tying Sam Dyson for club lead...pitched 2.0 scoreless innings each in Games 1 and 2 at Rogers Centre.

CAREER // The left-hander, who turns 27 on April 4, is seeking to build on a career-high 13 wins in 2017...one of just 12 American League pitchers with 30+ starts in each of the last two seasons, Perez already ranks 17th in club history in starts (113)...he is the first Ranger with consecutive 30-start campaigns since Matt Harrison in 2011-12...saw two seasons cut short in 2014-15 following Tommy John ligament replacement surgery on his left elbow on 5/19/14...produced a breakout April in 2014 and appeared to be on the verge of a strong season before his elbow issues arose...was selected the 2013 Rangers Rookie of the Year after posting 10 victories in his first extended major league action...the Venezuela native signed a four-year contract through 2017 with club options for 2018, 2019, and 2020 on 11/7/13...made his major league debut in 2012 at the age of 21, and was rated as one of the Rangers' top five prospects by *Baseball America* in five straight seasons from 2009-13.

COUNT ME IN // Perez leads all Texas pitchers in starts (65) and innings (383.2) over the past 2 seasons, when he became the 1st Ranger with consecutive 30-start campaigns since Matt Harrison in 2011-12...no Texas pitcher has done it in 3 straight seasons since Rick Helling (4, 1998-2001)...he is one of just 12 A.L. pitchers with at least 30 starts in both 2016 and 2017, joining Chris Sale and Wade Miley as the only left-handers on that list.

GROUNDING // Induced 32 GIDP's in 2017, 2nd-most in A.L. and T2nd-most in MLB to only TOR's Marcus Stroman (34)...it was also the 2nd-highest single-season total in club history to only Perez's 2016 total (36)...he is 1st pitcher with back-to-back seasons of 32+ GIDP's induced since NYY's Chien-Ming Wang in 2006-07...Perez's 47.9 groundball pct. was lowest in any season in his ML career...his career ground ball percentage of 51.6% is still the 11th-highest among active pitchers with 500+ innings in the American League...ranked 4th in the A.L. with a 54.0% GB pct. in 2016, 7th-highest in MLB...in 2014, led Rangers with 13 GIDP despite not pitching after 5/10 that year...had 4 GIDP's on 4/13/14 vs. HOU after 5 in previous start on 4/8/14 at BOS...first pitcher in club history with as many as 4 GIDP's in consecutive games, and first in MLB since CAL's Tommy John in 1984 (5/12-18).

POSTSEASON // Joined Jurickson Profar as the only Rangers on the club's 2016 ALDS roster to not appear against the Blue Jays that year...lone postseason outing remains his start in

2015 ALDS Game 3 vs. TOR, taking loss in 5-1 Texas defeat (5.0 IP, 6 H, 4 R-ER) in matchup with Marco Estrada.

2017 // Led staff in wins (career-high 13), starts (32), and innings (185.0)...also established a career high in strikeouts (115), 2nd on club (Darvish-148)...had team highs in losses (12) and hits allowed (221), both the highest figures of his career...opponents batted .301/.359/.453/.812, 2nd-highest BA and 5th-highest OBP among A.L. starters...his 1.535 WHIP was 7th-highest in A.L., also 9th-highest in club history by a qualifier...ranked among A.L.'s top 10 in following categories: hits allowed (2nd, 221), runs allowed (5th, 108), earned runs (T6th, 99), walks (T8th, 63).

THUMBING MY WAY // On the 10-day DL 6/23-7/2 with a fracture/laceration at the tip of his right thumb...did not require a rehab assignment...sustained injury when he caught his thumb in the hinge section of a hotel room door on evening of 6/22 in New York.

SUMMARY // Opened year by going 2-5 with a 3.77 ERA (24 ER/57.1 IP) after 10 starts through 5/24, with 4 of those 5 losses coming in a span of 4 starts from 4/19-5/6 in which the Texas offense totaled 7 runs...in next 11 starts from 5/29-8/4, went 3-5 with a 7.09 ERA (47 ER/59.2 IP) to raise ERA to a season-high 5.46...gave up 7+ runs in back-to-back starts to end that stretch...over final 11 starts beginning 8/9, went 8-2 with a 3.71 ERA (28 ER/68.0 IP) in 11 G/GS to drop final ERA from 5.46 to 4.82.

STREAKING // Won a career-best 7 consecutive starts (zero no decisions) from 8/9-9/8, T2nd-longest streak by a Texas starter in team history and longest since Kenny Rogers in 2005 (club-record 8)...the 7-G win streak (including no-decisions) ranked T4th in the A.L. in 2017 and T7th in MLB...became just the 3rd pitcher in Rangers history to win at least 6 straight starts on 2-or-more occasions (also 8/5-9/3/13), joining Rogers (3x) and Fergie Jenkins (2x).

TEXAS RANGERS RULE 5 DRAFT HISTORY, 1971-2017

The Rangers have selected 17 players in the Major League Baseball Rule 5 Draft, which takes place annually at the winter meetings, since the franchise moved to Texas after the 1971 season. Additionally, Texas has acquired 4 other players via trade on the day of the Rule 5 Draft. Players with at least three years of professional service who are not protected on a team's major league roster are eligible for selection by another club for \$50,000.00 (\$25,000.00 through 1984). If the player selected does not make the opening day major league roster and remain there for the duration of the season, he must be offered back to his original club for one-half the draft price. Texas selections:

He was designated for assignment by Texas on April 9, 2014 and returned to the Philadelphia Phillies, his original organization, on April 11, 2014.

CAREER // Still just 25 years old while entering his ninth professional season, Profar is seeking a return to regular big league action in 2018...saw limited stints with Texas last season, spending just over a month in the big leagues despite being on the Opening Day roster...has yet to play an entire season in the majors...had right shoulder surgery on 2/23/15 to repair a torn labrum, as shoulder issues caused him to miss nearly two full seasons in 2014-15...once rated one of the game's top prospects by several media outlets, he has seen action with the Rangers in 2012-13 and 2016-17...the Curaçao native homered in his first MLB plate appearance in 2012, the second-youngest to pull the trick in baseball history...he became the youngest position player in club history at the time of his debut, the first player born in 1993 to ever appear in the majors, and was the youngest player to appear in MLB in both 2012 and 2013...Profar was named the Rangers 2011 Tom Grieve Minor League Player of the Year for his performance at Hickory (Low-A), also winning the South Atlantic League MVP Award that year...appeared in back-to-back Futures Games for the World Team in 2011-12...signed at the age of 16 in 2009, he had already led his country to the Little League World Series title in 2004 and back to the title game in 2005...was also scouted for his pitching prowess, but signed as a shortstop.

POSTSEASON // Joined Martin Perez as the only Rangers on the club's 2016 ALDS roster to not appear against the Blue Jays...was previously named to Rangers' roster for the 2012 American League Wild Card Game, and hit a pinch single to left field to load the bases with 2 outs in the 9th inning on the first (and still only) pitch he saw in his postseason career...he became just the 6th teenager with a postseason hit, the first since Andruw Jones for Atlanta in 1996...also became the 8th-youngest player ever to appear in the postseason, youngest since Jones in '96.

2017 // Was a member of the Rangers' Opening Day roster and had 3 stints with Texas (Opening Day-4/29, 6/9-15, 7/5-7)...batted .172/.294/.207/.501 in 22 G after going 5-for-10 in last 3 G with Rangers...final game was 7/7 vs. LAA...lowest SLG of any non-pitcher/catcher in MLB last season (min. 70 PA's)...spent balance of season with Round Rock (AAA), batting .287/.383/.428/.811 (94-327) in 87 G while playing almost exclusively at shortstop...his 11.61 PA/SO ratio was 4th-best in PCL...team-high 25 doubles, and had more BB (43) than SO (33)...from 6/1-end of season at Triple-A, batted .298 (65-218) in final 59 G...batted .386 (34-88) against left-handed pitching...had a pair of 4-RBI games: 5/22 vs. Salt Lake and 7/29 vs. El Paso...played for Team Netherlands in 2017 World Baseball Classic, and was not selected to All-Tournament Team despite batting .464 (13-28) with a 1.266 OPS.

2016 // Profar returned to the majors for the 1st time since 2013 and batted .239 (65-272) in a career-high 90 games with the Rangers...was one of just 2 major league players to start at least 5 games at 5 different positions, along with HOU's Marwin Gonzalez...had starts in 8 of 9 spots in the batting order...went 1-for-5 in season debut on 5/27 vs. PIT, his 1st ML game since

9/27/13 vs. LAA...homered on 5/31 vs. CLE, his 1st in the majors since 9/26/13 vs. LAA when he was 20 years old...according to the Elias Sports Bureau, he was just the 2nd player in the last 25 years to homer at age 20 or younger and not hit his next ML long ball until at least age 23 (also SEA's Chris Snelling, who homered on 5/29/02 at age 20 and not again until 8/8/05 at age 23)...compiled a career-best 13-game hit streak beginning with season debut on 5/27-6/10, longest by a Ranger in 2016...matched the longest season-opening hit streak in Texas history, joining Al Oliver (13 G, April 7-23, 1979)...had 4 pinch RBI, T4th-most in the A.L...batted .284 in 41 G with Round Rock, batting .347 (17-49) with RISP for the Express...**2015** // Spent the entire 2015 season on the 60-day disabled list following right shoulder surgery to repair a torn labrum on 2/23/15 performed by Rangers Team Physician Dr. Keith Meister at the Medical Center of Arlington...officially placed on 60-day DL the following day...spent the year rehabbing and then combined to hit .256 (11-43) on a 12-G injury rehabilitation assignment with Hickory (A) and Frisco (AA) in August and September, appearing exclusively as the DH...had a .267 (20-91) average with 2 HR and 20 RBI over 20 G for Surprise in the Arizona Fall League from 10/22-11/10...his 20 RBI ranked 3rd in the circuit...also led AFL with 4 sac fies and ranked 2nd with 9.10 PA/SO...**2014** // Entered the season attempting to win a job as the starting 2nd baseman, but was on the Texas DL the entire season with a torn teres major muscle in his right shoulder...issues with his shoulder began during a spring weightlifting session, then he suffered the original torn muscle during a spring training game on 3/21 vs. MIL in Surprise...after resting the injury for several weeks, he began to bat in extended spring training games in Arizona, but reinjured the shoulder in late May and was shut down for another extended period...a late-season plan to play in the Arizona Fall League was scrapped when issues with the muscle continued, leading to September visits with sports medicine specialists Dr. James Andrews and Dr. Neal ElAttrache...**2013** // Started season in Round Rock (AAA), but was recalled on 5/19 when Ian Kinsler went on the DL...subbed as the club's regular 2nd baseman for a month while Kinsler was on DL before finishing the season in a utility role...had starts at 2B, SS, 3B, LF and as DH...ranked among A.L. rookie leaders in BB (5th, 26) and OBP (8th, .308)...led off game on 5/26/13 at SEA with a HR in what was his 1st career start in the leadoff spot...became the 5th-youngest player (20.095) to hit a leadoff HR in baseball history (credit David Vincent), youngest player with a leadoff HR since KC A's Lou Kimchoc (18.348), 9/28/58 at CWS...hit solo HR and scored both runs in Rangers 2-0 win 6/27/13 at NYY, as he remains the youngest (age 20.127) player, Yankee or visitor, to homer in the new Yankee Stadium...youngest to score all of team's runs in multiple-run SHO since Cardinals' Rogers Hornsby (20.026) on 5/23/1916 vs. BOS-NL...1st career walk-off HR 9/26/13 vs. LAA as pinch-hitter, joining PHI's Jimmie Foxx (5/14/28 vs. CLE) as only players in ML history w/ pinch walk-off HR before turning 21...made first ML appearance in left field on 7/6/13 vs. HOU after no games in outfield during his pro career prior to 2013...started just 2 of club's last 21 games, none of last 12...played for

2017 SEASON IN REVIEW

FINAL OVERALL RECORD: 78-84 (.481)

Tied for third in A.L. West Division, 23.0 games behind Houston

Home: 41-40 Road: 37-44

WINS AND LOSSES // The Rangers went 78-84 last season to finish tied with Seattle for 3rd place in the A.L. West, 23.0 games behind Houston. It was just the 2nd time in a 9-year span (2009-17) to finish with a losing record, and team's .481 win pct. marked 3rd-lowest in the last 14 seasons (2004-17) to only .414 in 2014 (.67-95) and .463 (.75-87) in 2007.

Texas dropped each of first 3 and 10 of season's first 15 games, matching season low at 7 games below .500 with a 13-20 record after loss May 8 at San Diego. Club then reeled off a season-best 10-game win streak from May 9-19, and sat at season-best 3 games above .500 both May 19 (23-20) and May 21 (24-21). Rangers were 21-24 from May 23-July 15 to sit at an even .500, winning 5 of last 6 games in that span. Had 8-14 mark from July 16-Aug. 8 to fall to 6-under, but team's 18-10 (.643) record from Aug. 9-Sept. 8 was 2nd-best in the A.L. in that span (CLE-.806, 25-6) and team was 2-over at that point. Beginning Sept. 9, Rangers lost 15 of final 22 games, including 8 of last 10, to end the year at 6-under.

Rangers were a season-high 3 games above .500 on both May 19 (23-20) and May 21 (24-21), and season-low 7 games below .500 on May 8 (13-20) and Sept. 28 (76-83). The 3-over high point marked 1st time club had not been 4-or-more above .500 in a season since 2007, when team was below .500 all year. Had a winning record 17 times, a .500 mark on 22 occasions, and were below .500 after 123 different games (75.9% of season). With a high of 3-over and low of 7-under, 2017 marked 1st time in club history for the season high point and low point to never be more than 5 games away from the midpoint (in this case, 2-under).

Texas was 43-45 (.489) in the first 'half', 9th in A.L. Rangers went 35-39 (.473) after the break, T10th in A.L., and just 2nd time since 2009 to have a post-break mark below .500 (29-38, .433 in 2014).

Rangers had a 34-42 (.447) record against A.L. West opponents, 2nd-lowest among West clubs in 2017 (Oakland was 32-44, .421), and the 2nd-lowest intradivision winning pct. for Texas beginning 2006 (.434, 33-43 in 2014). It was a nearly 200 percentage points decrease from the team's 47-29 (.618) mark against the West in 2016, which was Rangers' 3rd-best intradivision mark in club history. Texas went 18-16 (.529) vs. A.L. Central teams, 3rd straight year at .500-or-better. Team's 12-20 (.375) record vs. A.L. East marked 6th-lowest winning pct. ever against that division, 2nd-lowest beginning 1986 (10-23, .303 in 2014).

ATTENDANCE // The Rangers finished with a home attendance of 2,507,760 for 81 dates, and average of 30,960. It was a drop of 202,642 from the 2016 figure of 2,710,402, the 5th-largest decline in MLB to Kansas City (-337,342), Pittsburgh (-329,754), New York-NL (-328,980), and San Diego (-212,931). It was still the 14th-highest attendance in a season in franchise history and the 7th time in the last 8 years to crack 2.5 million. Club ranked 5th in the A.L. in attendance for a 2nd straight year, 12th overall in MLB. Rangers hosted 2 sellouts, fewest since 2008 (1): April 3 vs. Cleveland (season-best 48,350) and Aug. 12 vs. Houston.

BASERUNNING // Texas baserunners recorded 113 stolen bases, 2nd-most in the A.L. and 4th in MLB, the team's 2nd-highest total in the past 6 seasons (2012-17) to 149 SB in 2013. The Rangers were successful in 113 of 157 (72.0%) attempts, ranking 9th in steal pct. in the A.L. Club's 71.97 SB pct. was lowest since 2014 (64.0%), 4th straight year with a sub-74% SB rate.

Rangers had a season-high 5 steals on June 10 at WAS, most since 5 SB on Sept. 19, 2013 at Tampa Bay, and stole 4 bases 4 times. The 5 games with 4+ SB were tied with the Nationals for most in MLB, T4th-most in a season in Rangers history, and most for Texas since 2011 (6). Rangers' 44 caught stealing tied the Angels for most in majors, most by club since 2014 (59). Texas featured 2 of A.L.'s 10 players with 25+ steals in Delino DeShields (T4th, 29) and Elvis Andrus (10th, 25), but the duo was also among league leaders in caught steals: Andrus was 1st with 10, DeShields was T3rd with 8. Club was picked off 6 times, 5th-most in A.L.

BATTING // Texas finished with a .244 (1326-5430) batting average in 2017, 3rd-lowest in the A.L. and 5th-lowest in MLB. Only Toronto (.240) and Los Angeles-AL (.243) had lower figures in the junior circuit. It marked the 2nd-lowest average in team history (.217 in 1972) and Rangers' lowest in the DH era (since 1973), as previous average that low had been .249 in 1982. Club's .224 road average was 2nd-lowest in MLB in last 31 years beg. 1987 (.222 by 2014 Padres) and lowest by any A.L. team in the DH era (since 1973, full seasons only).

Batted .235-or-lower in 4 of the season's 6 full months. Club has hit .235-or-lower in a month with 20+ games on 18 occasions in Rangers history, and 4 of the 18 came in 2017.

Team batted .215 (235-1092) over the first 33 games through May 8, 2nd-lowest figure in MLB at that point (KC-.213) and lowest all season after the end of April. Team's .210 BA through April 25 was lowest all year after the first week. The offense produced a .278 (400-1437) average in 42 games from July 24-Sept. 8 to rise from .236 to a season-high .249 after 15-hit performance on Sept. 8 vs. New York-AL. The .278 BA in that span was 2nd-highest in MLB (BAL-.284). Team was one-hit on Sept. 9 vs. NYY, and from that point would bat an MLB-low .212 (152-717) in final 22 contests to finish at .244.

Rangers posted season highs in runs (17), hits (20), and total bases (36) on Aug. 19 vs. Chicago-AL, most runs and hits since April 17, 2012 at Boston (18 R/21 H). Finished 13th in A.L. with 1326 hits, fewest ever for club in a 162-game season. Club finished 5th in the league with 799 runs, most since 2012 (808). Scored at least 10 runs in back-to-back games on 3 occasions (6/16-17 vs. SEA, 7/25-26 vs. MIA, 8/15-16 vs. DET).

The Rangers led the A.L. with a club-record 81 hit by pitch (previous 76 in 2015), 3rd-most in MLB to Pittsburgh (88) and Chicago-NL (82). Club's 110 grounded into double plays were 2nd-fewest in the A.L. (MIN-105). Posted A.L.'s 2nd-most bunt hits (19) to only Minnesota (29), but 2nd-fewest infield hits with 99 (OAK-92). Also set club records for fewest men left on base (1015) and fewest intentional walks (18).

Texas set a club record with 1493 strikeouts, 4th-most in MLB (MIL-1571, TB-1538, SD-1499), surpassing previous team mark (1253 in 2009) by a margin of 240. It is the 9th-highest K's total in MLB history, 3rd-most ever by an A.L. club to only the 2017 Rays (1538) and 2013 Astros (1535). The 2017 Rangers are the only team in MLB history to have 8 players with 100+ strikeouts. Season-high 20 strikeouts on May 25 at Boston, tying the major league record for a 9-inning game (6th time), and a club record for a 9-inning contest.

CLUTCH HITTING // Texas batted .252 (301-1195) with runners in scoring position, 10th in the A.L. and 25 points lower than 2016 (.277). Club posted a .261 (143-548) mark with RISP after the All-Star break. Team hit .238 (25-105) with the bases loaded, 3rd-lowest in A.L. and lowest figure for Texas since 1992 (.211). Had a .214 (143-667) figure in close and late situations (.271 in 2016), 2nd-lowest in MLB (MIL-.212). Team's .211 (358-1693) mark in the 7th-and-later was 2nd-lowest by any club since the stat was 1st tracked in 1974 (.200 by 2012 Rays).

CHALLENGES // The Rangers were successful on 35 of 69 (50.7%) managers challenges by Jeff Banister in 2017, MLB's fourth year using comprehensive instant replay. Of the 34 calls challenged by Texas that were not overturned, 18 were 'stands' and 16 were 'confirmed'. Texas saw the most challenges, most overturned calls, and T3rd-most 'stands' of any major league club last year. Club was successful on 3 challenges in one game on May 5 at Seattle, part of a string of 6 consecutive successful challenges from May 5-16. The 3 overturned calls on May 5 were the most successful challenges in a single game by the Rangers since replay was first implemented in 2014. Team saw 5 in a row overturned from June 16-19, and 11 of 15 from June 6-July 2.

Rangers had 8 series sweeps in 2017: 4/20-23 vs. KC (4-0), 5/10-11 vs. SD (2-0), 5/12-14 vs. OAK (3-0), 5/16-18 vs. PHI (3-0), 6/9-11 at WAS (3-0), 7/21-23 at TB (3-0), 8/14-16 vs. DET (3-0), 9/19-21 at SEA (3-0). Club was swept 9 times, including 5 instances after the All-Star break: 4/3-5 vs. CLE (0-3), 4/14-16 at SEA (0-3), 5/23-25 at BOS (0-3), 6/2-4 at HOU (0-3), 7/17-20 at BAL (0-4), 7/31-8/2 vs. SEA (0-3), 8/25-27 at OAK (0-3), 9/22-24 at OAK (0-3), 9/25-27 vs. HOU (0-3).

STREAKS // Team won season-high 10 straight from May 9-19, the 4th-longest win streak in Texas history. Rangers became the first team in major league history to post a win streak as long as 10 games, with each win going to a different pitcher (credit Elias). Texas posted a season-long 7-game losing streak from Sept. 22-28, a skid which began with the Rangers trailing 2nd-place Minnesota by just 2.5 games in the A.L. Wild Card race. It was the team's longest losing span in September since 2013 (7 G, 9/9-16).

TIME OF GAME // Texas 9-inning games averaged 3 hours, 10 minutes, and 24 seconds in 2017 (3:10:24), the 4th-highest average in MLB behind Detroit (3:12:43), Boston (3:11:48), and New York-AL (3:11:10). The 3:10:24 set a club record in a season in which MLB 9-inning games also set a record by averaging 3:05 per contest. Rangers played an MLB-high 14 regulation games lasting at least 3:45, just the 4th team in MLB history with so many contests, joining a trio of Yankees clubs in 1999 (15), 2009 (14), and 2010 (14).

Rangers' longest game of the season was played in 5:02, a 13-inning contest on May 5 at Seattle. It was the team's longest game by time since June 8, 2013 at Toronto (5:28 / 18 innings). The club's second-longest game of the campaign was a 4:33 affair on Sept. 1 vs. LAA, which was likely the third-longest 9-inning contest in MLB history. While early records for time of game are not available, they typically took far less time than modern contests. Only longer 9-inning games on record are 8/18/06 NYY at BOS (4:45) and 9/14/07 NYY at BOS (4:43). The Red Sox batted in the 9th inning of each of those contests, as 9/11/77 LAA at TEX is longest known 9-inning MLB game in which home team did not bat in final frame.

Team's shortest game by time was a 2:24 contest on April 15 at Seattle. Texas played just 2 games in under 2:30 this season, T2nd-fewest in MLB (1-DET) and 3 fewer instances than in any other campaign in Rangers history. The club's 54 games of less than 3 hours also marked the lowest total in a full season in team history.

TEXAS RANGERS B * A * S * E * B * A * L * L HALL OF FAME

The Texas Rangers Baseball Hall of Fame was created in 2003 to honor those individuals who have excelled for the franchise both on and off the field. Through 2017, 20 individuals have been inducted.

Under a process instituted in 2009, the Hall of Fame selection committee, which is comprised of all living Texas Rangers Hall of Fame inductees, veteran members of the media, and Rangers club officials,

meets to consider individuals based on their playing contributions. Individuals in a non-playing capacity are also considered for induction by the Rangers organization.

To be considered for Rangers Hall of Fame selection, former players must have spent a minimum of four seasons in a Texas uniform and be retired as an active player for a minimum of one year.

BY RANGERS (5)

AUGUST 8, 1977 VS. OAKLAND AT TEXAS: With Roger Moret pitching, Mitchell Page and Rich McKinney walked to open the fifth inning. Manny Sanguillen hit a grounder to third baseman Toby Harrah, who stepped on third to force Page, threw to second baseman Bump Wills, who forced McKinney, and threw to first baseman Mike Hargrove to get Sanguillen. The Rangers won, 3-0.

JUNE 17, 1999 AT NEW YORK: With Aaron Sele pitching, Tino Martinez and Paul O'Neill each singled to start the inning, giving New York runners at first and second base with no outs. Chili Davis hit a liner to second baseman Mark McLemore, who flipped the ball to shortstop Royce Clayton to double off Martinez at second. Clayton threw the ball to first baseman Lee Stevens to triple off Paul O'Neill as both runners were moving on contact. The Rangers won, 4-2.

AUGUST 6, 2001 AT BOSTON: With Rob Bell pitching, Brian Daubach led off bottom of fourth inning with a walk and advanced to second on Chris Stynes' single. Scott Hatteberg lined out to shortstop Alex Rodriguez, who threw to second baseman Randy Velarde to double up Daubach at second. Velarde then tagged Stynes to complete the triple play. Boston won, 10-7.

APRIL 14, 2002 VS. SEATTLE AT TEXAS: With Kenny Rogers pitching, Ruben Sierra doubled to lead off the top of the fourth inning and John Olerud followed with an infield single, advancing Sierra to third. Ron Wright, in just his second major league at-bat, hit a ground ball back to Rogers, who threw to shortstop Alex Rodriguez to force Olerud at second base. Sierra was then caught in a rundown between 3rd and home, Alex Rodriguez to catcher Ivan Rodriguez to 3rd baseman Hank Blalock to Rogers, who applied the tag. Rogers then threw to second baseman Michael Young, who tagged out Wright attempting to advance to second base to complete the triple play. Seattle won the game, 9-7.

According to the Elias Sports Bureau, the 1-6-2-5-1-4 triple play was the most touches (people handling the ball) on a triple play in the majors since August 29, 1969, when Billy Williams of the Chicago Cubs hit into a 3-6-5-1-4-7 TP vs. Atlanta. The six Braves participating, in order, were Orlando Cepeda, Gil Garrido, Clete Boyer, Pat Jarvis, Felix Milan and Rico Carty.

MAY 20, 2009 AT DETROIT: With Matt Harrison pitching, Brandon Inge doubled to lead off the bottom of the fourth inning and Ryan Raburn followed with a walk. Gerald Laird hit a line drive to second baseman Ian Kinsler, who threw to shortstop Elvis Andrus to double up Inge at second. Andrus then tagged Raburn to complete the triple play. Detroit won, 5-3.

BY OPPOSITION (7)

AUGUST 13, 1972 VS. KANSAS CITY AT TEXAS: With Dick Drago pitching, the Rangers had Dick Bosman on second and Elliott Maddox on first in the bottom of the third inning. Toby Harrah hit a chop in front of the plate, and catcher Ed Kirkpatrick threw to third baseman Paul Schaal to force Bosman. Schaal then relayed to second baseman Cookie Rojas, covering first, to get Harrah. When Maddox tried to go from first to third on the play, he was thrown out at third on Rojas' return throw to Schaal. The Rangers won, 13-4.

JUNE 10, 1979 AT BALTIMORE: With Dennis Martinez pitching, the Rangers had Pat Putnam on first and Al Oliver on second in the top of the sixth inning. With runners going on the pitch, Buddy Bell hit a line drive to third baseman Doug DeCinces, who threw to second baseman Rich Dauer to double off Oliver. Dauer then relayed to first baseman Eddie Murray to get Putnam and complete the triple play. Baltimore won, 5-4.

JUNE 23, 1979 AT OAKLAND: With Craig Minetto pitching, the Rangers had Billy Sample on first and Oscar Gamble on second in the top of the fourth inning. John Grubb hit a soft liner to third baseman Wayne Gross, who was ruled to have made the catch by umpire Bill Kunkel. However, Rangers third base coach Frank Lucchesi, thinking the ball had been trapped, waved the runners from first and second. Gross, attempting to double Gamble off second, threw the ball into centerfield, but centerfielder Tony Armas retrieved the ball and threw to shortstop Dave Chalk in time to double Gamble off second. Armas then took the ball from Chalk and ran over to first base to catch Sample off the bag for the third out. Armas had an assist and putout on the triple play. The Rangers won, 8-5.

JULY 28, 1979 VS. BOSTON AT TEXAS: With Dennis Eckersley pitching, the Rangers had Buddy Bell on first and John Grubb on third in the bottom of the first inning. Al Oliver hit a sinking liner towards right, and both runners, thinking the ball would drop, started to advance. However, second baseman Jack Brohamer made a diving catch and threw to first baseman Bob Watson to double Bell off first. Watson then relayed to third baseman Butch Hobson, who stepped on third to get Grubb and complete the triple play. Boston won, 1-0.

MAY 22, 1981 AT SEATTLE: With Jerry Don Gleaton pitching, John Grubb and Pat Putnam walked to lead off the eighth inning. With both runners going on the pitch, Mark Mendoza hit a line drive to shortstop Rick Auerbach, who stepped on 2nd to double off Grubb. Auerbach then threw to first baseman Bruce Bochte to catch Putnam for the third out. The Rangers won, 6-2.

JUNE 4, 1991 VS. SEATTLE AT TEXAS: With Randy Johnson pitching, Mario Diaz and Gary Pettis walked to lead off the second inning. Brian Downing hit a grounder to third baseman Edgar Martinez, who stepped on third to force Diaz, then threw to second baseman Harold Reynolds to force Pettis. Reynolds made the relay to first baseman Pete O'Brien to get Downing. Seattle won, 12-8.

APRIL 22, 2016 AT CHICAGO-AL: With Jose Quintana pitching, Mitch Moreland hit a bases-loaded line drive to rightfielder Adam Eaton that would result in a 9-3-2-6-2-5 triple play on which all 3 baserunners had difficulty responding to whether the ball would be caught. Ian Desmond was retired when overrunning the bag in his return to first base. Prince Fielder was then caught off third base for the last out. It was the first triple play by a Texas opponent in nearly 25 years and the first against the Rangers in a road game in almost 35 years since May 22, 1981 at Seattle.

PASSED BALLS

The Rangers set a single-season major league record by committing 73 passed balls in 1987, surpassing the old mark of 49 by the 1959 Baltimore Orioles. Of the 73, 65 came with Charlie Hough on the mound, 46 in his final 21 starts and 25 in his last 11 outings. Geno Petralli had 35 total passed balls (32 with Hough on the mound), three more than the previous major league record accomplished by J.C. Martin of the Chicago White Sox in 1965. Don Slaught had 20 (17 catching Hough), and Mike Stanley committed 18 (16 with Hough) as that trio comprised the A.L.'s top three catchers in passed balls. All three broke the Rangers' record for passed balls for an individual catcher, set by Jim Sundberg in 1980 (17). The Rangers had three passed balls in a game four times, four and five twice each, and six once. Petralli's six passed balls on August 30 at Detroit tied the major league record for one game set by Harry Vickers of the Cincinnati Reds on October 4, 1902. Geno also had four passed balls in the seventh inning on August 22 vs. Chicago, matching the big league mark established by Ray Katt of the New York Giants on September 10, 1954.

THE RANGERS BEFORE TEXAS

The current Texas Rangers franchise originated on October 26, 1960, when the American League awarded an expansion franchise to Washington, D.C. That followed the transfer of the original Washington franchise to Minnesota after the 1960 season. The expansion Senators played in Washington from 1961-1971 before moving to Texas after the 1971 season.

WHY THE TEXAS RANGERS?

On Nov. 23, 1971, club owner Robert E. Short announced the franchise he moved from Washington D.C. would be named the Texas Rangers. The nickname pays honor to the legendary police agency, the Texas Rangers. The inaugural game was supposed to be played on April 6, 1972, but was postponed by a players' strike. The Rangers lost to the California Angels, 1-0, on April 15 in the team's first game. In the first home game on April 21, 1972, the Rangers defeated the Angels 7-6 at Arlington Stadium.

THREE MILLION FANS IN A SEASON

There have been two instances in Washington/Texas franchise history of surpassing the 3 million mark in home attendance: 2012 and 2013. The club's two-year total of 6,638,553 in 2012-13, as well as average attendance of 40,727 in that span, both ranked 4th in the majors behind only Los Angeles-NL, New York-AL, and San Francisco.

The Rangers drew 3,460,280 fans on home dates in 2012, the highest single-season figure in franchise history and the first time to ever surpass the 3 million mark. Club records were established with 38 sellouts and 59 crowds of at least 40,000. The team saw 3 separate streaks of at least 5 straight sellouts in 2012 after never having more than 4 sellouts in a row prior to that season. The Rangers reached the 3 million mark for the first time on September 13, 2012 in home date no. 71. The team surpassed 1 million that year on May 27 (home date no. 23) and 2 million on July 23 (home date no. 46), both besting the previous records to those milestones by four dates. Texas recorded sellout no. 22 on June 24, 2012 (home date no. 35), surpassing the previous mark of 21 sellouts in 1994. In 2012, the Rangers sold out a club-record 9 consecutive home dates from April 23-May 13, and also saw 5 straight sellouts both May 16-27 and June 29-July 7. For the entire 2012 season, the Rangers saw just 2 crowds of less than 30,000 in Arlington.

ALL-STAR TIDBITS

- The 2017 contest marked the 3rd time in Texas history for no Ranger to appear in an All-Star Game (also 1972 and 2007).
- Yu Darvish (2012-13-14) became the 2nd A.L. pitcher to ever be an All-Star in as many as his first 3 ML seasons (rookie status in year one), joining Jonathan Papelbon in his first 4 years with Boston (2006-09).
- Joe Nathan's save in the 2013 game was the 2nd by a Ranger (also John Wetteland in 1999), following Mariano Rivera in that contest.
- A Texas player had a hit in 10 straight All-Star Games with a plate appearance from 2003-12, the lone exception being 2007, when Michael Young (Rangers' only All-Star that year) did not play. Beginning in 1998, a Ranger has had a hit in 14 of the last 20 All-Star Games (Alex Rodriguez was 0-for-2 in 2002, Nelson Cruz was 0-for-1 in 2013, Adrian Beltre walked in lone PA in 2014, Ian Desmond was 0-for-1 in 2016, no player appeared in 2017).
- For the 2012 game in Kansas City, the Rangers set club records with: 8 total All-Stars, 5 position player selections, 3 pitcher selections, and 3 elected starters. It gave the Rangers the most active All-Stars (8) for one club since the 2004 Yankees (8).
- Adrian Beltre became the first Ranger ever elected to start an All-Star Game at third base in 2012 (although there had been 3 previous starts by Rangers at third base). Also in 2012, Mike Napoli joined Ivan Rodriguez (9) as the only Rangers to start a Classic behind the plate.
- In 2012, Yu Darvish became the 4th Rangers rookie selected, joining Jim Sundberg (1974), Jeff Zimmerman (1999), and Neftali Feliz (2010).
- The club saw at least 2 pitcher selections in 4 straight years from 2010-13, and had at least one pitcher in 5 consecutive seasons from 2010-14, this after no pitchers from 2006-09 and only 3 total selections in a 10-year span from 2000-09.
- The Rangers had at least one All-Star starter for 15 consecutive seasons from 1992-2005.
- Adrian Beltre (2, 2011-12), Josh Hamilton (5, 2008-12), Alex Rodriguez (3, 2001-03), and Ivan Rodriguez (9, 1993-2001) are the only Rangers to start more than one AS game.
- Michael Young is the only player with 2 game-winning RBI in the 9th inning or later in All-Star Game history dating to 1933 (2006 and 2008).
- Hank Blalock hit a game-winning, 2-run pinch HR off Eric Gagne in the bottom of the 8th inning to give the A.L. a 7-6 win in 2003 at Chicago's U.S. Cellular Field. He became the 12th player to homer in his first All-Star at-bat.
- Juan Gonzalez (1993) and Ruben Sierra (1989) won the Home Run Derby. Josh Hamilton finished second despite a record showing in 2008, and Nelson Cruz took second in 2009.
- Nolan Ryan became the oldest All-Star winner ever with his relief victory in 1989.
- Kevin Brown is the only Ranger pitcher to ever start an All-Star Game, winning the 1992 game.
- Six Texas managers have served as coaches in an All-Star game: Whitey Herzog - 1973, Billy Martin - 1975, Pat Corrales - 1979, Bobby Valentine - 1988, Johnny Oates - 1995, 1997, Ron Washington - 2007.
- In 1972 infielder Toby Harrah was named to the squad as a replacement for injured Luis Aparicio, becoming the first Ranger All-Star, but Harrah was injured and replaced by Bobby Grich.

MISCELLANEOUS NOTES

RANGERS HITTING FOR THE CYCLE (10)

ODDIBE MCDOWELL (7/23/85) — Oddibe McDowell was the first player in Rangers' history to hit for the cycle, accomplishing that feat on July 23, 1985 vs. Cleveland at Arlington Stadium. McDowell doubled in the first inning, singled in the third and tripled in the fourth off starter Neal Heaton. He added another single in the sixth off Jeff Barkley and achieved the milestone with a solo HR off Tom Waddell in the eighth.

MARK TEIXEIRA (8/17/04) — On August 17, 2004 at Rangers Ballpark against Cleveland, Teixeira became the 2nd player in Rangers history to hit for the cycle in a game, the first in over 19 years. Teixeira struck out in the first inning and doubled in the third off Tribe starter Cliff Lee. He homered in the fourth inning and tripled in the fifth off Cleveland reliever Rick White. Teixeira completed his cycle with a seventh inning single off reliever Cliff Bartosh before being removed for a pinch runner. **Notes:** At the time, was the 14th switch-hitter in ML history to hit for the cycle, and had 2 hits from each side of the plate in his cycle, just the 3rd known switch-hitter to do so (no info for Otis Clymer).

GARY MATTHEWS JR. (9/13/06) — On September 13, 2006 at Comerica Park in Detroit, Gary Matthews Jr. became the 3rd player in Texas Rangers history to hit for the cycle in a game. He went 4-for-4 with 3 runs and 3 RBI, becoming the first Rangers player to hit for the cycle on the road. Matthews singled in the first inning, doubled in the second, and tripled to center field in the fourth off Tiger starter Justin Verlander. He completed the cycle in the rare "natural order" with a solo home run off LHP Mike Maroth on the first pitch to lead off the top of the sixth inning. Matthews became just the 14th player in major league history and seventh in the A.L. to hit for the cycle in natural order (1B, 2B, 3B, HR). Became the 19th switch-hitter in major league history to hit for the cycle.

IAN KINSLER (4/15/09) — On April 15, 2009 at Rangers Ballpark in Arlington, Ian Kinsler became the 4th player in team history to cycle in a game against Baltimore. He went 6-for-6 with 5 runs, 4 RBI, and 13 total bases, becoming the first player in the modern era (since 1900) to have a 6-hit cycle in a 9-inning game. Kinsler doubled in the first inning, homered in the third, and singled in the fourth off starter Mark Hendrickson. He singled again in the fourth off Radhames Liz, tripled in the sixth off Brian Bass, and doubled again in the eighth off Matt Albers. **Notes:** Established a club record for hits in a 9-inning game, and also matched club records for extra-base hits (4) and runs scored (5) in a single game...historic game occurred on Jackie Robinson Day throughout MLB, as he wore a nameless no. 42 jersey for the contest.

BENGIE MOLINA (7/16/10) — On July 16, 2010 at Fenway Park in Boston, Bengie Molina became the 5th player in team history to cycle. Molina singled in the second and doubled in the fourth off starter Felix Doubront. He then hit a grand slam in the fifth off Fernando Cabrera and tripled in the eighth off Ramon Ramirez to complete his cycle. He left the game with tightness in his right quadriceps after the triple. It was one of 4 cycles in the majors that season, the only one by an A.L. player. **Notes:** It was the 15th time a catcher has hit for the cycle, the first Ranger and first catcher ever with a cycle vs. the Red Sox...he was the 9th player, 8th since 1900, and first catcher ever with a grand slam as part of a cycle...was named A.L. Player of the Week for his efforts.

ADRIAN BELTRE (8/24/12) — On Aug. 24, 2012 at Rangers Ballpark against Minnesota, Adrian Beltre posted his second career cycle, the other coming with Seattle on Sept. 1, 2008 in Arlington. He became the first player in the modern era to cycle in the same park as both a home and visiting player. Beltre tripled in the first, doubled in the second, and homered in the fifth off starter Samuel Deduno. He then singled in the seventh off Kyle Waldrop to complete his cycle. **Notes:** Became just the second player in MLB history to have a 3-HR game and cycle in the same week, joining Joe DiMaggio in 1948...it was the first cycle by an A.L. player since Bengie Molina for Texas in 2010.

ALEX RIOS (9/23/13) — On Sept. 23, 2013 at Rangers Ballpark against Houston, Alex Rios recorded his first career cycle. Texas starter Derek Holland tossed a complete-game shutout in the 12-0 win. Elias Sports Bureau noted it was only the 5th time in a 100-year span for teammates to have a cycle and shutout in the same game, first instance since the 1998 A's (Jimmy Haynes/Mike Blowers). Rios had an RBI double in the first and infield single in the 3rd, both off starter Jordan Lyles. He hit a solo homer in the 5th, and triple to right-center in the 6th, both off David Martinez.

SHIN-SOO CHOO (7/21/15) — On July 21, 2015 at Coors Field against Colorado, Shin-Soo Choo recorded his first career cycle in the Rangers' 9-0 win. It was the 3rd time for a Texas batter to cycle in a shutout win, accounting for a 3rd consecutive instance. Choo doubled in the 2nd inning and homered in the 4th inning off Rockies starter Kyle Kendrick, then singled in the 5th inning against Yohan Flande. After grounding out versus Flande in the 7th, Choo led off the 9th with a triple against Rex Brothers to complete his cycle.

ADRIAN BELTRE (8/3/15) — Adrian Beltre became just the 4th player in MLB history with 3 career cycles (also Long John Reilly, Bob Meusel, Babe Herman) when he completed the feat on August 3, 2015 vs. Houston. Each of his 3 cycles came in Arlington, the only player ever to cycle 3 times in one park. He became the first batter with multiple cycles in a Texas uniform (also 8/24/12 vs. MIN). Beltre tripled in the first inning off starter Lance McCullers and doubled in the 2nd inning off Josh Fields. He also singled in the 3rd inning and homered in the 5th off Mike Fiers, becoming just the 6th player in the expansion era (since 1961) to hit for the cycle by the end of the 5th (credit Elias). It was the Rangers' 2nd cycle in a span of 2 weeks, the first time in club history with multiple cycles in a single season.

CARLOS GOMEZ (4/29/17) — Carlos Gomez registered his second career cycle on April 29, 2017 vs. Los Angeles-AL (also 5/7/08 at CWS), becoming just the fifth player in history to go at least 8 years between cycles (credit Elias). The others were Joe Cronin (1929-40), Joe DiMaggio (1937-48), George Brett (1979-90), and Chris Speier (1978-88). He doubled in the 1st inning, singled in the 3rd, and tripled in the 5th frame, all off Halos starter Jesse Chavez. He then hit a first-pitch home run off reliever Jose Valdez in the 7th, becoming the 4th Ranger ever with a 4-PA cycle (also Molina, Beltre in 2012, and Rios).

Other Rangers with 20 wins in a season are Fergie Jenkins (25-12 in 1974) and Kevin Brown (21-11 in 1992). Aaron Sele was 19-11 in 1998, joining Jim Bibby (19-19 in 1974) as the club's lone 19-game winners. The club record for wins by a left-hander is 18, a figure reached by both Kenny Rogers in 2004 and Matt Harrison in 2012.

The Rangers' first visit to a National League park occurred on June 17, 1997, when Texas played at Coors Field in Colorado. The Rangers defeated the Rockies 10-8 in 11 innings. John Burkett was the first Texas pitcher to start a game in the batting order against a National League club. He singled in his first at-bat.

HOME RUN RECORDS IN 2005

In an 18-3 victory over Houston on May 21, 2005, the Rangers established a club record with 8 home runs. It marked just the 10th time since divisional play began in 1969 that a team had hit 8-or-more home runs in a game, the first ever in interleague play, and was just the 15th team ever with 8-or-more homers in a single game. Texas hit club-record 4 home runs in the 2nd inning, tied for the most ever by a team in one inning of an interleague contest (also CHC, 6/21/08 vs. CWS - 4th inning). All 4 Texas home runs in that 2nd inning came with 2 outs, just the 2nd time in American League history for a team to hit 4 home runs with 2 outs in a frame (also Boston, 4th inning on 7/18/98 at Detroit). With Houston's 2 home runs in the game, 9 different players homered, matching the A.L. record for individuals from both teams with at least one home run. The Rangers had 7 different players homer in the contest, matching an American League record (4th time). Texas would match the 8-homer record on June 30, 2005 in an 18-5 win over LA of Anaheim.

A MAJOR LEAGUE FIRST

The Rangers-Cubs game on June 18, 2002 at Wrigley Field marked the first time in major league history that as many as four players with 400 career home runs had appeared in the same game. The foursome consisted of Juan Gonzalez and Rafael Palmeiro from Texas, and Fred McGriff and Sammy Sosa of Chicago-NL.

GOLD GLOVES WITH POWER

In 2002, Alex Rodriguez became just the 4th player in major league history to hit 50-or-more home runs in a season while also earning a Gold Glove Award. Rodriguez belted 57 homers, the most ever by a Gold Glover, and recorded a .987 fielding percentage (10 E/741 TC). The others to do it were Willie Mays (1965 for San Francisco), Ken Griffey Jr. (1997 and 1998 for Seattle), and Andruw Jones (2005 for Atlanta).

FIVE WITH 25 HOME RUNS

In 2011, the Rangers featured 5 players with at least 25 home runs. It matches the 2nd-most 25-homer players by any club in major league history, also tying the club record that was first reached by the Rangers in 2005. There have been 13 teams in baseball history with at least 5 different 25-homer players in a season, but the Rangers, Red Sox (1977 and 2003), White Sox (2002 and 2012), Orioles (1996 and 2016), and Reds (1956 and 2017) are the only franchises to do it twice.

ROBERTO CLEMENTE AWARD

Since 1971, Major League Baseball has annually presented an award that recognizes a player who best exemplifies the game of baseball through sportsmanship, community involvement and positive contributions to his team.

In 1973, following the tragic death of Roberto Clemente, the award was named to honor the man whose spirit and goodwill will always be remembered. The 12-time All-Star and Hall of Famer was killed in a plane crash in 1972 delivering food and medical supplies to earthquake victims of Nicaragua. The award recognizes those individuals who truly understand the value of helping others.

Texas (30) at Baltimore (3) - August 22, 2007 (Game 1)

On Aug. 22, 2007, at Baltimore's Oriole Park at Camden Yards, the Rangers established a modern day record by scoring 30 runs in the first game of a doubleheader. Below is a list of various records and notes associated with this historic contest. Special thanks to Elias Sports Bureau for their assistance with this compilation. All notes are updated through the end of the 2017 season.

- The Rangers' 30 runs are the most in any game in modern major league history (beginning 1900), one more than 29 runs by both the Red Sox (June 8, 1950 vs. StL-AL) and White Sox (April 23, 1955 at KC). It was the 9th time ever in baseball history for a team to score 30 runs (beginning 1876). Rangers' previous club record for runs scored was 26, on April 19, 1996 vs. Baltimore.

The 29 hits were 2 shy of matching the modern record of 31, done by Milwaukee on Aug. 28, 1992 vs. Toronto. Club had 27 hits on July 25, 2011 vs. Minnesota, which ranks as the 2nd-most in team history.
- Rangers' 65 plate appearances matched AL record for a 9-inning game, also done by Milwaukee on Aug. 28, 1992 vs. Toronto. Figure was one shy of modern major league record of 66 PA's by Philadelphia on Aug. 25, 1922 vs. Chicago.
- The Rangers' 57 at-bats tied the AL record for a 9-inning game, also done by Milwaukee on Aug. 28, 1992 vs. Toronto. The major league record for at-bats in a 9-inning game is 58, by the New York Giants twice, both on Sept. 2, 1925 vs. Philadelphia and July 11, 1931 vs. Philadelphia.
- The 49 total bases for Texas are a club record, 5 more than next-best mark of 44 total bases on May 21, 2005 vs. Houston.

- Rangers had 10 hits in the 6th inning, matching club record done one other time: May 17, 2001 vs. Cleveland (2nd inn.).
- Club's 21 singles were 3 more than previous team record of 18 (done 4 times).
- Team's 30 RBI are a major league record, although the statistic has only been tracked since 1920. Previous mark was 29 RBI by Boston-AL on June 8, 1950 vs. St. Louis-AL.
- The 5 runs scored by both David Murphy and Jarrod Saltalamacchia matched a team record. Saltalamacchia established a Rangers rookie record with 7 RBI in a game. Ramon Vazquez also had a career-high 7 RBI.
- It is the only time that 2 players on same team had 7 or more RBI in the same game since Aug. 19, 1962, when Yankees' Mickey Mantle (7) and Elston Howard (8) pulled the trick.
- The Rangers were the first team with 4 players (Metcalf, Byrd, Saltalamacchia, Vazquez) with 4 RBI or more in the same game since a Phillies quartet (Rose, Maddux, Schmidt, Boone) did so on May 17, 1979 at Wrigley Field. That game was a 23-22 win for Philadelphia over the Cubs. Only instance since was by the Mets on June 27, 2012 at Chicago-NL.
- It was the first time for Texas to have 2 grand slams in one game (Byrd and Metcalf) since July 4, 2004 at Houston (Mark Teixeira and Hank Blalock).
- Texas also won the 2nd game of the doubleheader 9-7, as the 39 runs scored by the Rangers in the twinbill is an American League record and a major league record for the modern era. Previous mark was 36 runs by Detroit vs. St. Louis-AL on Aug. 14, 1937. The NL record is 43 by Boston vs. Cincinnati on Aug. 21, 1894.
- The 33 combined runs was a club record until the Rangers' 19-17 defeat (36 total runs) on Aug. 12, 2008 at Boston.
- The 40 hits in a doubleheader remains a team record, 10 more than previous mark (30, Aug. 22, 1980 vs. Milwaukee).
- The 38 combined hits in the game matches a club record, also done June 28, 1996, Texas (16) at Seattle (22) and equaled on July 25, 2011, Minnesota (11) at Texas (27).
- Travis Metcalf's 8 RBI tied a Rangers record for RBI in a doubleheader, also done previously by Toby Harrah on June 25, 1976 vs. Chicago-AL, and by Bobby Bonds on June 23, 1978 vs. California.

DOMINICAN RANGERS/DOMINICAN ACADEMY

The Rangers' international program has come to be recognized among the industry leaders over the past several years. As part of this initiative, Texas operates a baseball academy in Boca Chica and now makes an annual trip to the island with a contingency of front office employees, players, and coaches from throughout the organization to provide guidance and support to international prospects. The complex provides on-field instruction, housing and meals for up to 64 players, who also receive classroom instruction to improve their English skills and understanding of the United States culture. Additionally, the academy offers accommodation accommodations for coaches and personnel. Day-to-day operations at the facility are overseen by Paul Kruger, Assistant Director of Player Development.

The Rangers DSL clubs have compiled a .663 winning percentage (421-214) in the DSL since 2010, while capturing back-to-back Dominican Summer League Championships in 2013 and 2014. The academy has produced current Rangers 40-man roster members Jonathan Hernandez, Ariel Jurado, Jose Leclerc, Yohander Mendez, and Ricky Rodriguez.

BLOWN SAVE // When a relief pitcher enters a game in a save situation and departs with the save situation no longer in effect because he has given up the lead, he is charged with a blown save. If the save opportunity still exists when he leaves the game, he is not charged with a save opportunity. CONSECUTIVE-GAME PLAYING STREAK // A consecutive-game playing streak shall be extended if the player plays one half-inning on defense, or if he completes a time at bat by reaching base or being put out. DAY/NIGHT GAME // Any game scheduled to start after 5:00 p.m. will be considered a night game. If a game is scheduled to start at or before 5 p.m. and is delayed by rain or for any other reason it shall be considered a day game. However, both games of a two-night doubleheader shall be considered night games. When afternoon and night games are played on the same day and separate admissions are charged, they will be counted as one day and one night game and will not be considered a doubleheader.

DETERMINING GAMES BACK IN STANDINGS // Determine the games above .500 of team in first place, minus the games above .500 of team you're trying to figure out. Example: If the team in first is 5 games above .500 and you are trying to figure out how many games back a team that is one game above .500, then $5 - 1 = 4$ so the team is 4 games back. Or the number of wins plus the number of extra losses than the leader in the standings, divided by 2.

DISABLED LISTS

10-DAY // The player must remain off the active roster for a minimum of 10 calendar days, starting on the day following the player's last game.

60-DAY // Same rules apply, however, this may only be used when the team's 40-man roster is full. Any player placed on the 60-day disabled list after Aug. 1 may not play for the remainder of the season, including any postseason game.

HOW TO FIGURE...

BATTING AVERAGE // Divide the number of hits by the number of at-bats. Example: Player A is 12-for-40, or hit .300.

EARNED RUN AVERAGE // Multiply the number of earned runs by 9; take the number and divide it by the number of innings pitched. Example: Pitcher B has allowed 12 earned runs in 45 innings of work for a 2.40 ERA.

SLUGGING PERCENTAGE // Divide the number of total bases by the total number of at bats. (At-bats do not include walks, sacrifices, hit by pitcher, or times awarded first base because of interference or obstruction). Example: Player A's 12 hits include six singles (6), one double (2), two triples (6) and three home runs (12) for a total of 26 total bases in 40 at bats and a .650 slugging percentage.

FIELDING AVERAGE // Divide the total putouts and assists by the total of putouts, assists and errors.

ON-BASE PERCENTAGE // Divide [hits plus total bases on balls plus hit-by-pitch] by [at-bats plus total bases on balls plus hit-by-pitch and sacrifice flies]. For purposes of this percentage, ignore being awarded first base on interference or obstruction.

7-DAY // The 7-day disabled list is used exclusively for concussions. Like the 10-day list, the player remains on the 40-man roster but is not counted against the active roster. After 10 days, if the player is still on the 7-day list, he automatically rolls onto the regular 10-day disabled list with credit for those 10 days.

HOLD RULE // The hold is not an official statistic, but it was created as a way to credit middle relief pitchers for a job well done. If a reliever comes into a game to protect a lead, gets at least one out and leaves without giving up that lead, he is credited with a hold. You can not get a save and hold in the same game.

MAGIC NUMBER // Determine the number of games yet to be played, add one, then subtract the number of games ahead in the loss column of the standings from the closest opponent.

PLAYER ROSTER LIMITS // 40 from Sept. 1 to opening day; 25 from opening day to Aug. 31, although teams have the option to carry 24 players instead of 25.

QUALIFICATIONS FOR A BATTING CHAMPIONSHIP // Highest batting average based on a minimum of 502 plate appearances, including official times at bat, bases on balls, hit by pitch, sacrifice hits, sacrifice flies and times awarded first base due to interference or obstruction.

QUALIFICATIONS FOR A FIELDING CHAMPIONSHIP // Highest fielding average and (a) catcher must have played in at least 81 games; (b) infielder or outfielder must have played in at least 108 games; and (c) pitcher must have 162 innings pitched. NOTE: These figures DO NOT determine Rawlings Gold Glove winners at the end of the season.

QUALIFICATIONS FOR A PITCHING CHAMPIONSHIP // Lowest earned run average with a minimum of 162 innings pitched.

QUALIFICATIONS FOR A ROOKIE // Not more than 130 at-bats or 50 innings pitched in the Major Leagues during a previous season or seasons, nor more than 45 days on a major league roster during the 25-player limit (prior to Aug. 31, excluding time in military service). Time on the disabled list does not count towards rookie status.

QUALITY START // Defined as a start where a pitcher lasts 6 or more innings and gives up 3 or less earned runs.

SAVE RULE // Credit a pitcher with a save when he meets all three of the following conditions: (1) He is the finishing pitcher in a game won by his club; (2) He is not the winning pitcher; and (3) He qualifies under one of the following conditions: (a) He enters the game with a lead of no more than three runs and pitches for at least one inning; or (b) He enters the game, regardless of the count, with the potential tying run either on base, or at bat, or on deck (that is, the potential tying run is either already on base or is one of the first two batsmen he faces); or (c) He pitches effectively for at least three innings. No more than one save can be credited in each game.

TRADING REGULATIONS // For assignment from one major league club to another, waivers are necessary ONLY beginning Aug. 1 and ending the day following the close of the championship season. At all other times, no waivers are necessary for trades at the major league level.

WAIVER PERIODS // End of season to 30th day of season; 31st day of the season to July 31; Aug. 1 to end of season. Player are available on waivers in reverse order of standings at the time waivers expire, if more than 30 days after start of season; otherwise in reverse order of standings at the close of the previous season.

YEAR OF SERVICE // 172 days constitute a full major league year of service.

On April 1, 1994, a new era for the Texas Rangers began with the opening of The Ballpark in Arlington. The facility, which changed its name from Rangers Ballpark in Arlington to Globe Life Park in Arlington on February 5, 2014, has hosted two World Series, an All-Star Game, and over 62,500,000 fans in its 24 years of operation.

Globe Life Park in Arlington was completed in just 23 months. The 48,114-seat open-air park was designed and built with tradition and intimacy in mind, containing features such as a granite and brick facade, exposed structural steel, an asymmetrical playing field, and a home run porch in right field. Texas architecture is featured throughout, from the outer facade to the Lone Stars on the concourses and on the seat aisles.

This unique complex also includes a four-story office building within the park and a youth baseball park, a 12-acre lake, and parks and recreation space on the perimeter. Total cost of the project was approximately \$191 million.

SIZE

Globe Life Park in Arlington contains approximately 1,400,000 square feet. The park measures 114 feet from street level to the top of the roof canopy.

HISTORY

The agreement between the Rangers and the City of Arlington, Texas to build a new ballpark was announced on October 24, 1990. Actual construction began on April 24, 1992. The ballpark was originally named The Ballpark in Arlington on September 28, 1993. The first game was an exhibition contest between the Rangers and New York Mets on April 1, 1994 with the first regular season game played on April 11, 1994 between the Rangers and Milwaukee Brewers.

From May 7, 2004 until March 18, 2007 Globe Life Park in Arlington was named Amerquest Field in Arlington as a part of an agreement between the Texas Rangers and Amerquest Mortgage Company. The agreement ended and the company returned the naming rights to the team on March 19, 2007 with the facility being renamed Rangers Ballpark in Arlington.

PLAYING FIELD

NATURAL GRASS // The playing surface of Globe Life Park in Arlington consists of certified Tifway 419. The turf was provided by Tri-Tex Grass in Granbury, Texas and was laid in October 2007. Drainage lines are laid every 15 feet over the entire field. The playing surface is then covered by 4-5 inches of pea gravel and 14-15 inches of sand mixture as the field has the capacity to drain 9-10 inches of water per hour. The field's irrigation system allows the entire outfield to be watered from one station, producing 750 gallons per minute or 50,000 gallons per hour, as compared to 18,000 gallons per hour in Arlington Stadium.

FIELD DIMENSIONS // As indicated above, the outfield dimensions are asymmetrical, a feature common to ballparks constructed in the early 20th century. From home plate to the left field foul pole is 332 feet with an increase to 390 feet in the left field power alley. Straightaway center field measures 400 feet, then moves to the deepest point, 407 feet, approaching right center. The Rangers' bullpen comes into play in right field as a 381-foot power alley juts out to 377 feet at the right corner of the bullpen. There is again a dramatic decrease in distance in the right field corner as the foul pole sits just 325 feet from home plate. The outfield fences are eight feet in center and right fields and 14 feet in left. The playing surface is 22 feet below street level. According to studies done before construction, the prevailing winds are south-southeast. The effect of the wind is greatly reduced by the fact that the ballpark is completely enclosed by a four-story office building in center field. In addition, a giant windscreen, measuring 42 by 430 feet, was installed on the roof of the office building to further minimize the wind.

FOUL POLES // The yellow foul poles down each line were taken from Arlington Stadium and were replaced after the 2015 season.

LOWER BOWL PROTECTIVE NETTING // Prior to the 2016 season, additional protective netting in the lower seating bowl was installed to extend to the outfield end of both the first and third base dugouts. The safety netting runs from the end of the home plate screen to the end of each dugout, a distance of approximately 68 feet on both the first and third base sides.

SEATING

The overall seating capacity of Globe Life Park in Arlington for 2017 is 48,114 seats on five levels. All of the seats in the ballpark are angled towards home plate as the seating bowl cranks in towards the field down both the left and right field lines to provide better sightlines. The actual seats are green plastic chairs measuring from 18-22 inches in width. Most of the seats in the ballpark contain cup holders. There is a special feature on aisle seats in the park, a Texas Lone Star that is similar to the ones that adorn both the outer facade and concourses. There are five levels of seating at The Ballpark: lower deck, lower suites, club level, upper suites and upper deck. There is also an upper and lower deck in the home run porch in right field, and new outfield seating in center field.

HOME PLATE SEATS // A new premium seating option was added for 2009 with the addition of two rows of Home Plate Seats. A third row of Home Plate Seats was added for 2013. A total of 148 seats are located in front of sections 21-30 between the two dugouts.

COMMISSIONERS BOXES // For 2009, the Rangers also added 66 seats in 2 rows with the addition of a Third Base Commissioners Box, an extension of Sections 16 and 17 past the third base dugout. Those seats are similar to the First Base Commissioner's Box, which was added as a fulltime location in 2000.

CLUB LEVEL // This is a premium seating area with wider seats (22 inches). The club level, with its white paneling and black and white tiled floors, stretches around the entire length of the seating bowl with direct access to both the lower and upper suite levels. There are numerous food and beverage establishments on this level open only to club level patrons and suite holders.

SUITES // There are 127 suites, 58 on the lower level and 69 on the upper level, including 3 dinner suites, 9 party suites and 115 Hall of Fame Suites. Each suite bay (containing two suites) is named for one of baseball's all-time star players enshrined in Baseball's Hall of Fame. Sepiatone murals of the legends are located outside each suite.

BALLPARK TECHNOLOGY

The Rangers made significant improvements in the video, technology, and audio systems at Globe Life Park in Arlington for the 2011 season. The club partnered with Daktronics Inc. and the Sony Corporation to deliver high-definition digital content throughout the ballpark in a number of different formats. The upgrades, which dramatically enhanced the in-park experience for Rangers fans with high quality video, technology, and audio and additional information, included the following elements:

VIDEO BOARDS // The existing video board on the roof of the Home Run Porch, which was 24 by 36 feet (864 square feet), was replaced by a new board that measures 42 by 120 feet (5,040 square feet). In addition, a video board that is 25 by 29 feet (725 square feet) replaced the Coca-Cola matrix board on top of the office building in centerfield. The old video board used standard definition technology while the new boards are high-definition.

Both the Home Run Porch and Centerfield video displays utilize Daktronics newest 15 millimeter LED technology, featuring tighter resolution and improved image quality. This technology and its control system allow for complete flexibility in programming. The video boards can operate as single giant displays or be divided into multiple zones (windows) to show a wide variety of statistics, information, graphics, animation, and live and recorded video.

The Daktronics Pro Star Video Display Board, which measures 12 feet high and 84 feet wide and replaced the manual scoreboard on the left field wall prior to the 2009 season, was also upgraded with HD technology. The three boards provide HD video capability to fans from any vantage point in Globe Life Park in Arlington.

IPTV SYSTEM // The Daktronics LED video and the existing ribbon and field-level displays that were installed in 2009 were combined with more than 800 Sony® professional-grade LCD monitors to create a venue-wide digital media network. The Daktronics system is an internet protocol television (IPTV) solution that delivers multiple live content on 10 high-def channels to any display in the ballpark.

The Rangers utilize Daktronics industry-leading data integration capabilities to instantly present up-to-the-minute scores, statistics, news and information on any IPTV channel. The Sony LCD monitors

are located throughout Globe Life Park. This includes all permanent concession stands, where the monitors can become changeable menu boards, allowing for the display of concession items in HD and the ability to change pricing in-game.

"L Bar" technology is available as part of the IPTV system, allowing for information and advertising opportunities on screen during game action.

SHOW CONTROL SYSTEM // At the center of the control solution is the Rangers Show Control system, with the ability to take in various video, scoring, timing, statistical data and out-of-town scores and even point of sale information. With the Show Control system, all displays across the network can be turned on or off, control their volume or change the channel so all the displays show the same piece of content. One system provides total control and total integration. With the click of a single button one message can be delivered anytime to all displays everywhere throughout the ballpark. The Rangers added more cameras to further enhance the "in-park show" at Globe Life Park. Sony oversaw a complete rebuild of the Globe Life Park scoreboard control room to incorporate the new system.

AUDIO SYSTEM // Globe Life Park in Arlington audio system also received a total overhaul with the old speakers being replaced and the additional of technology upgrades and production equipment to compliment the enhanced video product.

The above upgrades in technology follow the installation of three full color LED linear panels, Daktronics ProAd® Displays, which were installed for the 2009 season in the following locations:

*On the Lower Suite Level fascia from foul pole to foul pole measuring 3 feet high with a total length of 948 feet

*On the Lower Home Run Porch fascia measuring 3 feet high with a total length of 193 feet

*On the fascia below the Diamond Club in left field measuring 3 feet high with a total length of 135 feet.

The total length of the LED linear panels measures 1276 linear feet, the 3rd longest of any major league park behind Dolphins Stadium (2118 feet) and the new Yankee Stadium (1285 feet). The panels allow for more key game information in addition to serving as advertising space.

OTHER BALLPARK AMENITIES

OFFICE BUILDING // One of the signature features of Globe Life Park in Arlington is the four-story office building that encloses the structure from left center to right center fields. The office building has 35,000 square feet on each level. The first floor includes the Majestic Grand Slam Shop and ticket windows, the second and third floors are leased for commercial office space, and the Rangers' executive offices occupy the fourth floor. The side of the building facing the playing field consists of floor to ceiling glass on each floor with balconies stretching the entire length of the structure on the top three levels. Steel trusses also adorn the building. The roof of the office building contains a total of eight ad panels around the center field scoreboard.

RANGERS YOUTH BALLPARK // A natural grass facility with seating for 650 in a grandstand designed in similar fashion to Globe Life Park in Arlington. Dimensions are for youth leagues and a variety of youth games and activities take place in the facility, which is located just north of Globe Life Park in Arlington.

12-ACRE LAKE // Named for late Rangers broadcaster Mark Holtz in September, 1997, with adjoining park and recreational space.

COST

The revised cost of the overall project was approximately 191 million dollars. The financing was derived from \$135 million in bonds issued by the Arlington Sports Facilities Development Authority with the remaining equity raised through the sale or lease of luxury boxes and seat options in the new ballpark, loans guaranteed by the Rangers, the concessions contract with Sportservice and city street funds.

Annual debt service for the municipal bonds is provided by public-private sharing. That is comprised of a \$3.5 million rental payment from the Rangers and a one-half cent City of Arlington sales tax. The sales tax was approved in an Arlington municipal election by a 65 percent majority on January 19, 1991, and expired when the debt was retired in November, 2001.

The Rangers have a lease with the City of Arlington, and the club maintains and operates the entire facility.

ARCHITECTURAL DESIGN TEAM

DESIGN ARCHITECT // David M. Schwarz Architectural Services of Washington, D.C. was the design architect on the project. Schwarz was selected from among 17 architects who originally made presentations in Aug., 1991. He has been involved in a number of projects in Texas including the Bass Performance Hall, Cook-Fort Worth Children's Medical Center and Sundance West, also in Fort Worth. His imaginative design of the park reflects a traditional look of older ballparks and includes a major Texas influence.

ARCHITECT OF RECORD // HKS, Inc. The Dallas-based firm, which was founded in 1939, has grown to become the fifth largest architectural firm in the country, and has executed commissions for over nine billion dollars of structures in 39 states and seven foreign countries. HKS is the design architect for the Texas Rangers new ballpark scheduled to open in 2020.

RECENT GLOBE LIFE PARK IN ARLINGTON UPGRADES

Over the span of six off-seasons (2011-16), the Rangers made extensive renovations to Globe Life Park in Arlington, a period in which the club allocated over 50 million dollars in ballpark improvements and upgrades. The improvements in the video, technology, and audio systems at the ballpark prior to the 2011 season are documented on the previous two pages.

FOR 2012, upgrades were made that included a complete renovation of Vandergriff Plaza and much of the office building first floor in centerfield with the construction of a new Batter's Eye Club, Restaurant/Sports Bar, Kid's Zone, and concession stands. In addition, the areas that previously contained the bleacher seating were remodeled and the visitors' bullpen was reconfigured. A summary:

HYUNDAI CLUB // A new indoor seating area was built at the top of Greene's Hill in centerfield to replace the "batter's eye" structure that has been in place since the opening of The Ballpark in Arlington in 1994. The Hyundai Club features four rows with seating for approximately 100 that provides a spectacular view of the playing field through two-way glass, which is totally dark on the field side. The 6,250 square foot climate-controlled club features its own buffet, bar, dining area and rest rooms. The Batter's Eye Club is utilized for both group rentals and as an individual seating area for select games.

REBECCA CREEK SALOON // Another new addition was Rebecca Creek Saloon. Rangers-themed restaurant/sports bar constructed in the first floor area of the office building behind the left-center field seats. The two-level facility contains 9,152 square feet and overlooks the playing field. Rebecca Creek Saloon is open to the public before, during, and after Rangers home games and is available for rental when the club is on the road and in the off-season. Fox Sports Southwest and 105.3 THE FAN have studio space in this area. The facility is operated by the Globe Life Park in Arlington concessionaire, Sportservice.

KID'S ZONE // A play area for children was built in the first floor area of the office building closest to centerfield. The 6,470 square foot Kid's Zone houses a number of interactive games and attractions and operates in a similar manner to the former Vandergriff Plaza Sports Park. This facility is open during all Rangers home games and is also available for rental at other times.

THE BUDWEISER BOWTIE AT VANDERGRIFF PLAZA // The area that previously housed the Children's Sports Park was been completely rebuilt and to include four full service concession stands as well as seating clusters. A large video board is mounted on the back of the Batter's Eye Club to provide viewing of the game action from this location. This area encompasses nearly 12,000 square feet. One feature that remained in Vandergriff Plaza is the life size bronze statues of Nolan Ryan and the late Tom Vandergriff, for whom the plaza is named. The statues, which were produced by noted sculptor Toby Mendez of Washington County, Maryland, were dedicated in 1997.

SEATING AREAS/DECKS // The aluminum bleacher seats on the left and right field sides of Greene's Hill were replaced by individual ballpark seats. The capacity of the area, called the Outfield Plaza, is 424, a decrease of 1,075 from the previous bleacher seating. Covered deck areas with open seating and tables were built above the seating areas on both the left and right field sides of the Batter's Eye Club.

VISITORS BULLPEN // The visitors' bullpen was reconfigured to run parallel to the left center fence in the same orientation as the Rangers bullpen, occupying an area that was previously bleacher seating.

WIDER CONCOURSE // The concourse leading from behind section 3 into Vandergriff Plaza was widened to provide a more efficient traffic flow.

FOR 2013, upgrades to Globe Life Park in Arlington included the addition of a third row of Home Plate Seats, extensive renovations and upgrades to the private club and concessions areas behind home plate, a new retail store and concessions stands on the Main Concourse, and deeper dugouts and field camera bays. A summary:

NEW HOME PLATE SEATS // A third row of Home Plate Seats was added in front of the two existing rows of premium seating which were built for the 2009 season. The 52 new seats brought the number of Home Plate Seats to 148 between the two dugouts. The new row of seats decreased the distance from the home plate screen to the plate from 52 feet, 8 inches to 50 feet, one inch.

WIDER DUGOUTS AND CAMERA BAYS // In addition to the new Home Plate Seats, the dugouts and camera bays on both the first and third base sides were moved forward by approximately three feet, allowing for wider space in both areas. This required a rebuilding of the dugout steps and railings on both the first and third base sides while decreasing foul territory in these areas to 42 feet, 6 inches from the front of the inside camera bays to the foul lines.

NEW CAPITAL ONE CLUB // The existing private club, now the Capital One Club, which is located on the mezzanine level behind home plate, was renovated and expanded. The Rangers and Capital One Bank entered into a multi-year partnership which included naming rights to the private home plate club. Structural work was done in the center of the club to remove several sections of steel to greatly improve the view of the field. New cooking areas, bars and dining room space became the focal point of the center area. Permanent seating was relocated to two rows on the left and right of the Capital One Club's center, and the number of permanent seats was increased from 76 to 104. The renovation also created a more spacious club with square feet in the climate controlled space increasing from 8,100 to 9,100 and the number of linear feet facing the glass towards the field being extended from 108 to 215.

MAIN CONCOURSE CONCESSIONS // The existing concessions stands located on the Main Concourse behind home plate were renovated to create display cooking areas, similar to what was done in Vandergriff Plaza prior to 2012. The previous entrance to the Capital One Club and the seating area in Section 126 was removed, giving fans entering the ballpark through the Home Plate gate a wide-open view of the playing field. The entrance to the renovated Capital One Club was moved to the area where the Suite elevator is located on the Main Concourse behind home plate.

NEW RETAIL STORE // A new Rangers merchandise store was constructed in the space where the West Box Office previously existed on the Main Concourse between the Home Plate and First Base Gates. The 2,120-square-foot store is open in-game and features a wide variety of Rangers merchandise items. The First Base Box Office, which is located on Randol Mill Road to the east of the First Base Gate, is once again the ballpark's primary box office, as it was when the building opened in 1994. The Season Ticket Holder Services area also was relocated to the concourse side of the First Base Box Office.

NEW CONCESSION LOCATIONS // New concessions stands were added on the south end of the new retail store and along the outer wall of the Main Concourse on the third base side of Globe Life Park. Similar to the stands renovated behind home plate, these locations feature state-of-the-art cooking equipment and additional points of sale and ease congestion along the Main Concourse on the first and third base sides.

FOR 2014, off-season construction at Globe Life Park in Arlington included a complete renovation of the Diamond Club, now known as the Jack Daniel's Club, the replacement of over 1,000 seats in the Upper Level suites and a complete overall of the Sportservice suite kitchen on the club concourse level behind the press box. The Rangers also installed LED lighting on the relief panels on the exterior of the park.

JACK DANIEL'S CLUB (FORMERLY DIAMOND CLUB) // The space which measures 14,381 square feet was completely renovated. The existing half walls and a reception desk at the entry were removed to open the access into the space. A new bar was built near the center of the room, with dining and casual seating clusters becoming part of the dining room space. The railing along the top of the main room was modified to create a plate rail for dining or casual seating. The tiered dining areas also received new furniture to include spaces for dining and seating. The entire area received new carpet and paint.

UPPER LEVEL SUITE SEATS // All 1,098 seats in the 69 suites on the Upper Level were replaced with new padded seats.

SUITE KITCHEN // A complete overhaul of the kitchen which supports food and beverage for all 126 ballpark suites was done. The 3,600 square foot kitchen is located in the back of the press box on the Club Level. This was the first major upgrade of this space since the park opened in 1994 and allowed Sportservice to provide expanded menu options and faster service to the suite customers.

EXTERIOR LIGHTING FOR BAS RELIEFS // The original neon lighting under the Bas Reliefs on the exterior of Globe Life Park was replaced with white LED lighting. Much of the neon lighting has failed over the past few years due to exposure to weather. The bas reliefs were created by sculptor Michael Curtis of Washington, D.C. for the opening of the new park in 1994 and illustrate the rich history of Texas, including the arrival of professional baseball, oil, and ranching. Curtis created ten different bas relief subjects out of clay that measure four by 19 feet each. Located in the granite work near the park's smaller arches, each relief was reproduced nine times to fully wrap around the building. The new lighting significantly enhanced one of the signature features of Globe Life Park in Arlington during the park's 20th anniversary season.

FOR 2015, the All You Can Eat Grill, which was formerly Friday's Front Row Grill from 1994-2003, located behind the seating in the Upper Home Run Porch, was completely renovated and renamed the Home Run Porch. It marked the first renovation of this area in the park's history. The 20,000 square foot space was reconstructed into one large banquet space that will accommodate events of 400-500 individuals, the largest single event space at Globe Life Park in Arlington. The kitchen space was doubled in size to provide more efficiency and allow for great volume. The space is utilized for food service for the All You Can Eat seats in the Upper Home Run Porch on game days and is available for outside rental the rest of the time.

FOR 2016, a new left field video board and field lighting system dramatically changed the in-game experience at Globe Life Park.

LEFT FIELD VIDEO BOARD // The LED video display is located on far left side of office building roof above the area of the visiting bullpen and provides video board coverage for nearly every fan in the park. The board is 34 feet high by 94 feet wide and features the same 15HD pixel layout as the video displays in right and center fields. It has a higher brightness level to combat the direct sunlight that it receives in left field. Its wide angle visibility appeals to a vast majority of seats in Globe Life Park. Daktronics, which previously installed Globe Life Park's video boards in right field and center field as well as a new IPTV system prior to the 2011 season, also designed, manufactured, and installed the new board.

FIELD LIGHTING // Prior to 2016, the Rangers entered into an agreement with Eaton's Ephesus Lighting to implement an advanced light-emitting diode (LED) system for the field lights at Globe Life Park in Arlington. The LED Lighting System is designed to enhance the viewing experiences of fans attending Texas Rangers games at Globe Life Park as well as those watching the games on television. The Eaton's Ephesus installation provides a 40% reduction in fixtures and up to a 60% decrease in energy use, while improving illumination and uniformity throughout the playing surface at Globe Life Park. There is also no decrease in illumination over time with the new system. The new LED system, with its instant-on capability, eliminates the warm-up period associated with more traditional bulb-based lighting. This enables Globe Life Park to instantly resume lighting after fireworks shows or other special events. The Eaton's Ephesus installation uses Stadium Pro fixtures to offer color temperature tuning and the ability to generate unique fan experience effects. The Ephesus LED system interfaces with an advanced DMX control system to provide these capabilities.

TEXAS RANGERS BASEBALL FOUNDATION JUST KEEP LIVIN PARTNERSHIP

In May 2011, the Rangers Foundation launched a partnership with the just keep livin foundation (founded by Matthew and Camila McConaughey) and implemented an after-school program that encourages students to improve their physical and mental health through exercise, teamwork, gratitude and positive life choices. Students also participate in a variety of community service activities. The schools participating in the just keep livin programs are Sam Houston High School in Arlington, Pinkston High School in Dallas, and Eastern Hills High School in Fort Worth.

MILITARY AND FIRST RESPONDERS

The Rangers Foundation provides funding for non-profit organizations that support the military, first responders, and their families.

FACES OF FREEDOM, PRESENTED BY SOUTHWEST AIRLINES

Each month, the Rangers and Southwest Airlines recognize three Faces of Freedom at a Rangers home game. These heroes get a special VIP tour, meal, and tickets to the game. Each November, the honorees and a guest travel to Washington DC as guests of the Rangers and Southwest Airlines.

LEADERS IN THE COMMUNITY

The Foundation is supported through the generosity of Rangers owners, players, corporate partners, and individual donors.

During 2018, the following Texas Rangers players are making generous donations to the Texas Rangers Baseball Foundation:

Elvis Andrus	Jake Diekmann
Adrian Beltre	Doug Fister
Robinson Chirinos	Rougned Odor
Shin-Soo Choo	Martin Perez

As important as their generous financial donations, Rangers players and coaches donate their time and provide the Foundation with autographed items.

On behalf of those helped by the Foundation, we thank all the Rangers players for their generosity and exemplary spirit of service.
